Singapore's First and Largest Commercial REIT

Second Quarter 2018 Financial Results

19 July 2018

Important Notice

This presentation shall be read in conjunction with CCT's 2Q 2018 Unaudited Financial Statement Announcement.

The past performance of CCT is not indicative of the future performance of CCT. Similarly, the past performance of CapitaLand Commercial Trust Management Limited, the manager of CCT is not indicative of the future performance of the Manager.

The value of units in CCT (CCT Units) and the income derived from them may fall as well as rise. The CCT Units are not obligations of, deposits in, or guaranteed by, the CCT Manager. An investment in the CCT Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the CCT Manager redeem or purchase their CCT Units while the CCT Units are listed. It is intended that holders of the CCT Units may only deal in their CCT Units through trading on Singapore Exchange Securities Trading Limited (SGX-ST). Listing of the CCT Units on the SGX-ST does not guarantee a liquid market for the CCT Units.

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of the CCT Manager on future events.

6. Looking Ahead

A photograph of a modern architectural structure. The central feature is a large, white, triangular canopy with three prominent, curved, red ribs extending downwards. The structure is flanked by two tall, glass-enclosed wings supported by a white metal frame. The building is surrounded by lush green trees and a paved walkway in the foreground. The sky is bright blue with some light clouds.

CCT's multi-pronged approach to portfolio value creation

Generate organic growth

- Increase occupancy
- Increase rent

Enhance / refurbish assets

- Improve positioning
- Create value

Unlock value

- Realise maximum value
- Recycle proceeds

Grow portfolio

- Acquire quality asset in Singapore and overseas (10-20%)
- Develop to transform value

Proactive capital management

- Diversify funding sources
- Optimise tenure and funding cost

Key focus

✓ Proactive portfolio and asset management

- Capitalise on rising office rents in Singapore market to optimise income for leases
- Actively reduce vacancy
- Gallileo contributing from 19 June 2018

✓ Further growth in Singapore with CapitaSpring

- Construction on track for completion in 1H 2021
- Call option⁽¹⁾ to acquire balance 55.0% interest in the commercial component currently not owned by CCT within five years from building's completion

✓ Continue to explore investments in Singapore and overseas ⁽²⁾

Gallileo

Notes:

(1) Exercisable within 5 years after issue of temporary occupation permit (TOP) and price at market value. The purchase price must be higher than a base price calculated as the total development costs incurred by Glory Office Trust (GOT) on the commercial component less any net property income attributable to GOT compounded quarterly at 6.3% p.a..

(2) Develop depth in select gateway cities and between 10-20% of deposited property
