**PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 31 MARCH 2023**

---

The Board of Directors (“**Board**” or “**Directors**”) of VibroPower Corporation Limited (“**Company**” and, together with its subsidiaries, “**Group**”) wishes to issue a profit guidance regarding the financial results of the Group for the financial year ended 31 March 2023 (“FY2023”).

The Group is not expected to report a profit for FY2023, based on a preliminary assessment of the unaudited financial results of the Group for FY2023.

The expected losses are mainly due to a significant decrease in the Group’s revenue resulting from delay in the customer’s delivery schedule for a few big projects and additional provisions made for contract loss arising from a terminated project, which is in dispute. In this connection, the Company will update shareholders as and when there are material developments in this respect.

Further details of the Group’s results will be made available when the Company announces its unaudited consolidated financial results for FY2023.

*Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company. When in doubt as to the action they should take, shareholders and investors should consult their stockbrokers, bank managers, solicitors or other professional advisers.*
