Capitalised terms used herein, but not otherwise defined, shall have the meanings ascribed to them in the announcement of Mapletree Logistics Trust dated 20 October 2020 titled "Launch of Equity Fund Raising to Raise Gross Proceeds of No More Than S\$650.0 million (Including the Upsize Option)" (the "Launch Announcement").

1. INTRODUCTION

Following the Launch Announcement, Mapletree Logistics Trust Management Ltd., as manager of MLT (the "**Manager**"), wishes to announce that Citigroup Global Markets Singapore Pte. Ltd., DBS Bank Ltd., The Hongkong and Shanghai Banking Corporation Limited, Singapore Branch, and Oversea-Chinese Banking Corporation Limited as the joint global co-ordinators and bookrunners for the Equity Fund Raising (the "**Joint Global Co-ordinators and Bookrunners**"), have in consultation with the Manager closed the books of orders for the Private Placement on 20 October 2020.

The Private Placement was approximately 5.5 times covered (including the Upsize Option) and saw strong participation from new and existing institutional, accredited and other investors.

The issue price per New Unit under the Private Placement has been fixed at the top end of the price range at S\$2.027 per New Unit (the "**Private Placement Issue Price**") and the upsize option (the "**Upsize Option**") was exercised in full as agreed between the Manager and the Joint Global Co-ordinators and Bookrunners, following a book-building process and the issue price per New Unit under the Preferential Offering has been fixed at S\$1.990 per New Unit (the "**Preferential Offering Issue Price**").

2. ISSUE PRICES

The Private Placement Issue Price of S\$2.027 per New Unit represents a discount of:

- (i) (for illustrative purposes only) approximately 1.2% to the Adjusted VWAP¹ of S\$2.0513 per Unit; and

¹ The "**Adjusted VWAP**" is computed based on the VWAP of trades in the Units done on the SGX-ST for the preceding Market Day on 19 October 2020 up to the time the Underwriting Agreement was entered into on 20 October 2020 and subtracting the estimated Cumulative Distribution (as defined herein) of approximately 2.678 cents per Unit (being the mid-point of the estimated Cumulative Distribution Range (as defined herein)). The amount of Cumulative Distribution is an estimate only based on information currently available to the Manager and the Manager's estimate of MLT's revenue and expenses for the relevant period on a *pro rata* basis and the actual Cumulative Distribution may differ.

- (ii) approximately 2.5% to the VWAP of S\$2.0781 per Unit for all trades in the Units done on Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for the preceding Market Day² on 19 October 2020 up to the time the Underwriting Agreement was signed.

The Preferential Offering Issue Price of S\$1.990 per New Unit represents a discount of:

A total of 246,670,000 New Units will be issued under the Private Placement (including the 24,667,000 additional New Units under the Upsize Option), and a total of 72,408,675 New Units will be issued under the Preferential Offering, on the basis of 19 New Units for every 1,000 existing Units (the “**Existing Units**”) (fractions of a New Unit to be disregarded) to be held as at 5.00 p.m. on 28 October 2020, being the record date to eligible holders of the Units (“**Unitholders**”). The total gross proceeds of the Equity Fund Raising will be approximately S\$644.1 million comprising approximately S\$500.0 million from the Private Placement and approximately S\$144.1 million from the Preferential Offering.

3. USE OF PROCEEDS

Further to the Launch Announcement and subject to relevant laws and regulations, the Manager intends to use the gross proceeds of approximately S\$644.1 million in the following manner:

- (i) approximately S\$626.6 million (which is equivalent to 97.3% of the gross proceeds of the Equity Fund Raising) to partially fund the Acquisitions; and
- (ii) approximately S\$17.5 million (which is equivalent to 2.7% of the gross proceeds of the Equity Fund Raising) to pay the estimated professional and other fees and expenses incurred or to be incurred by MLT in connection with the Acquisitions and Equity Fund Raising.

The Acquisitions will be subject to the approval of Unitholders to be sought at an extraordinary general meeting of Unitholders. In the event that MLT does not proceed with the proposed Acquisitions, the proceeds from the Equity Fund Raising shall be re-deployed to fund future investments and/or to pare down debt.

Notwithstanding its current intention, the Manager may, subject to relevant laws and regulations, utilise the net proceeds from the Equity Fund Raising at its absolute discretion for other purposes, including without limitation, the repayment of existing indebtedness and for funding capital expenditures.

The Manager will make periodic announcements on the utilisation of the net proceeds of the Equity Fund Raising via SGXNET as and when such funds are materially disbursed and whether such a use is in accordance with the stated use and in accordance with the percentage allocated. Where proceeds are to be used for working capital purposes, the Manager will disclose a breakdown with specific details on the use of proceeds for working capital in MLT's announcements on the use of proceeds and in MLT's annual report and where there is any material deviation from the stated use of proceeds, the Manager will announce the reasons for such deviation.

