To: The Shareholders of Interra Resources Limited

Dear Sir or Madam,

THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

1. INTRODUCTION

- 1.1 The Company has on 14 April 2026 issued the Notice of AGM, pursuant to which the proposed ordinary resolution number 7 relates to the Proposed Renewal of the Share Purchase Mandate.
- 1.2 This Addendum has been prepared solely for the purposes set out herein and may not be relied upon by any persons (other than the Shareholders to whom this Addendum is despatched to) or for any other purpose.
- 1.3 The purpose of this Addendum is to provide Shareholders with information relating to, and to seek Shareholders' approval for, the Proposed Renewal of the Share Purchase Mandate at the AGM.

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Introduction

At the annual general meeting of the Company held on 29 April 2024, Shareholders had approved the adoption of the Share Purchase Mandate to enable the Company to purchase or otherwise acquire Shares in the capital of the Company, which was subsequently renewed by Shareholders at the annual general meeting held on 30 May 2025. As the said Share Purchase Mandate will expire at the conclusion of the forthcoming AGM, being 29 April 2026, Shareholders' approval is being sought for the renewal of the Share Purchase Mandate at the Company's forthcoming AGM.

If approved, the renewed Share Purchase Mandate will take effect from the Approval Date and continue in force until the date of the next annual general meeting of the Company or such date of the next annual general meeting is required by law to be held (whichever is the earlier), unless prior thereto, Share Purchases are carried out to the full extent mandated or the Share Purchase Mandate is revoked or varied by the Company in a general meeting. The purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate will have to be made in accordance with the Constitution, the Listing Manual, the Act, and such other laws and regulations as may for the time being applicable. The Constitution expressly permits the Company to purchase or otherwise acquire Shares issued by it.

LETTER TO SHAREHOLDERS

2.2 Rationale for the Share Purchase Mandate

The Share Purchase Mandate, when renewed, will give the Company the flexibility to undertake purchases of its Shares at any time as and when appropriate during the period when the Share Purchase Mandate is in force, subject to the limits of the Share Purchase Mandate.

The Directors believe that to the extent that the Company has capital and surplus funds which are in excess of its financial needs, taking into account its growth and expansion plans, the Share Purchase Mandate will provide the Company with a mechanism to facilitate the efficient return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner.

The Share Purchase Mandate will also allow the Directors to exercise greater control over the Company's share capital structure, dividend payout and cash reserves, with a view to enhancing the NAV and/or EPS. In managing the business of the Group, the management team strives to improve Shareholders' value, including, the return on equity of the Group, and making share purchases is one of the ways through which the return on equity of the Group may be enhanced.

In addition, Shares which are purchased or acquired may be held as Treasury Shares which have the added benefit of being used for prescribed purposes, such as selling Treasury Shares for cash or using Treasury Shares to satisfy the Company's obligations to furnish Shares to participants in any share-based incentive schemes it may implement from time to time, thus giving the Company greater flexibility to select the method of providing Shares to employees that is most beneficial to the Company. The use of Treasury Shares in lieu of issuing new Shares would also mitigate the dilution impact on existing Shareholders.

While the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to a 10.0% limit during the Relevant Period, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full 10.0% limit as authorised. The purchase or acquisition of Shares will only be undertaken if the Directors consider that it can benefit the Company and Shareholders. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the financial condition, liquidity and capital of the Company and the Group.

2.3 Authority and Limits of the Share Purchase Mandate

The authority and limits placed on the Share Purchases under the proposed Share Purchase Mandate, when renewed, are set out below:

(a) Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company pursuant to the Share Purchase Mandate. The total number of Shares which may be purchased or acquired pursuant to the Share Purchase Mandate during the Relevant Period shall not exceed 10.0% of the total number of issued Shares (excluding Treasury Shares and subsidiary holdings) as at the date of the forthcoming AGM at which approval for the Proposed Renewal of the Share Purchase Mandate is being sought. For the purposes of calculating the percentage of issued Shares, any Shares which are held as Treasury Shares and subsidiary holdings will be disregarded

LETTER TO SHAREHOLDERS

for the purpose of computing the 10.0% limit, and if the Company has, at any time during the Relevant Period, reduced its share capital in accordance with the applicable provisions of the Act, the total number of issued Shares shall be taken to be the total number of issued Shares as altered after such capital reduction (but excluding any Shares which are held as Treasury Shares and subsidiary holdings). As at the Latest Practicable Date, the Company has 22,464,500 Treasury Shares and no subsidiary holdings.

