### DELTAMARIN NEW ENGINEERING AND CONSTRUCTION SUPPORT CONTRACTS – RO-PAX VESSEL

---

The Company is pleased to announce that Deltamarin Ltd. ("**Deltamarin**"), a subsidiary of the Company, has entered into contracts ("**Contracts**") with Xiamen Shipbuilding Industry Co., Ltd ("**XSI**") in the People's Republic of China to provide engineering and construction support services for a ro-pax vessel to be built for Viking Line ABP. The Contracts cover basic and detail design as well as comprehensive project management support and supervision services to XSI during construction of the ro-pax vessel.

The Contracts were entered into in Deltamarin's ordinary course of business. The aggregate value of the Contracts exceeds Euro 11 million. The engineering and pre-construction project management support will be carried out over an estimated period of 12 months, while the supervision and other construction support services will be carried out until planned delivery of the ro-pax vessel in 2020.

The Contracts are not expected to have a material financial impact on the Group's net tangible assets and earnings per share for the current financial year ending 31 December 2017 since the earnings from the Contracts will only be recognised progressively according to the stage of its completion.

Please refer to the attached press release published by Deltamarin for further details.
