APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

1 INTRODUCTION

- 1.1 At the AGM held on 28 October 2016, the Shareholders approved the renewal of the Share Purchase Mandate (the “**2016 Share Purchase Mandate**”) to enable the Company to purchase or otherwise acquire its issued Shares as permitted under and in accordance with the provisions of the Act. The rationale for, the authority and limits on, and the financial effects of, the 2016 Share Purchase Mandate were set out in the Company’s Appendix to the Notice of AGM dated 27 September 2016 to Shareholders.
- 1.2 The 2016 Share Purchase Mandate was expressed, *inter alia*, to continue in force until (i) the date on which the next AGM is held or required by law to be held; or (ii) the date on which the Share Purchases are carried out to the full extent mandated; or (iii) the date on which the authority conferred by the 2016 Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting, whichever is the earliest.
- 1.3 The 2016 Share Purchase Mandate would be expiring on 27 October 2017, being the date of the forthcoming AGM. Accordingly, the Directors propose that Shareholders’ approval for the renewal of the Share Purchase Mandate be sought at the AGM on 27 October 2017.
- 1.4 The purpose of this Appendix is to provide Shareholders with information relating to the proposed renewal of the Share Purchase Mandate.

2 RATIONALE FOR THE SHARE PURCHASE MANDATE

- 2.1 The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:
 - (a) to enable the Board to return the Group’s surplus funds, which are in excess of the foreseeable financial and investment needs of the Group, to Shareholders effectively and expediently and to enhance the earnings per Share of the Company when circumstances permit;
 - (b) in line with international practice, the Share Purchase Mandate will give the Company greater flexibility in managing its capital and maximising returns to its Shareholders. To the extent that the Company has capital and surplus funds which are in excess of its financial needs, taking into account its growth and expansion plans, the Share Purchase Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner; and
 - (c) the Share Purchase Mandate allows the Board to purchase Shares when the Shares are under-valued, which would help to buffer short-term share price volatility and offset the effects of share price speculation.
- 2.2 The Share Purchase Mandate authorises a purchase of Shares of up to 10% of the total number of issued Shares (excluding Treasury Shares) during the duration referred to in paragraph 3.2(a) of this Appendix. The purchase or acquisition of Shares would be made only as and when the Board considers it to be in the best interests of the Company and in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group, or result in the Company being delisted from the SGX-ST.
- 2.3 The Board will use their best efforts to ensure that after a Share Purchase, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

3 AUTHORITY AND LIMITS ON THE SHARE PURCHASE MANDATE

The authority and limits placed on Share Purchases under the proposed Share Purchase Mandate, if renewed at the AGM on 27 October 2017, are summarised below:-

3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares as at the date of the forthcoming AGM at which approval for the renewal of the Share Purchase Mandate is being sought. Under the Act, any Shares which are held as Treasury Shares will be disregarded for the purpose of computing the 10% limit.

For illustrative purposes only, on the basis of 381,540,304 issued Shares (excluding 3,489,300 Treasury Shares) as at the Latest Practicable Date, and assuming that no further Shares are issued or purchased by the Company on or before the date of the AGM, not more than 38,154,030 issued Shares (representing 10% of the total number of issued Shares as at that date) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate during the duration referred to in paragraph 3.2(a) of this Appendix.

3.2 Duration of Authority

(a) Share Purchases may be made, at any time and from time to time, on and from the date of the AGM at which the proposed renewal of the Share Purchase Mandate is approved, up to:-

- (i) the date on which the next AGM is held or required by law to be held;
- (ii) the date on which the Share Purchases are carried out to the full extent mandated; or
- (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

(b) The authority conferred on the Board by the Share Purchase Mandate to purchase Shares, if renewed at the AGM on 27 October 2017, may be renewed at the next AGM in 2018.

3.3 Manner of Share Purchases

(a) Share Purchases may be made by way of:-

- (i) an On-Market Share Purchase; and/or
- (ii) an Off-Market Share Purchase.

