RECEIPT OF WINDING UP PETITION AGAINST MALAYSIA SUBSIDIARY

The Board of Directors (the “**Board**”) of GRP Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) wishes to announce that Poly Radius Sdn. Bhd. has served a winding up petition on the Company’s indirect wholly-owned subsidiary, Rumah Kami Sdn. Bhd. for alleged failure to pay commission of an aggregate amount of approximately RM 307,000.

The Group intends to contest the proceedings vigorously as it has been advised that the alleged debt forming the basis of the petition is disputed and there are grounds to challenge the winding up petition. The Group will take the necessary legal steps to defend its position and protect its interests.

The Company will keep shareholders informed of any material developments as and when they occur. In the meantime, shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company and to consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the actions they should take.
