## PROFIT GUIDANCE FOR THE FINANCIAL QUARTER ENDED 31 DECEMBER 2019

---

The Board of Directors (the “**Board**”) of Pacific Star Development Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to inform shareholders that the Group is expected to report a net loss for the financial quarter from 1 October 2019 to 31 December 2019 (“**2QFY2020**”).

Based on the preliminary review of the Group’s draft financial results for 2QFY2020, the net loss for the Group in 2QFY2020 was largely attributable to the finance costs associated with the S\$70 million facility obtained from a group of third parties in the second quarter of financial year 2019 (such facility had been announced on 24 December 2018).

The Company is still in the process of finalising its results for 2QFY2020 and will provide further details of the Group’s performance when it releases the Group’s unaudited financial results for 2QFY2020 on or before 14 February 2020. In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