(b) The Board may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. However, an Off-Market Share Purchase effected in accordance with an equal access scheme must satisfy all the following conditions:-

- (i) offers under the scheme are to be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

- (iii) the terms of all the offers shall be the same, except that there shall be disregarded:-
 - (1) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (2) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

- (c) In addition, the Listing Manual provides that, in making an Off-Market Share Purchase, the Company must issue an offer document to all Shareholders containing at least the following information:-
 - (i) the terms and conditions of the offer;
 - (ii) the period and procedures for acceptance;
 - (iii) the reasons for the proposed Share Purchase;
 - (iv) the consequences, if any, of the Share Purchase that will arise under the Take-over Code or other applicable take-over rules;
 - (v) whether the Share Purchase, if made, could affect the listing of the Shares on the SGX-ST;
 - (vi) details of any Share Purchases made by the Company during the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases; and
 - (vii) whether the Shares purchased by the Company will be cancelled or kept as Treasury Shares.

3.4 Maximum Purchase Price

- (a) The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Board.

- (b) However, the purchase price to be paid for the Shares pursuant to the Share Purchase Mandate must not exceed:-
 - (i) in the case of an On-Market Share Purchase, 105% of the Average Closing Price (as defined below) of the Shares; and
 - (ii) in the case of an Off-Market Share Purchase, 120% of the Average Closing Price of the Shares,

(the “**Maximum Price**”) in either case, excluding related expenses of the Share Purchase.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

- (c) For the above purposes, “**Average Closing Price**” means the average of the closing market prices of the Shares over the last 5 Market Days on which transactions in the Shares were recorded, immediately preceding the day on which the On-Market Share Purchase was made or immediately preceding the date of the Company’s announcement of an offer for an Off-Market Share Purchase, as the case may be, and deemed to be adjusted for any corporate action that occurs after the relevant 5 Market Days.

4 STATUS OF PURCHASED SHARES

4.1 Under Section 76B of the Act, any Share purchased or acquired by the Company shall be deemed cancelled immediately on such purchase or acquisition (and all rights and privileges attached to that Share will expire on cancellation), unless held as a Treasury Share. All Shares purchased by the Company, unless held as Treasury Shares, will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as Treasury Shares.

4.2 Under the Act, Shares purchased or acquired by the Company may be held or dealt with as Treasury Shares. Some of the provisions on Treasury Shares under the Act are summarised below:-

(a) Maximum Holdings

The number of Shares held as Treasury Shares shall not at any time exceed 10% of the total number of issued Shares (which includes Treasury Shares) and the Company shall be entered in the Register of Members or the Depository Register, as the case may be, as the member holding those Shares.

(b) Voting and Other Rights

The Company cannot exercise any right in respect of Treasury Shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Act, the Company shall be treated as having no right to vote in respect of Treasury Shares and the Treasury Shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company’s assets may be made, to the Company in respect of the Treasury Shares. However, the allotment of Shares as fully paid bonus shares in respect of Treasury Shares is allowed. Also, a sub-division or consolidation of any Treasury Share into Treasury Shares of a greater or smaller number is allowed so long as the total value of the Treasury Shares after the sub-division or consolidation is the same as before the sub-division or consolidation, as the case may be.

(c) Disposal and Cancellation

Where Shares purchased or acquired by the Company are held as Treasury Shares, the Company may at any time:-

- (i) sell the Treasury Shares (or any of them) for cash;
- (ii) transfer the Treasury Shares (or any of them) for the purposes of or pursuant to an employees’ share scheme;
- (iii) transfer the Treasury Shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the Treasury Shares (or any of them); or

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

- (v) sell, transfer or otherwise use the Treasury Shares for such other purposes as may be prescribed by the Minister of Finance.
- 4.3 The Shares purchased under the Share Purchase Mandate will be held as Treasury Shares or cancelled by the Company taking into consideration the prevailing circumstances and requirements of the Company at the relevant time.
- 4.4 In addition, under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of Treasury Shares, stating the following:-
- (a) date of the sale, transfer, cancellation and/or use;
 - (b) purpose of such sale, transfer, cancellation and/or use;
 - (c) number of Treasury Shares sold, transferred, cancelled and/or used;
 - (d) number of Treasury Shares before and after such sale, transfer, cancellation and/or use;
 - (e) percentage of the number of Treasury Shares against the total number of Shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
 - (f) value of the Treasury Shares if they are used for a sale or transfer, or cancelled.

