Dear Sir/Madam

(1) PROPOSED DISPOSAL OF K.A. GROUP HOLDINGS PTE LTD AS A MAJOR TRANSACTION AND AN INTERESTED PERSON TRANSACTION

(2) PROPOSED CAPITAL REDUCTION AND PROPOSED CASH DISTRIBUTION

1. INTRODUCTION

1.1 EGM

The Board had on 9 May 2024 announced (the “**Announcement**”), among others, that:

- (a) the Company had entered into the SPA with the Buyers, pursuant to which the Company had agreed to sell all its shares in KAGHPL, its wholly-owned subsidiary (the “**Sale Shares**”) for a total consideration of S\$6.9 million, on the terms and subject to the conditions of the SPA (the “**Proposed Disposal**”); and
- (b) in conjunction with the Proposed Disposal, the Company proposes to conduct a share capital reduction (the “**Proposed Capital Reduction**”), which shall result in the Company distributing S\$0.06 per share or an aggregate of approximately S\$6.7 million to its Eligible Shareholders (the “**Cash Distribution Amount**”) (the “**Proposed Cash Distribution**”).

The Board had on 15 August 2024 announced that the Company and the Buyers have entered into a supplemental agreement dated 15 August 2024 to amend certain terms and conditions of the conditional share sale and purchase agreement dated 9 May 2024, including the KA Capital Reduction, and both of these agreements are collectively known as the “**SPA**”. Please refer to the announcement on SGXnet dated 15 August 2024 for more details.

Upon the SPA Completion, KAGHPL will cease to be a subsidiary of the Company, and the Group will exit from the Passive Fire Protection Business. It will focus on its distribution and trading of plastic resin and liquor, trade finance and supply chain solutions businesses in Singapore and the region, its digital assets and tokenisation advisory services and provision of mobile radio infrastructure management services in Singapore. It also has a 19.90% equity interest in a major payment institution licensed by the Monetary Authority of Singapore to conduct regulated payment services. Accordingly, the Group does not consider it to be a cash company pursuant to the SGX Listing Manual following the completion of the Proposed Disposal.

Further to the Announcement, the Directors are convening an EGM to be held at 160 Robinson Road, #06-01 SBF Centre, Singapore 068914, on Friday, 1 November 2024 at 10.00 am to seek Shareholders’ approval for the Proposed Disposal and the Proposed Capital Reduction (collectively, the “**Proposed Transactions**”).

The Proposed Transactions do not contravene any laws and regulations governing the Company nor the Company’s Constitution.

The particulars of the wholly-owned subsidiaries of KAGHPL within the K.A. Group (together to be termed as "**K.A. Group**") in the Passive Fire Protection Business are set out as follows:

Name	Place of Incorporation	Principle Business Activities

The Company acquired the K.A. Group in July 2014 from the founder Mr Soh Yong Poon and his daughter Ms Soh. The acquisition of K.A. Group was to provide the Group with the opportunity to acquire a profitable entity with significant growth opportunities locally and in the region and expand its revenue base and improve its profitability. 2.2 Information on the Key Financials of the K.A. Group

The audited revenue and net profit/(losses) for the K.A. Group for the last 3 financial years ended 31 December were as follows:

S\$'000	FY2023	FY2022	FY2021
Revenue	6,110	10,316	7,515
Gross profit	3,572	4,329	3,136
General and administrative expenses	(3,816)	(3,869)	(3,522)
Allowance for impairment loss on trade receivables and contract asset	(412)	(492)	(37)
Finance cost	(26)	(36)	(30)
Net profit/(losses) before tax	(682)	(68)	(453)

The revenue of the K.A. Group accounted for approximately 3.9%, 5.3% and 3.7% of the Group's total revenue in FY2023, FY2022 and FY2021 respectively. The decline of revenue of approximately 40.8% in FY2023 as compared to FY2022 was due mainly to fewer new projects secured and also the delay in commencement and/or completion of certain secured projects during the financial year.

As illustrated in the table above, K.A. Group recorded net losses before tax in FY2023, FY2022 and FY2021. As such, K.A. Group did not make any positive contribution to the Group's total net profits before and after tax in the last 3 financial years. The increased net loss before tax in FY2023 as compared to FY2022 was mainly a result of the lower revenue as explained in the paragraph above and impairment loss on certain trade receivables and contract assets.