For illustrative purposes only, based on the existing issued share capital of the Company excluding Treasury Shares as at the Latest Practicable Date comprising 633,034,104 Shares, and assuming that no further Shares are issued on or prior to the Approval Date, the purchase or acquisition by the Company pursuant to the Share Purchase Mandate of up to the maximum limit of 10.0% of the total number of issued Shares will result in the purchase or acquisition of 63,303,410 Shares.

(b) Duration of authority

Share Purchases may be made, at any time and from time to time, on and from the Approval Date up to the Relevant Period.

The authority conferred on the Directors by the Share Purchase Mandate to purchase Shares may be put to Shareholders for renewal at each subsequent annual general meeting or any other general meetings of the Company.

(c) Manner of Share Purchases

Share Purchases may be made by way of, amongst others, a Market Purchase and/or an Off-Market Purchase.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual, the Act and the Constitution, as they consider fit in the interests of the Company in connection with, or in relation to, any equal access scheme or schemes. However, an Off-Market Purchase effected in accordance with an equal access scheme must satisfy all the following conditions under the Act:

- (A) offers under the scheme are to be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (B) all of those persons have a reasonable opportunity to accept the offers made to them; and
- (C) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (1) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (2) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

LETTER TO SHAREHOLDERS

In addition, Rule 885 of the Listing Manual read with Rule 883 of the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptance;
- (iii) the reasons for the proposed Share Purchase;
- (iv) the consequences, if any, of Share Purchases that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the Share Purchase, if made, could affect the listing of the Shares on the SGX-ST;
- (vi) details of any Share Purchases made by the Company during the previous twelve (12) months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases; and
- (vii) whether the Shares purchased by the Company will be cancelled or kept as Treasury Shares.

(d) Maximum purchase price

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors.

However, the purchase price to be paid for the Shares pursuant to the Share Purchase Mandate must not exceed the Maximum Price.

2.4 Status of Purchased Shares

Under Section 76B of the Act, any Share which is purchased shall, unless held as a Treasury Share, be deemed cancelled immediately on purchase, and all rights and privileges attached to that Share will expire on cancellation. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company, which are cancelled and are not held as Treasury Shares.

All Shares purchased by the Company, unless held as Treasury Shares, will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase.

At the time of each Share Purchase, the Directors will decide whether the Shares purchased will be cancelled or kept as Treasury Shares, or partly cancelled and partly kept as Treasury Shares, taking into consideration the then prevailing circumstances and requirements of the Company at the relevant time.

LETTER TO SHAREHOLDERS

2.5 Treasury Shares

Some of the provisions on Treasury Shares under the Act are summarised below:

(a) Maximum holdings

The aggregate number of Shares held as Treasury Shares shall not at any time exceed 10.0% of the total number of issued Shares. In the event that the aggregate number of Treasury Shares held by the Company exceeds the aforesaid limit, the Company shall dispose of or cancel the excess Treasury Shares within six (6) months beginning with the day on which that contravention occurs, or such further period as the Registrar may allow.

(b) Voting and other rights

The Company cannot exercise any right in respect of Treasury Shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Act, the Company shall be treated as having no right to vote in respect of Treasury Shares and the Treasury Shares shall be treated as having no voting rights. In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the Company's assets may be made, to the Company in respect of the Treasury Shares. However, the allotment of Shares as fully paid bonus shares in respect of Treasury Shares is allowed. Also, a subdivision or consolidation of any Treasury Share into Treasury Shares of a greater or smaller number is allowed so long as the total value of the Treasury Shares after the sub-division or consolidation is the same as before.

(c) Disposal and cancellation

Where Shares purchased or acquired by the Company are held as Treasury Shares, the Company may at any time:

- (i) sell the Treasury Shares (or any of them) for cash;
- (ii) transfer the Treasury Shares (or any of them) for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (iii) transfer the Treasury Shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the Treasury Shares (or any of them); or
- (v) sell, transfer or otherwise use the Treasury Shares for such other purposes as the Minister of Finance may by order prescribe.

