INSTRUCTIONS

1. This is not a transferable or negotiable document and is only for use by the CDP Depositor(s) whose name(s) appear(s) above. If you are in any doubt as to the action you should take, you should consult your stockbroker, bank manager, solicitor, accountant or other professional adviser immediately. The procedures for acceptance, payment and application by CDP Depositor(s) set out in Appendix IV of the prospectus of Global Tech (Holdings) Limited dated 12 April 2017 issued in connection with the Rights Issue (the "**Prospectus**") should be read carefully before completing this ARE.
2. Submission of this original signed ARE purporting to be signed by the person(s) in whose name(s) it was issued shall be conclusive evidence in favour of the Company, CDP and the Underwriter of the title of the person(s) lodging it to deal with the same.
3. By submitting this original signed ARE, you have confirmed that:– (i) your receipt of this ARE was accompanied by the Prospectus; (ii) this ARE and the Prospectus were received by you in Singapore; (iii) you have read, understood and agreed to all the terms and conditions of the Prospectus, (if applicable) the constitution of the Company and the instructions contained in this ARE.
4. The Underwriting Agreement contains provisions granting the Underwriters a right to terminate their obligations on the occurrence of certain events, which are set out in the section headed "Termination of the Underwriting Agreement" in the Prospectus. If the Underwriting Agreement does not become unconditional or is terminated in accordance with its terms, the Rights Issue will not proceed. Please refer to the paragraph headed "Conditions of the Rights Issue" in the section headed "Letter from the Board" in the Prospectus for further details of the conditions of the Rights Issue.
5. **ACCEPTANCE OF PROVISIONALLY ALLOTTED RIGHTS SHARES AND APPLICATION FOR EXCESS RIGHTS SHARES**

   You hereby irrevocably and unconditionally apply for:– (i) the Total Number of Rights Shares Applied indicated in Part (C)(i) on the first page; or (ii) the number of such Rights Shares calculated as the amount of the remittance submitted together with this ARE divided by the Subscription Price (rounded down to the nearest Share), whichever is the lesser number (the "**Application Shares**") at the Subscription Price in accordance with and subject to the terms and conditions of the Prospectus, (if applicable) the constitution of the Company and the instructions contained in this ARE.

   If you did not indicate the Total Number of Rights Shares Applied in Part (C)(i) on the first page, you shall also be deemed to have irrevocably and unconditionally applied for such number of Application Shares calculated as the amount of the remittance submitted together with this ARE divided by the Subscription Price (rounded down to the nearest Share).

   Where the number of Application Shares is less than or equal to the number of Rights Shares represented by the provisional allotment of Rights Shares as may be standing to the credit of the "Free Balance" of your Securities Account with CDP as at the abovementioned last date and time for application and payment (the "**Provisionally Allotted Rights Shares**"), your application for such Application Shares will be deemed to be your acceptance of the relevant number of your Provisionally Allotted Rights Shares. Where the number of Application Shares is in excess of your Provisionally Allotted Rights Shares, you will be deemed to have (i) accepted all your Provisionally Allotted Rights Shares and (ii) applied for such number of excess Rights Shares represented by the number of Application Shares in excess of your Provisionally Allotted Rights Shares.

   References in this ARE to your application(s) for Rights Shares are to your application(s) for Rights Shares regardless of whether such application is or is deemed to be an acceptance of Provisionally Allotted Rights Shares and/or an application for excess Rights Shares.

   You hereby acknowledge that, in determining the total number of Provisionally Allotted Rights Shares which you can validly accept, the Company and/or CDP are entitled, and you hereby authorise the Company and/or CDP to take into consideration:– (i) the total number of Provisionally Allotted Rights Shares which you have validly accepted, whether under this ARE and/or any other application form for Rights Shares; (ii) the total number of Provisionally Allotted Rights Shares standing to the credit of the "Free Balance" of your Securities Account with CDP which is available for acceptance; and (iii) the total number of Provisionally Allotted Rights Shares which has been disposed of by you.

   You hereby undertake and agree to accept whatever number of Rights Shares not exceeding the number of Application Shares that you are deemed to have applied for as may be allotted to you at the Company's discretion in accordance with and subject to the terms and conditions of the Prospectus, (if applicable) the constitution of the Company and the instructions contained in this ARE.

   You hereby acknowledge that the Company's and/or CDP's determination shall be conclusive and binding on you.
6. **PAYMENT**

   You hereby authorise CDP to present the Banker's Draft drawn on a bank in Hong Kong for payment and to refund any application monies or the balance thereof without interest or any share of revenue or other benefit arising therefrom by means of a Banker's Draft in Hong Kong currency drawn on a bank in Hong Kong and sent by ordinary post at your own risk to your mailing address as maintained in the records of CDP or in such other manner as you may have agreed with CDP for the payment of any cash distributions.
7. **ELIGIBILITY TO PARTICIPATE IN THE RIGHTS ISSUE**

   The distribution of the Prospectus and its accompanying documents (including this ARE) and the purchase, exercise or subscription for Rights Shares may be prohibited or restricted (either absolutely or subject to various securities requirements, whether legal or administrative, being complied with) in certain jurisdictions under the relevant laws of those jurisdictions. Shareholders or any other persons having possession of the Prospectus and/or its accompanying documents (including this ARE) are advised to keep themselves informed of and observe such prohibitions and restrictions at their own expense and without liability to the Company, CDP, the Underwriter or any other person involved in the Rights Issue.

It is your responsibility to observe the laws of any relevant jurisdiction(s) and that such arrangements would not require notification, registration, filing or any other action to be taken in such jurisdiction(s). By accepting and/or renouncing this ARE, you will be deemed to have represented and warranted to the Company that you are not in any jurisdiction in which it is unlawful to make or accept any offer to subscribe for Rights Shares or to use this ARE in any manner in which you have used or will use it.

   The Company reserves the right, but shall not be obliged to, treat as invalid any application or purported application, or decline to register such application or purported application (a) which appears to the Company or its agents to have been executed in any jurisdiction outside Singapore or which the Company believes may violate any applicable legislation of such jurisdiction or (b) which purports to exclude any deemed representation or warranty.

You hereby acknowledge that the determination and appropriation by the Company and CDP shall be conclusive and binding on you.

   In the event that you accept Provisionally Allotted Rights Shares by way of this ARE and/or ARS and/or apply for excess Rights Shares by way of this ARE, the Company and/or CDP shall be authorised and entitled to accept your instructions in whichever mode or combination as the Company and/or CDP may, in their absolute discretion, deem fit.