The total allowance of impairment made on trade receivables and contract assets are S\$412,000 in FY2023, S\$492,000 in FY2022 and S\$37,000 in FY2021 respectively. The allowances were made for trade receivables and contract asset from construction sector due to slow recovery in the sector. As announced on 22 August 2023, one of the customers of the Group's Fire Protection business unit had been placed under judicial management pursuant to sections 90 and 91 and the provisions of Part 7 of the Insolvency, Restructuring and Dissolution Act 2018. The total allowance of impairment made on the customer amounting to S\$153,000 in FY2023 and S\$388,000 in FY2022, constitute 57.5% of the total allowance of impairment for the 3 financial years.

The higher revenue in FY2022 compared to FY2021 of approximately 37.3% was due mainly to more projects secured and completed due to the resumption of construction activities in Singapore with the relaxation of Covid-19 measures in the second half of FY2022 and the availability of more foreign workers to complete the projects. Notwithstanding the higher revenue, the K.A. Group incurred net loss before tax in FY2022 due mainly to allowance for impairment on certain receivables and contracts assets.

As announced on the SGX-ST on 8 August 2024 in the Group's interim financial results for the 6 months ended 30 June 2024, K.A. Group achieved a revenue of S\$2.5 million and a net loss before tax of S\$162,000 for the first 6 months ended 30 June 2024.

LETTER TO SHAREHOLDERS

Total assets decreased by S\$2.3 million as at 31 December 2023 mainly due to a decrease in trade and other receivables, and contract assets. TH Investments Pte Ltd is wholly-owned by Tat Hong Investments Pte Ltd, which is in turn wholly owned by Chwee Cheng & Sons Pte Ltd (“**CCSPL**”). 38.33% of the issued share capital of CCSPL is owned by Chwee Cheng Trust constituted under a trust deed. Mr Ng San Tiong, Mr Ng Sun Ho, Mr Ng San Wee and Mr Ng Sun Giam are the joined trustees of Chwee Cheng Trust.

As TH Investments Pte Ltd is a Controlling Shareholder and Macondray Holdings Pte Ltd is an associate of a Controlling Shareholder, they are deemed an interested person under Chapter 9 of the Listing Manual. For more details of the Proposed Disposal as an interested person transaction, please refer to Section 3 of this Circular.

Upon the SPA Completion, Ms Soh shall own an equity interest of 51.0% in KAGHPL. TH Investments Pte Ltd and Macondray Holdings Pte Ltd shall each own 24.5% in KAGHPL, as compared to an indirect interest in KAGHPL of 26.42% and 25.99% respectively (through their respective interests in the Company) prior to the completion of the Proposed Disposal.

Under the SPA, the Buyers have the right to nominate an affiliate to hold the Sale Shares on the SPA Completion, such affiliate being a company in which neither the Company nor its associates, other than the said Buyer group, has any interest (whether direct or indirect).

2.4 Principal Terms of the SPA

(a) Sale and purchase of the Sale Shares

Subject to the terms and conditions of the SPA, the sale and purchase of the Sale Shares shall be free from all encumbrances and with all rights, benefits and entitlements attaching thereto, for the Consideration.

The Sale Shares will also be sold by the Company to the Buyers on an “as is where is” basis without the benefit of any representations or warranties from the Company relating to the business of K.A. Group.

(b) Consideration and Settlement of Consideration

The Consideration of S\$6.9 million was arrived at after arm’s length negotiations between the Company and the Buyers, led by Ms Soh who will be acquiring the single largest amount of 51.0% of K.A. Group. Ms Soh is not a Controlling Shareholder and not deemed an interested person under Chapter 9 of the Listing Manual.

LETTER TO SHAREHOLDERS

In arriving at the Consideration, the parties took into consideration (i) the 31 December Adjusted NAV of the K.A. Group of S\$6.81 million (please refer to section 2.2.1 of this Circular on how the 31 December Adjusted NAV is arrived at).