5 REPORTING REQUIREMENTS

- 5.1 Within 30 days of the passing of a Shareholders' resolution to approve or renew the Share Purchase Mandate, the Company shall lodge a copy of such resolution with the Registrar.
- 5.2 The Company shall lodge with the Registrar a notice of Share Purchase in the prescribed form within 30 days of any Share Purchase. Such notification shall include the date of the purchase or acquisition, the number of Shares purchased or acquired by the Company, the number of Shares cancelled, the number of Treasury Shares held, the Company's issued share capital before and after the Share Purchase, the amount of consideration paid by the Company for the Share Purchase, whether the Shares were purchased or acquired out of the profits or the capital of the Company and such other particulars as may be required in the prescribed form.
- 5.3 Within 30 days of the cancellation or disposal of Treasury Shares in accordance with the Act, the Company shall lodge with the Registrar a prescribed notice of the cancellation or disposal of Treasury Shares.

6 SOURCE OF FUNDS

- 6.1 The Company may only apply funds for Share Purchases in accordance with the applicable laws in Singapore. The Company may not purchase or acquire its Shares for a consideration other than in cash and in the case of an On-Market Share Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.
- 6.2 The Act stipulates that Share Purchases may be made out of the Company's capital or profits so long as the Company is solvent. Where Shares which are purchased or acquired by the Company are cancelled immediately on such purchase or acquisition, the Company shall:
- (a) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;
 - (b) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

- (c) reduce the amount of its share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company.

Where the consideration paid by the Company for the Share Purchases is made out of profits, such consideration will correspondingly reduce the amount of profits available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the Share Purchases is made out of capital, the amount of the Company's capital will be reduced correspondingly but the amount of profits available for the distribution of cash dividends by the Company will not be reduced.

- 6.3 For the purposes of paragraph 6.2 above, the consideration paid by the Company for the Share Purchases shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of the Shares of the Company which is paid out of the Company's capital or profits.
- 6.4 The Company intends to use internal sources of funds or external borrowings, or a combination of both, to finance Share Purchase(s). The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that it would materially affect the working capital requirements of the Group. The purchase or acquisition of the Shares will only be effected after considering relevant factors such as the working capital requirements of the Group, the availability of financial resources and the prevailing market conditions.

7 FINANCIAL EFFECTS

- 7.1 The financial effects on the Company and the Group arising from Share Purchases will depend on, *inter alia*, whether the Share Purchases are made by way of On-Market Share Purchases or Off-Market Share Purchases, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled.
- 7.2 **For illustrative purposes only**, the financial effects on the Company and the Group arising from Share Purchases, based on the audited financial statements of the Company and the Group for FY2017, are set out in paragraph 7.2(i) of this Appendix and based on the following assumptions:-
- (a) pursuant to the Share Purchase Mandate, the Company may purchase or acquire a maximum of 38,154,030 Shares (representing 10% of the 381,540,304 Shares as at the Latest Practicable Date);
 - (b) in the case of On-Market Share Purchases, assuming the Company purchases or acquires 38,154,030 Shares at a Maximum Price of S\$0.370 (being 5% above the Average Closing Price prior to the Latest Practicable Date), the maximum amount of funds (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) required for effecting such On-Market Share Purchases would amount to approximately S\$14.117 million;
 - (c) in the case of Off-Market Share Purchases, assuming the Company purchases or acquires 38,154,030 Shares at a Maximum Price of S\$0.422 (being 20% above the Average Closing Price prior to the Latest Practicable Date), the maximum amount of funds (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) required for effecting such Off-Market Share Purchases would amount to approximately S\$16.101 million;
 - (d) the Share Purchases were made out of the Company's capital as the Company has decided that any Share Purchases made under the Share Purchase Mandate for which approval is sought, will be made out of capital;
 - (e) the Share Purchases took place on 1 July 2016; and
 - (f) the Share Purchases were financed entirely by internal funds of the Company.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

The financial effects set out above are purely for illustrative purposes only. Although the proposed Share Purchase Mandate would authorise the Company to purchase or acquire up to 10% of the total number of issued Shares (excluding Treasury Shares), the Company may not necessarily purchase or acquire, or be in a position to purchase or acquire, 10% of the total number of issued Shares (excluding Treasury Shares) in full. In particular, the Directors do not intend to exercise the Share Purchase Mandate up to the maximum limit or to such an extent where such exercise would materially and adversely affect the financial position of the Group. In addition, the Company may (i) cancel all or part of the Shares repurchased; or (ii) hold all or part of the Shares repurchased in treasury.

