**CONTRACT TO SUPPLY READY-MIX CONCRETE TO SAMSUNG C&T CORPORATION
FOR THE NORTH-SOUTH CORRIDOR – NSC106 PROJECT**

The Board of Directors of EnGro Corporation Limited (the “**Company**”) and together with its subsidiaries (the “**Group**”), wishes to announce that Top-Mix Concrete Pte Ltd (“TMS”), a wholly-owned subsidiary of the Company has secured a supply contract from Samsung C&T Corporation (“Samsung C&T”) for the North-South Corridor – NSC106 project.

TMS will supply estimated 800,000 m³ of ready-mix concrete over the project duration of six years up to 2024.

NSC106 is part of the North-South Corridor (“NSC”) project which stretches 21.5km from East Coast Parkway to Admiralty Road West. NSC106 contract involves design and building of 1.25 km tunnels between Novena Rise and Toa Payoh Rise on the NSC, largely underground expressway with dedicated bus and cycling lanes.

The supply contract is expected to improve the financial performance of TMS over the next few years. However it is not expected to have any material impact on the consolidated net tangible assets and earnings per share of the Group for the financial year ending 31 December 2018.

None of the Directors or controlling shareholders of the Company has any interest, direct or indirect, in the above transaction, other than through their respective shareholdings in the Company (if any).