The 31 December Adjusted NAV was considered and deemed more relevant for this purpose than the net assets value of the K.A. Group as at 31 December 2023 given that the 31 December Adjusted NAV refers to the net assets value of the Target Business and Assets i.e., taking into consideration the Revaluation Surplus of S\$2.37 million, adjusting for the KA Capital Reduction and excluding the net book value of the 71 Tuas View Property (which will be retained by the Company under the Proposed Disposal) of S\$1.07 million as at 31 December 2023; (ii) the financial performance of the K.A. Group in the last 3 financial years (please refer to section 2.2 of this Circular); (iii) the net realizable value of the K.A. Group in the event it is being wound up and (iv) the comparative valuation of selected comparable listed companies in Singapore who are in similar fire protection services industry and/or in the construction industry. As the factors taken into account in arriving at the Consideration are typically the same as those applied by independent valuers of companies, the Company did not commission a valuation for the Proposed Disposal.

The Consideration due from each Buyer to the Company will be offset against the Cash Distribution Amount due to such Buyer pursuant to the Proposed Cash Distribution following completion of the Proposed Capital Reduction. For more details, please refer to section 5.2 of this Circular. As highlighted in section 1.2 of this Circular, the ordinary resolution for the Proposed Disposal and the special resolution for the Proposed Capital Reduction will be inter-conditional upon one another.

The Company's Executive Chairman who is also one of the Recommending Directors, assisted by the Chief Operating Officer, who are both senior management team members in the Company and also not Controlling Shareholders and not deemed interested persons under Chapter 9 of the Listing Manual, was tasked by the Recommending Directors and Audit Committee to discuss and negotiate on behalf of the Company the Proposed Disposal and Proposed Capital Reduction, as a package, with the Buyers, led by Ms Soh who will be acquiring the single largest amount of 51.0% of K.A. Group. Ms Soh is not a Controlling Shareholder and is not deemed an interested person under Chapter 9 of the Listing Manual. As stated in section 2.4(c)(v) below, the Proposed Capital Reduction is one of the conditions precedent to the SPA.

The Company and Ms Soh have agreed that Ms Soh may defer S\$2.0 million ("**Deferred Consideration**") of her total share of the Consideration of approximately S\$3.5 million for a period of up to 2 years after Completion. By way of security for this Deferred Consideration, Ms Soh shall execute a share charge over her 4.16% shareholdings in the Company (4.646 million Shares) and her 51.0% shareholdings in KAGHPL post-Completion in favour of the Company. Further Ms Soh shall pay the Company semi-annually an interest on the outstanding Deferred Consideration at the rate of 5.0% per annum.

(c) **Conditions Precedent to the SPA**

Completion is conditional upon several conditions being satisfied or waived (as the case may be) to enable Completion to take place by the Longstop Date, including:

- (i) completion of a share split exercise to be conducted by KAGHPL which shall result in the existing 10 ordinary shares being split into 1,000 new ordinary shares;
- (ii) completion of the transfer of 71 Tuas View Place #05-01 and 71 Tuas View Place #05-20 Singapore 637434, free from all encumbrances from K.A. Building Construction Pte. Ltd. to the Company at its net book value of approximately S\$1.1 million as at 31 December 2023;
- (iii) completion of the KA Capital Reduction;

LETTER TO SHAREHOLDERS

- (iv) (subject to completion of the above property transfers) the Company entering into a lease agreement with KAGHPL (or an entity in the K.A. Group) for each property, in the form to be agreed and taking into consideration prevailing comparable market rental rates;
- (v) completion of the Proposed Capital Reduction;
- (vi) the approval of the SGX-ST being granted to the Company for the Proposed Disposal and the Proposed Capital Reduction and not withdrawn or revoked and if such consents or approvals are granted subject to any conditions, such conditions being acceptable to the Company and/or the Buyers; and
- (vii) the approval of (i) the Independent Shareholders for the Proposed Disposal and (ii) the Shareholders for the Proposed Capital Reduction at an EGM.

(d) On Completion

Subject to Completion, the Buyers shall be deemed to hold their Sale Shares with effect from 1 January 2024, and KAGHPL's profits or losses, assets and liabilities from 1 January 2024 to Completion shall be for the account of the Buyers accordingly.

Subject to Completion, the Company agrees:

- (i) to grant to K.A. Group an option exercisable for a period of 2 years from Completion, to purchase any one or both properties at 71 Tuas View Place #05-01 and 71 Tuas View Place #05-20 Singapore 637434 at such consideration based on the prevailing market valuation at the point of the exercise of such right; and
- (ii) in the event the Company plans to sell, transfer or dispose of its interest in any of the above properties to a third-party, to first offer such property to K.A. Group on the same terms as that such third-party gives the Company.