In addition, under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of Treasury Shares, stating the following:

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;

LETTER TO SHAREHOLDERS

- (iii) number of Treasury Shares sold, transferred, cancelled and/or used;
- (iv) number of Treasury Shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of Treasury Shares against the total number of Shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the Treasury Shares if they are used for a sale or transfer, or cancelled.

2.6 Source of Funds

The Company may only apply funds for the Share Purchases as provided in its Constitution and in accordance with the applicable laws in Singapore. The Company may not purchase Shares for a consideration other than cash or for settlement otherwise in accordance with the Listing Manual or the trading rules of the SGX-ST. Any Share Purchase undertaken by the Company shall be made out of capital or profits that are available for distribution as dividends so long as the Company is solvent (as defined in Section 76F(4) of the Act).

Pursuant to Section 76F(4) of the Act, a company is solvent if the following conditions are satisfied:

- (a) there is no ground on which the company could be found to be unable to pay its debts;
- (b) if:
 - (i) it is intended to commence winding up of the company within the period of twelve (12) months immediately after the date of the payment, the company will be able to pay its debts in full within the period of twelve (12) months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due within the period of twelve (12) months immediately after the date of the payment; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase, acquisition, variation or release (as the case may be), become less than the value of its liabilities (including contingent liabilities).

In determining whether the Company is solvent, the Directors must have regard to the most recently audited financial statements, other relevant circumstances, and may rely on valuations or estimations of assets or liabilities. In determining the value of contingent liabilities, the Directors may take into account the likelihood of the contingency occurring, as well as any counterclaims by the Company.

The Company intends to use internal sources of funds or external borrowings, or a combination of both, to finance its Share Purchases pursuant to the Share Purchase Mandate.

LETTER TO SHAREHOLDERS

Where the consideration paid by the Company for the Share Purchases is made out of profits, such consideration will correspondingly reduce the amount of profits available for the distribution of cash dividends by the Company. However, where the consideration paid by the Company for the Share Purchases is made out of capital, the amount of profits available for the distribution of cash dividends by the Company will not be reduced.

2.7 Financial Effects

Shareholders should note that the financial effects illustrated below are for illustrative purposes only. It is important to note that the financial analysis set out below are based on the audited consolidated financial statements for FY2025 and are not necessarily representative of the future financial performance of the Group.

It is not possible for the Company to realistically calculate or quantify the financial effects of purchases of Shares that may be made pursuant to the Share Purchase Mandate as the resultant effect would depend on, *inter alia*, the aggregate number of Shares purchased, whether the purchase is made out of capital or profits, the purchase prices paid for such Shares, the amount (if any) borrowed by the Company to fund the purchases or acquisitions and whether the Shares purchased or acquired are cancelled or held as Treasury Shares.

The financial effects on the Group and the Company will depend, *inter alia*, on the factors set out below:

(a) Purchase or acquisition out of profits and/or capital

Under the Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, commission, applicable goods and service tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

(b) Number of Shares purchased or acquired

Based on the 633,034,104 issued Shares as at the Latest Practicable Date, the purchase or acquisition of Shares by the Company of up to the maximum limit of 10.0% of the total number of issued Shares will result in the purchase or acquisition of 63,303,410 Shares.

(c) Maximum Price paid for Shares purchased or acquired

In the case of a Market Purchase by the Company and assuming that the Company purchases or acquires 63,303,410 Shares at the Maximum Price of S\$0.039 per Share (being the price equivalent to 5.0% above the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 63,303,410 Shares is approximately S\$2,468,833 (approximately US\$1,937,860 based on exchange rate of US\$/S\$ of 1.274 on the Latest Practicable Date) (excluding brokerage, commission, applicable goods and services tax and other related expenses).

LETTER TO SHAREHOLDERS

In the case of an Off-Market Purchase by the Company and assuming that the Company purchases or acquires 63,303,410 Shares at the Maximum Price of S\$0.045 per Share (being the price equivalent to 20.0% above the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 63,303,410 Shares is approximately S\$2,848,653 (approximately US\$2,235,991 based on the exchange rate of US\$/S\$ of 1.274 on the Latest Practicable Date) (excluding brokerage, commission, applicable goods and services tax and other related expenses).