Pending the deployment of the net proceeds from the Equity Fund Raising, the net proceeds

may, subject to relevant laws and regulations, be deposited with banks and/or financial institutions, or be used to repay outstanding borrowings or for any other purpose on a short-term basis as the Manager may, in its absolute discretion, deem fit.

4. STATUS OF THE NEW UNITS

(i) Entitlement to Cumulative Distribution

MLT's policy is to distribute its distributable income on a quarterly basis to Unitholders. On 19 October 2020, the Manager announced a quarterly distribution of 2.055 Singapore cents per Unit for the period from 1 July 2020 to 30 September 2020 ("**2Q FY20/21 Distribution**").

In connection with the Private Placement, the Manager intends to declare, in respect of the Existing Units, an advanced distribution for the period from 1 October 2020 to the date immediately prior to the date on which the New Units are issued pursuant to the Private Placement (the "**Advanced Distribution**", and together with the 2Q FY20/21 Distribution, the "**Cumulative Distribution**"). The quantum of distribution per Unit under the Cumulative Distribution (comprising the 2Q FY20/21 Distribution and the Advanced Distribution) is currently estimated to be between 2.669 Singapore cents to 2.687 Singapore cents (the "**Cumulative Distribution Range**"). A further announcement on the actual quantum of the Cumulative Distribution will be made by the Manager in due course.

The New Units pursuant to the Private Placement are expected to be issued on or around 29 October 2020. The Advanced Distribution is intended to ensure that the distribution accrued by MLT up to the day immediately preceding the date of issue of the New Units pursuant to the Private Placement (which at this point, will be entirely attributable to the Existing Units) is only distributed in respect of the Existing Units, and is being proposed as a means to ensure fairness to holders of the Existing Units.

The next distribution following the Cumulative Distribution will comprise MLT's distributable income for the period from the day the New Units are issued pursuant to the Private Placement to 31 December 2020 (the "**Relevant Period Distribution**"). Quarterly distributions will resume thereafter.

(ii) Status of New Units issued pursuant to the Private Placement

The New Units issued pursuant to the Private Placement will, upon issue, rank *pari passu* in all respects with the Units in issue on the day immediately prior to the date on which the New Units are issued pursuant to the Private Placement, other than in respect of the Cumulative Distribution and the eligibility to participate in the Preferential Offering.

For the avoidance of doubt, the holders of the New Units to be issued pursuant to the Private Placement will not be entitled to the Cumulative Distribution and will not be eligible to participate in the Preferential Offering.

(iii) Status of New Units issued pursuant to the Preferential Offering

The New Units issued pursuant to the Preferential Offering will, upon issue, rank *pari passu* in all respects with the Units in issue on the day immediately prior to the date on which the New Units are issued pursuant to the Preferential Offering, including the right to the Relevant Period Distribution as well as all distributions thereafter, other than in

respect of the Cumulative Distribution.

For the avoidance of doubt, the holders of the New Units to be issued pursuant to the Preferential Offering will not be entitled to the Cumulative Distribution.

5. PLACEMENT OF NEW UNITS TO DBS BANK LTD.'S TREASURY INVESTMENTS UNIT ("DBS TI")

DBS TI has been allocated 1,500,000 New Units under the Private Placement. Mapletree Investments Pte Ltd (the "**Sponsor**") is a substantial unitholder of MLT. The Sponsor is in turn indirectly owned by Temasek Holdings (Private) Limited ("**Temasek**") through Temasek's wholly-owned subsidiary, Fullerton Management Pte Ltd. Accordingly, Temasek, through its indirect interest in the Sponsor, is deemed a substantial unitholder of MLT. DBS Bank Ltd. ("**DBS**") is a wholly-owned subsidiary of DBS Group Holdings Ltd ("**DBSH**") and based on the latest annual report of DBSH for the financial year ended 31 December 2019, Temasek had a direct and deemed interest of 29.91% in DBSH as at 11 February 2020.

In response to an application by DBS, which is one of the Joint Global Co-ordinators and Bookrunners, the SGX-ST has stated that it has no objections to the placement of New Units to DBS TI pursuant to Rule 812(4) of the Listing Manual of the SGX-ST, subject to the following conditions that: (a) DBSH not increasing its interest in MLT above 5%; (b) DBS operates independently from and is not involved in the management of MLT and the Sponsor; and the Manager, the Sponsor and DBS do not share any common director; (c) the Private Placement is for the purpose of acquisitions in the ordinary course of business; (d) Temasek's charter provides that it will only provide strategic directions to MLT and the Sponsor and it does not involve itself in their day-to-day commercial decisions; (e) Temasek does not have board representation in the Manager nor the Sponsor; (f) the Private Placement is effected through an independent process of book building and the allocation and pricing of the Private Placement will be done in consultation and with the approval of MLT; (g) any amount placed to DBS should not be more than 25.0% of the total New Units under the Private Placement; and (h) disclosure via SGXNET by MLT of the placement to DBS TI and disclosure of the above conditions.
