NORDIC SECURED APPROXIMATELY S\$6.9 MILLION WORTH OF CONTRACTS

The Board of Directors of Nordic Group Limited (“Nordic”) is pleased to announce that its System Integration and Precision Engineering Services divisions have recently clinched several contracts with a total value of approximately S\$6.9 million. The contracts are secured with repeat customers – comprising multinational companies and companies in the marine, oil & gas industries. The details are as follows:

1. System Integration Services secured capital projects of approximately S\$4.1 million from repeat customers for the supply of valve remote control, tank gauging systems and anti-heeling system. The contracts will be completed in 1Q2018 to 3Q2019.
2. Precision Engineering Services secured capital projects of S\$2.8 million from repeat customers for machining services and mechanical assembly. The contracts will be completed in 2Q2018 to 4Q2018.

The above contracts are not expected to have material impact on the consolidated net tangible assets per share and earnings per share of Nordic for the current financial year.
