ACQUISITION OF ASSETS BY DEL MONTE FOODS, INC.'S SUBSIDIARY

Del Monte Foods, Inc.'s ("**DMFI**") subsidiary, Vegetable Acquisition Corp., has acquired Sager Creek Vegetable Company's ("**Sager Creek**") vegetable business effective March 11, 2015 in San Francisco, U.S.A. Sager Creek is a producer of specialty vegetables for the Foodservice and Retail markets headquartered in Siloam Springs, Arkansas. Sager Creek, which in 2014 acquired the business of Allen Canning in a bankruptcy proceeding, has manufacturing operations located in North Carolina, Arkansas, and Wisconsin. Sager Creek's well-known brands include Veg-All, Freshlike, Popeye, Princella and Allens', among others. The assets to be acquired include property, plant and equipment, intellectual property and certain working capital assets (inventory and prepaid expenses less current liabilities) and exclude accounts receivable.

The cash price paid for the Sager Creek assets is US\$75 million. Such price was established through an auction process and negotiations between the parties. The acquisition cost will be financed through DMFI's revolving credit facility, the payment for which will be secured by the acquired assets.

The acquisition of Sager Creek's business provides Del Monte access to new customers and new retail product offerings and the opportunity to expand on Sager Creek's foodservice business platform, while driving significant operating synergies in our network of vegetable production facilities.

No director or controlling shareholder has any interest in the transaction or in any service contracts related to it.
