## **CHANGE TO HALF-YEARLY REPORTING OF FINANCIAL RESULTS**

---

The Board of Directors (the “Board”) of Riverstone Holdings Limited (the “Company” and together with its subsidiaries, the “Group”) would like to inform shareholders that the Company will change to half-yearly reporting of financial results pursuant to Rule 705(2) of the Listing Manual of the Singapore Exchange Securities Trading Limited.

The Board believes that half-yearly reporting of its financial statements is sufficient to keep shareholders and potential investors updated on the Group’s state of affairs. Taking into consideration the manpower and other compliance efforts required in connection with the preparation of financial statements, the Board has decided to cease the voluntary quarterly reporting of financial statements and report its financial statements on a half-yearly basis.

Accordingly, the next financial results announcement will be for the half year ending 30 June 2026. The Company will, in respect of each of the financial years, announce the financial statements for the half year ending 30 June by not later than 45 days after the end of the first half financial year, and, for the full financial year ending 31 December, by not later than 60 days after the end of the relevant full financial year.

The Company will comply with its continuing disclosure obligations to keep shareholders updated on material developments relating to the Company or the Group, as and when appropriate, in accordance with the requirements of the Listing Manual.