(e) Post-Completion

The Company has given to each Buyer the customary non-compete and non-solicitation customary undertakings in relation to the Passive Fire Protection Business for a period of 2 years from Completion.

3. THE PROPOSED DISPOSAL AS AN INTERESTED PERSON TRANSACTION

3.1 Relationship between the Buyers and the Group

TH Investments Pte Ltd is a Controlling Shareholder, and Macondray Holdings Pte. Ltd owns 100% interest in Amtrek Investment Pte. Ltd., a Controlling Shareholder. Hence, they are each an interested person as defined in Chapter 9 of the Listing Rules.

Pursuant to Listing Rule 906, an issuer must obtain shareholders' approval for an interested person transaction of a value equal to, or more than 5.0% of the Group's latest net tangible asset ("NTA") value.

3.2 The Proposed Disposal as an Interested Person Transaction

Rule 909 of the Listing Rules provides that the value of a transaction is the amount at risk to the issuer. Rule 909(4) provides that in the case that the market value or book value of the asset to be dispose of is higher than the consideration from an interested person, the value of the transaction is the higher of the market value or book value of the asset.

LETTER TO SHAREHOLDERS

Having considered Rule 909 of the Listing Rules, which considers the value of the transaction to be the amount at risk to the Group, the Company has considered the value of the interested person transaction to be the following:

The aggregate share of the Relevant Shareholders in the Consideration amounts to S\$3.38 million, which amounts to 5.50% (i.e. more than 5%) of the Group's latest audited NTA of S\$61.47 million as at 31 December 2023.

As the Consideration exceeds 5.0% of the latest audited NTA of the Group, the Proposed Disposal is an interested person transaction subject to approval by Independent Shareholders at the EGM to be convened.

Pursuant to Listing Rule 919, the Relevant Shareholders and their respective associates shall abstain from exercising their voting rights in respect of all existing issued shares owned by them and shall not accept appointments as proxies unless specific instructions as to voting are given, in respect of the resolutions to approve the Proposed Disposal at the EGM.

Further Ms Soh or her associates shall also abstain from exercising their voting rights in respect of all existing issued shares owned by her and shall not accept appointments as proxies unless specific instructions as to voting are given, in respect of the resolutions to approve the Proposed Disposal at the EGM.

3.3 Aggregate value of interested person transactions with the Relevant Shareholders

As at the Latest Practicable Date, save for the Proposed Disposal and as disclosed in section 2.4(d) of this Circular, no other interested person transaction has been entered into by the Group in FY2023 or the current financial year ending 31 December 2024, whether with the Relevant Shareholders or their respective associates.

3.4 IFA Opinion

- (a) The Company has appointed ZICO Capital Pte. Ltd. as the IFA pursuant to Rule 921(4) (a) of the Listing Manual as well as to advise the Recommending Directors on whether the Proposed Disposal as an interested person transaction is on normal commercial terms and not prejudicial to the interests of the Company and its minority Shareholders.
- (b) The IFA's opinion is extracted from Section 5.0 of the IFA Letter and set out in italics as follows and capitalised terms used within these reproduced statements bear the meanings defined for them in the IFA Letter:

"In arriving at our opinion in respect of the Proposed Disposal as an IPT, we have reviewed and deliberated on the following key considerations which we consider to be pertinent in our assessment:

- (a) the rationale for the Proposed Disposal;*
- (b) the historical financial performance and financial position of the K.A. Group;*
- (c) the Consideration is at premium of 2.5% over the Adjusted NAV and Adjusted NTA of K.A. Group as at 30 June 2024;*
- (d) P/Adjusted NAV as implied by the Consideration of 1.03 times is within the range and higher than the mean and median P/NAV ratios of the Fire Protection Comparable Companies. P/Adjusted NTA as implied by the Consideration of 1.03 times is within the range and higher than the mean and median P/NTA ratios of the Fire Protection Comparable Companies. EV/Sales as implied by the Consideration of 0.52 time is within the range and slightly higher than the median but slightly lower than the mean EV/ Sales ratios of the Fire Protection Comparable Companies.*

