**PROFIT GUIDANCE FOR THE HALF YEAR ENDED 30 JUNE 2024**

---

The Board of Directors (the “**Board**”) of Soon Lian Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that following a preliminary review of the unaudited results for the half year ended 30 June 2024 (“**HY2024**”), the Group is expected to report a significant increase in consolidated net profit, compared to a consolidated net loss in the corresponding prior year period.

The expected profit growth is mainly due to the increase in revenue and gross profit. We have experienced strong demand for our products in the precision engineering segment from the start of 2024 due to the gradual improvement of the global semiconductor industry.

The Company is in the process of finalising its unaudited condensed interim consolidated financial statements for HY2024. Further details of the Group’s financial performance will be disclosed when the relevant announcement is released on or before 14 August 2024.

Shareholders and potential investors are advised to exercise caution when dealing or trading in the securities of the Company. Shareholders and potential investors are advised to read this announcement and any further announcements by the Company carefully. When in doubt as to the action they should take, shareholders and potential investors should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
