Our Business Model

An integrated ecosystem empowering fee income growth through four distinct product verticals, supported by dedicated local teams that provide on-the-ground insights

Private Funds Management

- FUM of S\$39B
- Deepen and diversify private funds strategies and expand fundraising channels

Listed Funds Management

- FUM of S\$61B – Asia Pacific’s largest REIT manager by market cap
- Maintain organic growth momentum

Investment Properties

- S\$8.6B¹ of pipeline assets on balance sheet
- Properties on balance sheet generate income and provide pipeline for capital recycling
- Divestment of properties potentially seed growth in fund vehicles

Lodging Management

- ~165,000 units under management
- Target >S\$500M FRE by 2028
- Scale via asset-light management and franchise contracts

Commercial Management

- Best in class operating platform >240 properties under management covering >21 million sqm in GFA across Singapore, China and India
- Grow fee income via third-party management contracts

Sponsor stakes in listed funds and General Partner stakes in private funds

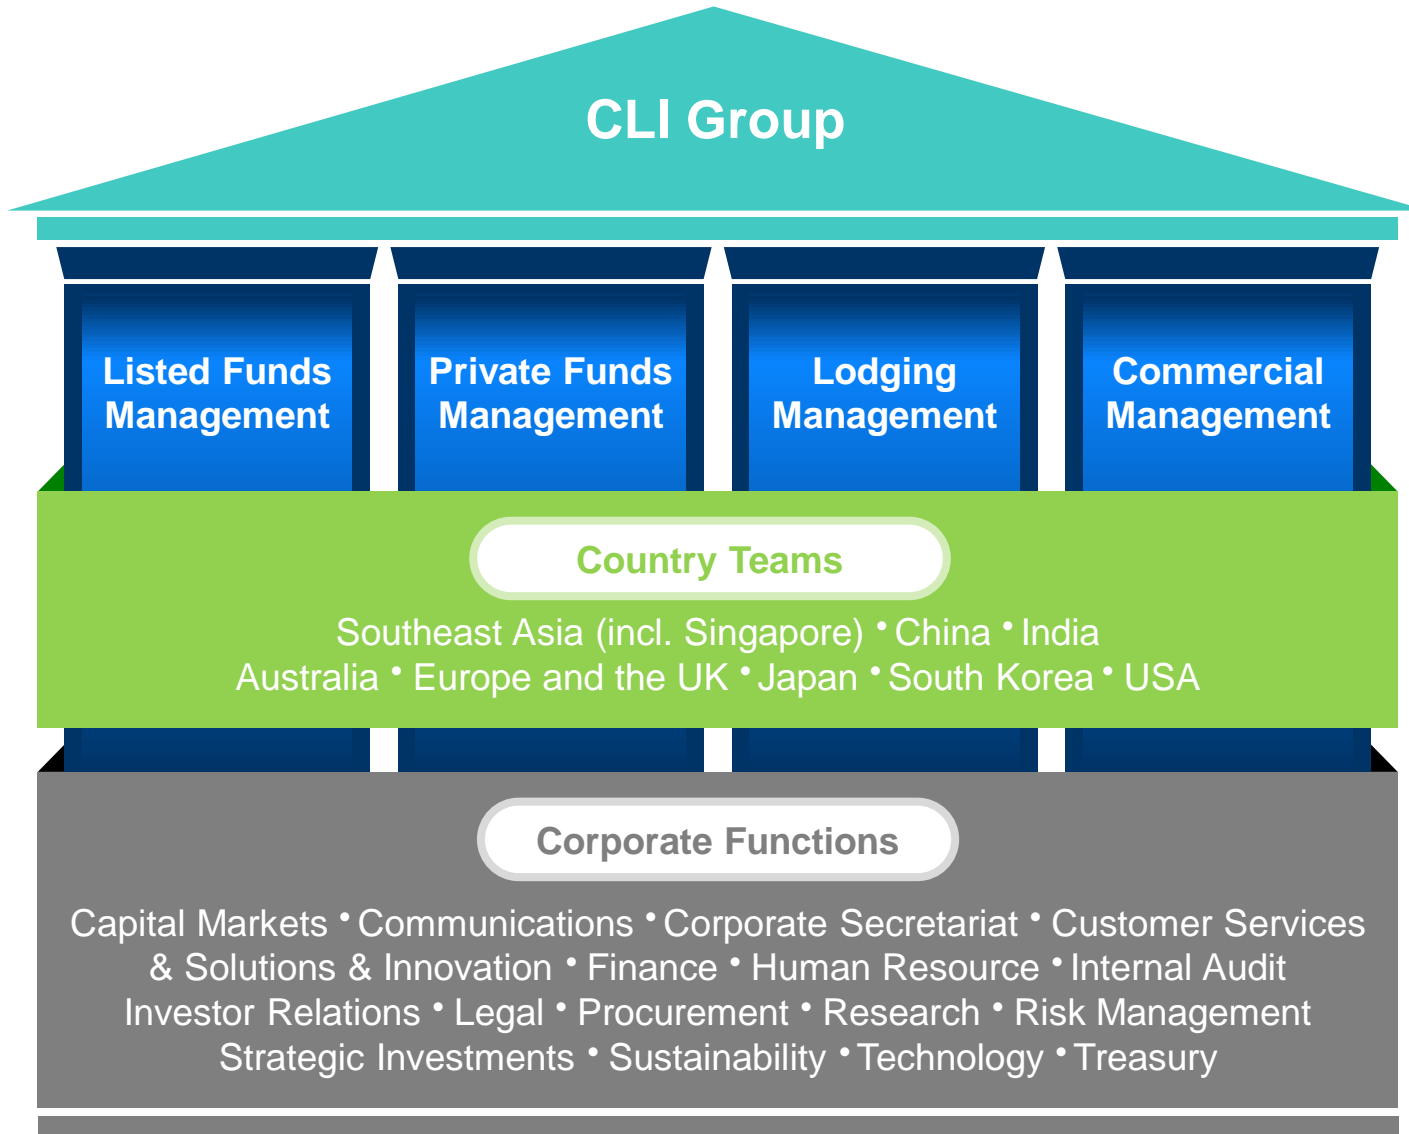

- Ensure alignment with capital partners and unitholders
- Benefit from income contribution

Note: As at 31 December 2023.

1. Refers to real estate assets under management (RE AUM)

Organised by Business Verticals and Countries

Business Verticals

- Four asset-light fee-related businesses focused on growth and achieving sustainable returns
- Business verticals provide scale for building organisation-wide capabilities

Country Teams

- Country teams provide in-depth local expertise to support deal sourcing, asset management, commercial management and capital raising
- Asset operating platforms and investment teams to form the core of the country teams

Corporate Functions

- Corporate functions support key business verticals to capture benefits of scale, drive growth and maintain high Environmental, Social and Governance standards
- New functions such as private capital markets and research established to support private equity and lodging