8 TAX IMPLICATIONS ARISING FROM SHARE PURCHASES

Shareholders who are in doubt as to their respective tax positions or any tax implications of Share Purchases by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

9 LISTING MANUAL

9.1 Listing Rules

The Listing Manual specifies that a listed company shall notify the SGX-ST of any Share Purchase:-

- (a) in the case of an On-Market Share Purchase, not later than 9.00 a.m. on the Market Day following the day on which the On-Market Share Purchase was made; and
- (b) in the case of an Off-Market Share Purchase, not later than 9.00 a.m. on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase.

The notification of such Share Purchases to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.

While the Listing Manual does not expressly prohibit purchase of shares by a listed company during any particular time or times, the Company will not purchase or acquire any Shares pursuant to the Share Purchase Mandate after a price sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such time as the price sensitive information has been publicly announced. In particular, the Company will not buy any Shares during the period commencing:-

- (a) 2 weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year; and
- (b) 1 month before the announcement of the Company's full year financial statements,

and ending on the date of announcement of the relevant results.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

9.2 Listing Status of the Shares

The Listing Manual requires a listed company to ensure that at least 10% of the total number of issued Shares (excluding Treasury Shares, preference shares and convertible equity securities) in a class that is listed is at all times held by the public. The “**public**”, as defined under the Listing Manual, are persons other than the directors, chief executive officer, Substantial Shareholders or Controlling Shareholders of the Company or its subsidiaries, as well as the associates of such persons.

Based on the Registers of Directors’ Shareholdings maintained by the Group and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, there are 229,836,629 Shares representing approximately 60.24% of the total number of issued Shares (excluding 3,489,300 Treasury Shares) in the hands of public Shareholders. Assuming the Company exercises the Share Purchase Mandate in full and purchases 10% of the total number of issued Shares (excluding Treasury Shares) through On-Market Share Purchases from the public, the number of Shares in the hands of the public would be reduced to 191,682,599 Shares, representing approximately 55.82% of the total number of issued Shares (excluding 3,489,300 Treasury Shares). Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Purchase Mandate without affecting the orderly status and/or listing status of the Shares on the SGX-ST.

In undertaking any Share Purchases, the Board will use its best efforts to ensure that, notwithstanding such Share Purchases, a sufficient float in the hands of the public will be maintained so that the Share Purchases will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

10 TAKE-OVER CODE IMPLICATIONS ARISING FROM SHARE PURCHASES

10.1 Obligation to make a Take-over Offer

The resultant increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him, following any Share Purchases, will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code (“**Rule 14**”). Consequently, depending on the number of Shares purchased by the Company and the Company’s total number of issued Shares at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make an offer under Rule 14.

10.2 Persons Acting in Concert

Under the Take-over Code, “persons acting in concert” or “concert parties” comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert with one another:-

- (a) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts); and

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

- (b) a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies and companies of which such companies are associated companies, all with one another, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforesaid for the purchase of voting rights.

For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which Shareholders (including directors of the Company) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Take-over Code ("**Appendix 2**").

10.3 Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, directors of the Company and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such directors and their concert parties would increase to 30% or more, or, in the event that such directors and their concert parties hold between 30% and 50% of the voting rights in the Company, the voting rights of such directors and their concert parties would increase by more than 1% in any period of 6 months. In calculating the percentages of voting rights of such directors and their concert parties, Treasury Shares shall be excluded.

