

CapitaLand Commercial Trust Singapore's First Commercial REIT

Investor meetings in Tokyo

14 – 16 September 2015

Important Notice

This presentation shall be read in conjunction with CCT's 2Q 2015 Unaudited Financial Statement Announcement.

The past performance of CCT is not indicative of the future performance of CCT. Similarly, the past performance of CapitaLand Commercial Trust Management Limited, the manager of CCT is not indicative of the future performance of the Manager.

The value of units in CCT (CCT Units) and the income derived from them may fall as well as rise. The CCT Units are not obligations of, deposits in, or guaranteed by, the CCT Manager. An investment in the CCT Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the CCT Manager redeem or purchase their CCT Units while the CCT Units are listed. It is intended that holders of the CCT Units may only deal in their CCT Units through trading on Singapore Exchange Securities Trading Limited (SGX-ST). Listing of the CCT Units on the SGX-ST does not guarantee a liquid market for the CCT Units.

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of the CCT Manager on future events.

CCT's strategies for growth

Delivering consistent growth

- High portfolio occupancy: 93% - 99% since 2004
- Total returns grew 227.7% since 2004

Building a resilient portfolio

- Portfolio occupancy at 98%
- Well spread portfolio lease profile with major leases expiring in 2019 and beyond
- Reducing amount of leases due in 2016 and 2017 and focusing on retaining strategic tenants

Augmenting portfolio quality

Through asset enhancement initiatives (AEIs), acquisition and development

Proactive capital management: Low gearing with debt headroom of S\$1.3 billion

Provides flexibility and enables quick response to growth opportunities

Acquisition pipeline: Call option to buy 60% interest in CapitaGreen within 3 years after completion