Focused Strategy Execution Amidst Headwinds

1

Positioning For Growth With Active Capital Recycling

- Divestment, especially in China and USA, is a key focus for 2024
- Strong balance sheet to seed new funds and pursue M&A opportunities
- New FUM target of S\$200B in 5 years

2

Focus On Scale in Lodging, New Economy and REITs

- Establishing fund track record in targeted areas
- Focused on building scale, particularly in lodging, logistics, and self-storage
- Accelerate growth momentum in listed funds with active portfolio management and acquisitions

3

Capture Geographic Tailwinds and Opportunities

- Double-down on India and Southeast Asia through expanding funds and operations
- Optimise China portfolio and grow Renminbi-denominated funds
- Widen fund product offerings in Japan, South Korea and Australia

CLI's Lodging Business

Lodging Management (LM)

Investment Management (IM)

Description

- LM revenue largely comprises fees from management contracts and franchise agreements
- >80% of units → Asset-light franchise and management contracts
 - Recurring fee income with generally 10-20 years contract terms

- Lodging IM derives its revenue across Ascott's diversified global portfolio
- Revenue streams include returns from owned properties and leased properties, and CLI's ownership proportion of returns from fund management platform e.g. CLAS and private funds

Income Components

Management Contracts		Franchise Agreements	
✓ Base management fee	✓ Incentive management fee	✓ Franchise fees	✓ Acquisition fee (one-off)
% of underlying property revenue	% of underlying property profits	% of underlying property revenue	For rights to operate franchise
✓ Service fee (cost reimbursement)			

Business Model

Owned Properties	Leased Properties	Returns from CLAS
✓ Rental income	✓ Rental income from various channels	✓ Stable distributions
✓ Gains from divestments		✓ Share of returns from CLAS based on CLI's stake in CLAS ¹
From assets owned on CLI's balance sheet	Direct leases under Ascott and Synergy platform
