Shareholders should note that, having approved the Whitewash Resolution, Shareholders have waived their rights to receive a general offer from the Concert Party Group at the highest price paid by the Concert Party Group for Shares in the past six months preceding the commencement of the Rights cum Warrants Issue.

Shareholders should also note that, having approved the Whitewash Resolution, Shareholders could be forgoing the opportunity to receive a general offer from another person who may be discouraged from making a general offer in view of the potential dilution effect of the employee share options and the Warrants.