Illustrative Financial Effects

For illustrative purposes only, based on the assumptions set out above and assuming that (i) the purchase or acquisition of Shares are made to the maximum extent aforesaid; (ii) the purchase or acquisition of such Shares are funded wholly by internal resources within the Group; (iii) no expenses (including brokerage, commission, applicable goods and services tax and other related expenses) are incurred for such Shares; and (iv) the Company had purchased or acquired such Shares on 1 January 2025, the financial effects of the purchase or acquisition of 63,303,410 Shares (representing 10.0% of the total number of issued Shares as at the Latest Practicable Date) by way of purchases made entirely out of capital and held as Treasury Shares on the audited financial statements of the Group and the Company for the financial year ended 31 December 2025 pursuant to the Share Purchase Mandate are set out as follows:

(A) Market Purchases

The financial effects set out above are purely for illustrative purposes only. Although the proposed Share Purchase Mandate would authorise the Company to buy back up to 10.0% of the total number of issued Shares (excluding Treasury Shares) as at the date that the Share Purchase Mandate is obtained, the Company may not necessarily buy back or be able to buy back 10.0% of the total number of issued Shares (excluding Treasury Shares) in full, or buy back its Shares at the Maximum Price. In addition, for shares which are purchased by the Company, the Company may hold all or some of these as Treasury Shares, otherwise such Shares will be deemed cancelled.

LETTER TO SHAREHOLDERS

2.8 Listing Manual

Under Rule 884 of the Listing Manual, a listed company may purchase shares by way of Market Purchases at a price per share which is not more than 5.0% above the average of the closing market prices of the shares over the last five (5) Market Days, on which transactions in the shares were recorded, before the day on which the purchases were made and deemed to be adjusted for any corporate action that occurs after the relevant five-day period. The Maximum Price for a Share in relation to Market Purchases by the Company, referred to in paragraph 2.3(d) of this Addendum, conforms to this restriction.

Rule 886 of the Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement must include details of the date of the purchases of the shares, the total number of shares purchased, the number of shares cancelled, the number of shares held as Treasury Shares, the purchase price per share or the highest and lowest prices paid for such shares (as applicable), the total consideration (including stamp duties and clearing charges) paid or payable for the shares, and the cumulative number of shares purchased. Such announcement will be made in the form prescribed by the Listing Manual.

The Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares.

In observing the best practices recommended in the Listing Manual on securities dealings under Rule 1207(19)(c) of the Listing Manual, the Company is not allowed and will not purchase or acquire any Shares through Market Purchases during the period of two (2) weeks immediately preceding the announcement of the Company’s quarterly results (for quarterly reporting if required) or one (1) month immediately preceding the announcement of the Company’s half year and full-year results (if not required to do quarterly reporting), as the case may be, and ending on the date of announcement of the relevant results.

2.9 Listing Status on the SGX-ST

The Company is required under Rule 723 of the Listing Manual to ensure that at least 10.0% of the total number of issued Shares (excluding Treasury Shares, preference shares and convertible equity securities) are in the hands of the public. The “public”, as defined in the Listing Manual, are persons other than the Directors, chief executive officer, Substantial Shareholders and Controlling Shareholders of the Company and its subsidiaries, as well as the Associates of such persons.

LETTER TO SHAREHOLDERS

As at the Latest Practicable Date, there were approximately 456,300,804 issued Shares in the hands of the public (as defined above), representing approximately 72% of the total number of issued Shares of the Company (excluding Treasury Shares). Assuming that the Company purchases its Shares through Market Purchases up to the full 10.0% limit pursuant to the Share Purchase Mandate from the public, the number of issued Shares in the hands of the public would be reduced to 392,997,394 Shares, representing approximately 69% of the total number of issued Shares of the Company (excluding Treasury Shares).

In view of the foregoing, the Company is of the view that there is, at present, a sufficient number of Shares in public hands that would permit the Company to potentially undertake purchases of its Shares through Market Purchases up to the full 10.0% limit pursuant to the Share Purchase Mandate without:

- (a) affecting adversely the listing status of the Shares on the SGX-ST;
- (b) causing market illiquidity; or
- (c) affecting adversely the orderly trading of Shares.

2.10 Tax Implications

Shareholders who are in doubt as to their respective tax positions or the tax implications of Share Purchases by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.11 Take-over Code Implications Arising from Share Purchases

Appendix 2 of the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

(a) Obligation to make a take-over offer

Under Rule 14 of the Take-over Code, a person will incur an obligation to make a mandatory take-over offer if:

- (i) he acquires 30.0% or more of the voting rights of the company; or
- (ii) he holds between 30.0% and 50.0% of the voting rights of the company and he increases his voting rights in the company by more than 1.0% in any period of six (6) months.

