For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares, excluding treasury shares, in the capital of the Company at the time that this Resolution is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities; (b) new shares arising from the exercise of share options or vesting of share awards, provided the options or awards were granted in compliance with Part VII of Chapter 8 of the Listing Manual of the SGX-ST; and (c) any subsequent bonus issue, consolidation or subdivision of shares.