LETTER TO SHAREHOLDERS

- (e) *P/Adjusted NAV as implied by the Consideration of 1.03 times is higher than the range of P/NAV ratios of the M&E Comparable Companies. P/Adjusted NTA as implied by the Consideration of 1.03 times is higher than the range of P/NTA ratios of the M&E Comparable Companies. EV/Sales as implied by the Consideration of 0.52 time is within the range and higher than the mean and median of EV/ Sales ratios of the M&E Comparable Companies;*
- (f) *the pro forma financial effects of the Proposed Disposal; and*
- (g) *other relevant considerations as set out in Section 4.6 of this IFA Letter.*

Having considered carefully the information available to us as at the Latest Practicable Date, and based on our analyses, we are of the opinion that the Proposed Disposal as an IPT is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders.”

- (c) The IFA Letter is reproduced and appended in its entirety in Appendix B to this Circular and Shareholders are advised to read the IFA Letter in its entirety carefully.

4. THE PROPOSED DISPOSAL AS A MAJOR TRANSACTION

4.1 Relative Figures

Based on the latest announced consolidated financial results of the Group (being the Group's audited financial results for the financial year ended 31 December 2023), the relative figures computed on the bases set out under Rule 1006 of the Listing Rules in relation to the Proposed Disposal are as follows:

Rule 1006 Listing Rules	Bases	Relative figures (%) for the Proposed Disposal
(a)	The net asset value of the assets to be disposed of, compared with the Group's net asset value. This basis is not applicable to an acquisition of assets.	11.02% ⁽¹⁾
(b)	The net profits attributable to the assets acquired or disposed of, compared with the Group's net profits.	Not applicable as the Target Business and Assets of K.A. Group was not profitable in the last 3 financial years. Please refer to section 2.2 of this Circular.
(c)	The aggregate value of the consideration given or received, compared with the Company's market capitalisation.	24.46% ⁽²⁾
(d)	The number of equity securities issued by the Company as consideration for an acquisition, compared with the number of equity securities previously in issue.	Not applicable as there is no issuance of equity securities by the Company.
(e)	The aggregate volume or amount of proved and probable reserves to be disposed of, compared with the aggregate of the Group's proved and probable reserves.	Not applicable as the Company is not a mineral, oil or gas company

Notes:

- (1) Computed based on the 31 December Adjusted NAV of the Target Business and Assets of S\$6.8 million (please refer to the last paragraph in section 2.2 of this Circular on how the 31 December Adjusted NAV is arrived at) and the Group's audited net asset value of approximately S\$61.7 million as at 31 December 2023.

LETTER TO SHAREHOLDERS

- (2) Computed based on the Purchase Consideration of S\$6.9 million and the Company's market capitalisation of approximately S\$28.2 million on 9 May 2024, being the last full market day preceding the date of the SPA on which shares were last traded on the SGX-ST. The percentage of the Purchase Consideration as compared with the Company's market capitalization of approximately S\$38.5 million as at the Latest Practicable Date was 17.9%.

4.2 Approval for Proposed Disposal

As the relative figures of Listing Rule 1006 exceeds 20%, the Proposed Disposal is a major transaction requiring Shareholders' approval under Chapter 10 of the Listing Rules.

4.3 Excess over Book Value and Use of Proceeds

The Proposed Disposal will result in an excess of proceeds of approximately S\$80,000 over the 31 December Adjusted NAV of the Target Business and Assets.

The Company intends to apply the net proceeds from the Proposed Disposal (excluding the Deferred Consideration and after deducting all costs and expenses) of approximately S\$4.70 million to the Proposed Cash Distribution following completion of the Proposed Capital Reduction (if approved by Shareholders).

5. PROPOSED CAPITAL REDUCTION AND PROPOSED CASH DISTRIBUTION

5.1 Details of the Proposed Capital Reduction

(a) Purpose

As at the Latest Practicable Date, the Company has an issued and paid-up share capital of approximately S\$88,495,000 comprising 111,595,912 Shares (excluding treasury shares). The company has 2,129,967 treasury shares and 40,000,000 non-listed warrants which carries the right to subscribe in cash for one new ordinary share of the Company at the exercise price of S\$0.50 per warrant, provided that, the outstanding share capital of the Company from time to time exceeds 284 million shares (excluding treasury shares).