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

LETTER TO SHAREHOLDERS

(b) Persons acting in concert

Under the Take-over Code, concert parties comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons, inter alia, will be presumed to be acting in concert with each other:

- (i) a company with its parent company, subsidiaries and its fellow subsidiaries, any associated company of the foregoing companies, any company whose associated companies include any of the foregoing companies and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights. For this purpose, a company is an associated company of another company if the second-mentioned company owns or controls at least 20.0% but not more than 50.0% of the voting rights of the first-mentioned company;
- (ii) a company with any of its directors (together with their close relatives, related trusts and any company controlled by any of the directors, their close relatives and related trusts);
- (iii) a company with any of its pension funds and employee share schemes;
- (iv) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (v) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser, and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10.0% or more of the client's equity share capital;
- (vi) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer where they have reason to believe a bona fide offer for their company may be imminent;
- (vii) partners; and
- (viii) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing for the purchase of voting rights.

LETTER TO SHAREHOLDERS

The circumstances under which Shareholders (including Directors) and persons acting in concert with them, respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

Unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties increase to 30.0% or more, or if the voting rights of such Directors and their concert parties fall between 30.0% and 50.0% of the Company's voting rights, the voting rights of such Directors and their concert parties increase by more than 1.0% in any period of six (6) months. In calculating the percentages of voting rights of such Directors and their concert parties, Treasury Shares shall be excluded.

A Shareholder who is not acting in concert with Directors will not be required to make a takeover offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30.0% or more, or if the voting rights of such Directors and their concert parties fall between 30.0% and 50.0% of the company's voting rights, the voting rights of such Shareholder would increase by more than 1.0% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

(c) Application of the Take-over Code

As at the Latest Practicable Date, Mr Ng Soon Kai and his spouse, Ms Chua Seok Yin, collectively hold 27.92% of the total number of issued Shares (excluding Treasury Shares).

Based on the shareholdings of Mr Ng Soon Kai, Ms Chua Seok Yin and parties acting in concert with them as at the Latest Practicable Date, and assuming that:

- (i) there is no change in their holdings of Shares between the Latest Practicable Date and the date of the resolution to be passed in relation to the Share Purchase Mandate (being the date of the AGM); and
- (ii) no new Shares are issued by the Company between the Latest Practicable Date and the date of the resolution to be passed in relation to the Share Purchase Mandate (being the date of the AGM),

LETTER TO SHAREHOLDERS

the respective holdings of Shares of Mr Ng Soon Kai, Ms Chua Seok Yin and persons acting in concert with them as at the date of the resolution to be passed in relation to the Share Purchase Mandate (being the date of the AGM) and after the purchase or acquisition by the Company of the maximum 10.0% of the total number of issued Shares (excluding Treasury Shares) pursuant to the Share Purchase Mandate are as follows:

Shareholder	Number of Shares and voting rights as at the date of AGM	Percentage of Shares and voting rights as at the date of AGM ⁽¹⁾ (%)	Percentage of Shares and voting rights after the maximum limit Share Purchase under the Share Purchase Mandate ⁽²⁾ (%)
Ng Soon Kai	170,733,300	26.97	29.97
Chua Seok Yin	6,000,000	0.95	1.05
	176,733,300	27.92	31.02

Notes:

- (1) The percentage of Shares and voting rights is calculated based on the total number of issued Shares (excluding Treasury Shares) of 633,034,104 as at the Latest Practicable Date.
- (2) The percentage of Shares and voting rights is calculated based on the total number of issued Shares (excluding Treasury Shares) of 569,730,694 assuming that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full 10.0% limit.

Assuming that there is no change in the number of Shares held or deemed to be held by Mr Ng Soon Kai, Ms Chua Seok Yin and parties acting in concert with them from the Latest Practicable Date, in the event that the Company undertakes Share Purchases of up to 10.0% of the total number of issued Shares (excluding Treasury Shares) as permitted by the Share Purchase Mandate, the total shareholding interest of Mr Ng Soon Kai would increase to 30.0% or more, as a result of the exercise of the Share Purchase Mandate. As a consequence, Mr Ng Soon Kai, Ms Chua Seok Yin and parties acting in concert with them would be required to make a mandatory take-over offer for the Shares held by the other Shareholders under Rule 14 of the Take-over Code.