Under Appendix 2, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the voting rights in the Company, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

Shareholders and their concert parties will be subject to the provisions of Rule 14 if they acquire any Shares after the Company's Share Purchases. For the purpose of the Take-over Code, an increase in the percentage of voting rights as a result of the Share Purchases will be taken into account in determining whether a Shareholder and persons acting in concert with him have increased their voting rights by more than 1% in any period of 6 months.

If the Company decides to cease the purchase of Shares before it has purchased in full such number of Shares authorised by the Shareholders at the latest annual general meeting, the Company will promptly inform the Shareholders of such cessation. This will assist Shareholders to determine if they can buy any more Shares without incurring an obligation under Rule 14.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

10.4 Directors' and Substantial Shareholders' Interests

Based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders as at the Latest Practicable Date, the shareholdings of the Directors and the Substantial Shareholders before and after the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate, assuming (i) the Company purchases the maximum 10% of the total number of issued Shares (excluding Treasury Shares), and (ii) there is no change in the number of Shares held by the Directors and the Substantial Shareholders or which they are deemed interested in, will be as follows:-

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

As at the Latest Practicable Date, Raymond Lum Kwan Sung, the Executive Chairman, directly holds approximately 3.85% of the Shares. LCI, a company in which he has a direct interest of approximately 53.33% and in which his spouse and children have an aggregate direct interest of approximately 46.67%, directly holds approximately 15.68% of the Shares. David Lum Kok Seng, the Managing Director and the brother of Raymond Lum Kwan Sung, directly holds approximately 2.87% of the Shares and Beverian, a company in which he has a direct interest of 99.00%, and in which his son has a direct interest of 1.00%, directly holds approximately 17.24% of the Shares. In addition, Adrian Lum Wen Hong, who is a son of David Lum Kok Seng and nephew of Raymond Lum Kwan Sung, directly holds approximately 0.03% of the Shares. Kelvin Lum Wen Sum, who is also a son of David Lum Kok Seng and nephew of Raymond Lum Kwan Sung, does not hold any Shares. Kelvin Lum Wen Sum is a non-independent, non-executive Director and Adrian Lum Wen Hong holds the position of Director, Property Development of the Company.

Raymond Lum Kwan Sung, David Lum Kok Seng, LCI, Beverian, Kelvin Lum Wen Sum and Adrian Lum Wen Hong (collectively, "**Lum and company**") are presumed to be parties acting in concert in relation to the Company in respect of their combined direct and deemed holdings of approximately 39.68% of the Shares.

In the event that the Company purchases up to 10% of its Shares (excluding Treasury Shares) pursuant to the Share Purchase Mandate, the aggregate holdings of Lum and company in the Shares may increase by more than 1% in any period of 6 months. Under the Take-over Code, Lum and company and their concert parties would incur a mandatory take-over obligation for the Shares.

In the event that the Company:

- (a) allots and issues Shares whether by way of rights, bonus or otherwise;
- (b) makes or grants offers, agreements or options (including the exercise of options under the LCH Share Option Scheme) that might or would require Shares to be issued, including but not limited to the creation or issue of (as well as adjustments to) warrants, debentures or other instruments convertible into Shares, at any time to such persons, upon such terms and conditions and for such purposes as the directors of the Company may deem fit (within the authority given by the Shareholders and in accordance with the Act and the Listing Manual);
- (c) sells such number of its Treasury Shares for cash as permitted under the Act; and/or
- (d) transfers such number of its Treasury Shares for the purposes as permitted under the Act,

such that the aggregate voting rights of Lum and company in the Company falls below 30%, and the Company buys back such number of its issued Shares as permitted under the Share Purchase Mandate, resulting in the aggregate voting rights held by Lum and company at such time increasing to 30% or more, Lum and company will be required to make a mandatory offer pursuant to Rule 14 of the Take-over Code.

Other than the foregoing, the Directors are not aware of any fact(s) or factor(s) which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert (whether with Lum and company or otherwise) such that their respective interests in the Shares should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a Share Purchase.

Shareholders are advised to consult their professional advisers and/or the SIC and/or other relevant authorities at the earliest opportunity as to whether an obligation on their part, if any, to make a mandatory take-over offer under the Take-over Code would arise by reason of any Share Purchases by the Company.
