EXPLANATORY NOTES TO SPECIAL BUSINESS:

The effects of the resolution under the heading "Special Business" in the Notice of the Annual General Meeting are:

Resolution 5 if passed, will authorise and empower the Directors of the Company from the date of the above Meeting until the next Annual General Meeting to issue further shares and to make or grant convertible securities convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding (i) 100% for Renounceable Rights issues and (ii) 50% for Other Share Issues, of which up to 20% may be issued other than on a pro-rata basis to shareholders, provided that the total number of shares that may be issued pursuant to (i) and (ii) shall not exceed 100% of the issued shares (excluding treasury shares) of the Company at the time the resolution is passed, for such purposes as they consider would be in the interests of the Company. This authority will, unless revoked or varied at a general meeting, expire at the next Annual General Meeting of the Company.

For the purpose of determining the aggregate number of shares that may be issued, the total number of shares (excluding treasury shares) will be calculated based on the total number of shares issued (excluding treasury shares) at the time Resolution 5 is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time this Resolution is passed, and any subsequent bonus issue, consolidation or subdivision of shares.

The authority for the 100% Renounceable Rights Issue ("Enhanced Rights Issue Limit") is proposed pursuant to SGX-ST Practice Note 8.3 which became effective on 13 March 2017 and will expire on 31 December 2018, by which date no further shares shall be issued pursuant to this Resolution. Unless renewed, this mandate sought at this AGM shall expire at the next AGM of the Company, or by which the next AGM of the Company is required by law to be held, whichever is earlier.

The Board is of the view that the Enhanced Rights Issue Limit is in the interest of the Company and its shareholders as it provides the Company with the ability to raise additional funds expeditiously for expansion activities or working capital in the event that such a need arises.

The Enhanced Rights Issue Limit will be exercised only if the Directors believe that to do so would be to the benefit of the Company and the Group and in the best interest of shareholders as a whole.