To the best of the Directors' knowledge, save for Mr Ng Soon Kai and persons acting in concert with him (including Ms Chua Seok Yin), there are no persons who may incur an obligation to make a take-over offer as a result of any purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate. Further details of the interests of the Directors and Substantial Shareholders in Shares as at the Latest Practicable Date are set out in paragraph 3 of this Addendum.

LETTER TO SHAREHOLDERS

(d) Conditions for exemption from the Take-over Code

Mr Ng Soon Kai, Ms Chua Seok Yin and parties acting in concert with them will be exempted from the requirement to make an offer for the Shares held by the other Shareholders pursuant to Rule 14 as a result of the Company purchasing or acquiring the Shares pursuant to the Share Purchase Mandate, subject to the following conditions pursuant to Section 3(a) of Appendix 2 of the Take-over Code:

- (i) this Addendum contains advice to the effect that by voting for the Share Purchase Mandate, Shareholders are waiving their right to a general offer at the required price from Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) who, as a result of the Share Purchases, would increase their voting rights to 30.0% or more, or, if they together hold between 30.0% and 50.0% of the Company's voting rights, would increase their voting rights by more than 1.0% in any period of six (6) months, and the name of Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin), their voting rights at the time of the resolution for the Share Purchase Mandate (which is the date of the AGM) and after the Share Purchase are disclosed in this Addendum;
- (ii) the resolution to authorise the Share Purchase Mandate is approved by a majority of those Shareholders present and voting at the AGM on a poll who could not become obliged to make an offer as a result of the Share Purchases;
- (iii) Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) are to abstain from voting for and/or recommending Shareholders to vote in favour of the resolution to authorise the Share Purchase Mandate;
- (iv) within seven (7) days after the passing of the resolution to authorise the Share Purchase Mandate, Mr Ng Soon Kai shall submit to the SIC a duly signed form as prescribed by the SIC;
- (v) Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) are not to have acquired and not to acquire any Shares between the date on which they know that the announcement of the Share Purchase Mandate is imminent and the earlier of:
 - (1) the date on which the authority of the Share Purchase Mandate expires; and
 - (2) the date on which the Company announces it has bought back such number of Shares as authorised by Shareholders at the AGM or it has decided to cease buying back its Shares, as the case may be,

if such acquisitions, taken together with the Share Purchases, would cause their aggregate voting rights to increase to 30.0% or more, or by more than 1.0% in the preceding six (6) months where their shareholdings are between 30.0% and 50.0%.

LETTER TO SHAREHOLDERS

As such, if the aggregate voting rights held by Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) increase to more than 30.0% solely as a result of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate, and none of them have acquired any Shares during the period set out in sub-paragraph (v) above, then Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) would be eligible for the exemption from the requirement to make a general offer under Rule 14, or where such exemption had been granted, would continue to enjoy the exemption.

If the Company has purchased or acquired such number of its Shares as authorised by its Shareholders at the AGM or has ceased to purchase or acquire its Shares and the aggregate voting rights held by Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) at such time have increased to 30.0% or more, or by more than 1.0% in the preceding six (6) months where their shareholdings are between 30.0% and 50.0%, as a result of the exercise of the Share Purchase Mandate, Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) will incur a general offer obligation for the Company if they acquire additional voting rights in the Company (other than as a result of the Share Purchases) before the date of the Company's next AGM. If the Company has ceased to purchase or acquire its Shares and the aggregate voting rights held by Mr Ng Soon Kai at such time are less than 30.0%, Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) will incur a general offer obligation for the Company if they acquire additional voting rights (other than as a result of the Share Purchases) that cause them to hold 30.0% or more of the voting rights of the Company.

(e) Submission of Form 2 to the SIC

Form 2 (Submission by directors and their concert parties pursuant to Appendix 2) is the prescribed form to be submitted to the SIC by a Director and persons acting in concert with him pursuant to the conditions for exemption from the requirement to make a general offer under Rule 14 as a result of the Share Purchases pursuant to the exercise of the Share Purchase Mandate.

As at the Latest Practicable Date, Mr Ng Soon Kai has informed the Company that he will be submitting Form 2 to the SIC within seven (7) days after the passing of the resolution approving the renewal of the Share Purchase Mandate at the AGM.