Saved as disclosed above, the Company does not have any outstanding convertibles.

(b) Cash Distribution Amount under the Proposed Capital Reduction

The Cash Distribution Amount is approximately S\$6.7 million in aggregate and will be distributed, *pro-rata*, to all the Shareholders as at the Books Closure Date, subject to the conditions set out in Section 5.4 below having been satisfied. The final Cash Distribution Amount or amount to be received by each Eligible Shareholder pursuant to the Proposed Capital Reduction will be based on the total number of Shares in existence or held by the respective Shareholder as at the Books Closure Date.

The respective entitlement of the Shareholders to the Cash Distribution Amount is equal to approximately S\$0.06 per Share based on the Existing Share Capital of 111,595,912 Shares (excluding treasury shares) as at the Latest Practicable Date.

The aggregate Cash Distribution Amount to be paid to each Shareholder pursuant to the Proposed Capital Reduction and the Proposed Cash Distribution will be adjusted by rounding down any fractions of a cent to the nearest cent, where applicable.

(c) No change in shareholdings

The Proposed Capital Reduction will not result in any change in the number of Shares held by Shareholders. Each Shareholder will continue to hold the same number of Shares before and after the Proposed Capital Reduction. Hence, if a Shareholder has not dealt in the Shares, such Shareholder will hold the same number of Shares before and after the Proposed Capital Reduction.

LETTER TO SHAREHOLDERS

5.2 Funds for the Proposed Cash Distribution

The Proposed Cash Distribution of approximately S\$6.7 million will be funded from the net proceeds from the Proposed Disposal, excluding the Deferred Consideration, of S\$4.9 million and the balance of approximately S\$1.8 million from our Group's internal sources.

Further, any Cash Distribution Amount payable to the Relevant Shareholders and Ms Soh will be offset against the Consideration payable by each of them as Buyers under the Proposed Disposal, as follows:

Name of Buyer	Number (% of Sale Shares)	Allocation of Consideration	Cash Receipts from Proposed Cash Distribution	Balance payable to / (receivable from) the Company
Soh Ying Sin	510 (51.0%)	S\$3,519,000	S\$278,760	S\$3,240,240*
Macondray Holdings Pte. Ltd.	245 (24.5%)	S\$1,690,500	S\$1,739,904	S\$(49,404)**
TH Investments Pte Ltd	245 (24.5%)	S\$1,690,500	S\$1,769,169	S\$(78,669)**
	1,000 (100.0%)	S\$6,900,000	S\$3,787,833	S\$3,112,167*

* Includes Deferred Consideration

** The Relevant Shareholders are not required to pay the Company any balance Consideration, as the amount that they shall respectively receive from the Proposed Cash Distribution is higher than their respective balance Consideration.

5.3 Court Order for the Proposed Capital Reduction

The Company shall be carrying out the Proposed Capital Reduction under section 78G(1) of the Companies Act, which is by way of a special resolution approved by an order of the Court, subject to compliance with certain provisions in the Companies Act, as set out below.

If the special resolution for the Proposed Capital Reduction is passed at the EGM, the Company will then apply to Court for an order under section 78I of the Companies Act. The Court will settle a list of qualifying creditors, by ascertaining, as far as possible without requiring an application from any creditor, the names of qualifying creditors and the nature and amount of their debts or claims and the Court may publish notices fixing a day or days within which creditors not included in the list are to claim to be so included or are to be excluded from the list. A “**qualifying creditor**” means a creditor of the Company who, at a date fixed by the Court, is entitled to any debt or claim which, if that date were the commencement of the winding up of the Company, would be admissible in proof against the Company.

If, at the time the Court considers the application, there is a qualifying creditor who is included in the Court's list of qualifying creditors and whose claim has not been terminated or whose debt has not been discharged, the Court will not make an order approving the Proposed Capital Reduction unless satisfied, as respects each qualifying creditor, that (a) the qualifying creditor has consented to the reduction, (b) the qualifying creditor's debt or claim has been secured or the qualifying creditor has other adequate safeguards for it, or (c) security or other safeguards are unnecessary in view of the assets the Company would have after the Proposed Capital Reduction.

