PROFIT GUIDANCE

The Board of Directors of Aztech Group Ltd (the “Company”) deems it appropriate to inform the shareholders of the Company and potential investors that the Group will record a loss for the second quarter (“2Q2016”) and for the half year ended 30 June 2016 (“1H2016”) based on the preliminary review of the Group’s unaudited financial results.

The Group will record further impairment charges of its marine related assets as weakness in marine market and excess capacity continues unabated, resulting in downward revision on valuation and fair value impairment assessment. These charges will widen the loss for 1H2016. Further details of the Group’s performance will be made available when it announces its 2Q2016/1H2016 financial results.

Shareholders and potential investors should exercise caution when dealing in securities of the Company.