(f) Advice to Shareholders

Shareholders should note that by voting to approve ordinary resolution 7 in respect of the Proposed Renewal of the Share Purchase Mandate, they are waiving their right to a general offer at the required price by Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) in the circumstances set out above. Such a general offer, if required to be made and had not been exempted by the SIC, would have to be made in cash or be accompanied by a cash alternative at the required price.

LETTER TO SHAREHOLDERS

Save as disclosed, the Directors are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and become obligated to make a mandatory offer as a result of a purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate.

The statements in this Addendum do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any Share Purchase should consult the SIC and/or their professional advisers at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any share purchases or acquisitions by the Company.

2.12 Reporting Requirements

In accordance with Section 76B(9)(a) of the Act, within thirty (30) days of the passing of the Shareholders' resolution to approve the Proposed Renewal of the Share Purchase Mandate, the Directors shall lodge a copy of such resolution with the Registrar.

In accordance with Section 76B(9)(b) of the Act, the Directors shall lodge with the Registrar a notice of Share Purchase within thirty (30) days of a Share Purchase. Such notification shall include the date of the purchase, the number of Shares purchased by the Company, the number of Shares cancelled, the number of Shares held as Treasury Shares, the Company's issued share capital before and after the purchase, the amount of consideration paid by the Company for the purchase and such other particulars as may be required in the prescribed form.

In accordance with Section 76K(1D) of the Act, within thirty (30) days of the cancellation or disposal of Treasury Shares in accordance with the provisions of the Act, the Directors shall lodge with the Registrar the notice of cancellation or disposal of Treasury Shares in the prescribed form.

2.13 Share Purchases in the Previous Twelve (12) Months

The Company did not purchase any Shares in the last 12 months immediately preceding the Latest Practicable Date.

2.14 Limits on Shareholdings

The Company does not have any limits on the shareholdings of any Shareholder.

LETTER TO SHAREHOLDERS

4. DIRECTORS' RECOMMENDATIONS

Mr Ng Soon Kai will abstain from voting on the resolution relating to the Proposed Renewal of the Share Purchase Mandate and has therefore refrained from making any recommendation to Shareholders on ordinary resolution 7 set out in the Notice of AGM.

After having considered, *inter alia*, the terms, rationale for and benefits of the Proposed Renewal of the Share Purchase Mandate, the rest of the Directors are of the opinion that the Proposed Renewal of the Share Purchase Mandate is in the best interests of the Company. Accordingly, the rest of the Directors recommend that Shareholders vote in favour of ordinary resolution 7 relating to the Proposed Renewal of the Share Purchase Mandate as set out in the Notice of AGM.

LETTER TO SHAREHOLDERS

5. ABSTENTION FROM VOTING

Mr Ng Soon Kai and the persons acting in concert with him (including Ms Chua Seok Yin) as well as his Associates will abstain from voting (whether by proxy or otherwise) on the ordinary resolution 7 set out in the Notice of AGM relating to the Proposed Renewal of the Share Purchase Mandate. The Company shall disregard any votes cast by Mr Ng Soon Kai and parties acting in concert with him (including Ms Chua Seok Yin) as well as his Associates on the said resolution. They will also not accept nominations as proxies or otherwise for voting in respect of the aforesaid ordinary resolution at the AGM, unless specific instructions have been given in the proxy form(s) as to the manner in which votes are to be cast in respect of such resolution.

Save for the foregoing, no other party is required to abstain from voting on ordinary resolution 7 relating to the Proposed Renewal of the Share Purchase Mandate as set out in the Notice of AGM.

6. ADVICE TO SHAREHOLDERS

As different Shareholders would have different investment objectives and profiles with specific investment objectives, financial situation, tax position or unique needs or constraints, Shareholders are advised to read this Addendum in its entirety and for those who may require advice in the context of their specific investment, to consult their respective stockbroker, bank manager, solicitor, accountant or other professional adviser.

The appointment of a proxy or proxies by a Shareholder does not preclude him from attending and voting in person at the AGM if he wishes to do so.

A Depositor shall not be regarded as a Shareholder entitled to attend the AGM and to speak and vote thereat unless he is shown to have Shares entered against his name in the Depository Register as certified by CDP to the Company at least seventy-two (72) hours before the time appointed for the AGM.
