CLARIFICATION ANNOUNCEMENT

The board of directors ("**Board**" or "**Directors**") of OceanScape International Limited ("**Company**", together with its subsidiaries, the "**Group**") refers to the media report published by Lianhe Zaobao on 28 April 2026 titled "停牌逾半年 凯利板挂牌海景国际何时复牌成谜引股东不满" (the "**Media Report**") relating to the proceedings of the Company's annual general meeting held on 28 April 2026 (the "**AGM**").

The Board wishes to clarify the following matters referred to in the Media Report for the benefit of shareholders and the investing public:

1. The Company had submitted a trading resumption request to its former continuing sponsor on 3 November 2025, followed by supplemental information on 15 December 2025 and an updated submission on 19 January 2026. The Company had previously disclosed that the 19 January 2026 submission was made through the Company's former continuing sponsor and was subsequently withdrawn by the former continuing sponsor following the change of the Company's sponsor.

2. Based on the Company's announcement dated 7 April 2026, the Company's claim against its former continuing sponsor relates to, *inter alia*, matters concerning the release of the Company's announcement dated 26 September 2025, and not to any alleged unauthorised withdrawal of the Company's previous trading resumption request.

3. The trading halt on 25 September 2025 and the subsequent voluntary suspension of trading in the Company's shares on the Singapore Exchange Securities Trading Limited on 29 September 2025 took place prior to the appointment of the current Board. Based on the Company's request for suspension announced on 29 September 2025, the voluntary suspension was requested by the Company in connection with an alleged whistleblowing complaint.

4. In relation to the handover of information, the Company had previously disclosed that there was no formal handover from the former Directors, including documents relating to the alleged whistleblowing complaint, despite repeated requests by the current Board. Accordingly, the current Board's review of these matters has been based on information currently available to it.

The Company will make further announcements to update shareholders as and when there are material developments in relation to the matters of the Company.
