NEWS RELEASE

CSE Global Clinches Investors' Choice Outstanding CEO Award at Securities Investors Association (Singapore) Investors' Choice Awards 2023

Singapore, 8 November 2023 – **CSE Global Limited** ("**CSE Global**" or the "**Group**"), a global systems integrator providing automation, communications, and electrification solutions, is pleased to announce that Mr Lim Boon Kheng, Group Managing Director / Chief Executive Officer of CSE Global, has been selected as a **Winner** of the **Investors' Choice Outstanding CEO Award** at the **Securities Investors Association (Singapore) ("SIAS") Investors' Choice Awards 2023.**

Mr Lim Boon Kheng, Group Managing Director of CSE Global, said, "It is an honour to be presented with this award. I would like to extend my heartfelt gratitude to SIAS and the Award Selection Committee for their vote of confidence. CSE Global is committed to upholding corporate governance standards, which we believe will create more value to our shareholders. As we grow the business, we will continue to strengthen our corporate governance practices, supported by our capable team and the Board."

The SIAS Investors' Choice Award 2023 recognises excellence in companies and individuals adopting good corporate governance practices. SIAS invited its members to submit their nominations for the top CEO of listed company that they invest in. The criteria used in determining the winners include (i) Integrity, (ii) Governance and Transparency (iii) Shareholder Return and Share Price and (iv) Communication Skills.

It is supported by the Association of Banks in Singapore (ABS), the Accounting and Corporate Regulatory Authority (ACRA), the Singapore Accountancy Commission (SAC), SGListCos and the Singapore Exchange (SGX).

About CSE Global Limited ("CSE Global")

CSE Global is a leading systems integrator providing automation, communications, and electrification solutions across various industries globally.

At CSE Global, we pride ourselves as a trusted, lifelong partner to our customers who always has their interests at heart. Leveraging our engineering experience, technology and diverse skill sets across our global network, we design and build customised, integrated systems for our clients that solve their problems.

Our integrated systems – from intelligent transport to smart lighting or energy management systems – sit at the heart of every infrastructure and are mission-critical in nature. With highly attuned engineering capabilities at our core, we have successfully delivered complex, large-scale projects amidst the most challenging conditions. Our technologies are designed to reduce waste, allow for greener, smarter processes and are built to last.

Listed on the Singapore Exchange since 1999 and with our presence across 16 countries, 57 offices, and close to 2,000 employees across the globe, we enjoy long-standing relationships with a sizeable customer base comprising large government organisations and renowned brands across the Energy, Infrastructure, and Mining & Minerals sectors.

Over the years, we have built a workplace culture and management style that is people-centric, supportive and collaborative with employee well-being and people improvement as our key focus. Our passion for our work has resulted in a consistent profit track for the past three decades, as we continue to pursue operational excellence to achieve sustainable growth and enhanced shareholder returns.

CSE Global – Customer Satisfaction Everytime.
