RESPONSES TO QUESTIONS FROM SHAREHOLDERS

The Board of Directors (the “**Board**”) of EXCELPOINT TECHNOLOGY LTD. (the “**Company**” or “**Excelpoint**”) together with its subsidiaries (the “**Group**”) would like to thank our shareholders who have submitted his/her question in advance for the Twenty-First Annual General Meeting (“**AGM**”) to be held by way of electronic means on Friday, 8 April 2022 at 3.00 p.m.

Please refer to the questions received from the shareholders and the responses as set out below:-

Question 1:-

With key shareholders control about 60% of shareholding and the daily stock trading activity is not active, any plan to boost the stock trading activities and value such as placement to institution/fund manager?

Response:-

The Company periodically assesses its capital position, vis a vis, requirements and opportunities. The Company will focus on enhancing our core strength to continue bringing value to our shareholders.

Question 2:-

May I know whether there is any additional portfolio companies in PlanetSpark as according to their website, only 4 are listed there. Is PlanetSpark currently contributing revenue to the Group and are they planning on monetising their portfolios companies in the near future?

Response:-

PlanetSpark continuously look out for innovative and high-potential technology start-ups that are complementary to Excelpoint’s core business. There are some new portfolio companies that we are exploring and we will add them onto the site once we on-board them.

PlanetSpark is the innovation arm of Excelpoint. With the development of new platforms, coupled with the investments into high-potential start-ups, the company will play an important role in value-adding to the Group as well as helping start-ups commercialise and be successful.

PlanetSpark contributed revenue to the Group for the financial year ended 31 December 2021. The Group regularly reviews the growth, prospects and opportunities of its portfolio companies.