Where the Court makes an order approving the Proposed Capital Reduction under section 78I of the Companies Act, the Company must, for the Proposed Capital Reduction to take effect, lodge with the Registrar (a) a copy of the Court order and (b) a notice containing information on the Proposed Capital Reduction, within 90 days from the date of the Court order or within such longer period as the Registrar may, on the Company's application and on receiving the prescribed fee, allow.

LETTER TO SHAREHOLDERS

The special resolution for the Proposed Capital Reduction and the Proposed Capital Reduction do not take effect until (a) the Court order is made, (b) the Company has lodged the requisite information with the Registrar and (c) the Registrar has recorded the information lodged in the appropriate register.

5.4 Conditions for the Proposed Capital Reduction

Shareholders should note that the Proposed Capital Reduction is subject to, among others:

- (a) the completion of the Proposed Disposal;
- (b) the approval of the Shareholders by way of a special resolution for the Proposed Capital Reduction, i.e., 75% majority of votes cast at the EGM;
- (c) the Court making an order approving the Proposed Capital Reduction; and
- (d) the Company's lodgment of the Court order and notice containing information on the Proposed Capital Reduction with the Registrar within the prescribed timeframe.

The Company will make an immediate announcement to update Shareholders if any of the conditions for the Proposed Capital Reduction as set out in this Section 5.4 are not met.

5.5 Administrative Procedures for the Proposed Cash Distribution

The administrative procedures for the Proposed Cash Distribution are as follows:

- (a) Books Closure Date
 - (i) Only Eligible Shareholders will be considered for purposes of the Proposed Cash Distribution, on the basis of such number of Shares registered in their names or standing to the credit of their Securities Accounts as at the Books Closure Date.
 - (ii) On the Expected Payment Date, the Eligible Shareholders will receive a sum of approximately S\$0.06 for each Share held by them as at the Books Closure Date.
 - (iii) Subject to the satisfaction of the conditions set out in Section 5.4 above, the Company will make further announcements in due course as soon as reasonably practicable to notify Shareholders of:
 - (1) the Books Closure Date;
 - (2) the Effective Date; and
 - (3) the Expected Payment Date.
- (b) Deposit of Scrip Shares with CDP

Eligible Shareholders who hold Shares registered in their own names in the Register of Members and who wish to deposit their Shares with CDP prior to the Books Closure Date must deliver the existing share certificates in respect of their Shares, together with the duly executed instruments of transfer in favour of CDP, at least 12 Market Days prior to the Books Closure Date, in order for their Securities Accounts to be credited with the relevant Shares by the Books Closure Date.

LETTER TO SHAREHOLDERS

(c) Payment pursuant to the Cash Distribution

(i) *Entitled Shareholders holding Scrip Shares*

Shareholders whose Shares are registered in the Register of Members as at the Books Closure Date will have the cheques for payment of their entitlements under the Proposed Cash Distribution despatched to them by ordinary post at their own risk addressed to their respective addresses in the Register of Members on the Expected Payment Date. The Company shall not be liable for any loss in transmission.

(ii) *Eligible Shareholders who are Depositors*

Shareholders who are Depositors and who have Shares standing to the credit of their Securities Accounts as at the Books Closure Date will have the cheques for payment of their entitlements under the Proposed Cash Distribution despatched to them by CDP by ordinary post at their own risk on the Expected Payment Date. Alternatively, such Depositors will have payment of their entitlements under the Proposed Cash Distribution made in such other manner as they may have agreed with CDP for the payment of dividends or other distributions on the Expected Payment Date. Neither the Company nor CDP shall be responsible or liable for any loss in transmission.

5.6 Taxation

Shareholders should note that the following statements are not to be regarded as advice on the tax position of any Shareholder or any tax implication arising from the Proposed Capital Reduction and Proposed Cash Distribution. Shareholders who are in doubt as to their respective tax positions or such tax implications or who may be subject to tax in a jurisdiction outside Singapore should consult their own tax advisers or other independent advisers.

For Singapore income tax purposes, payments made by a Singapore resident company to shareholders pursuant to share capital reductions are generally classified as either a return of capital (which is a capital gain not subject to tax) or a receipt of dividends (which is tax-exempt under the one-tier corporate tax system). As such, for Singapore income tax purposes, any gains from such transactions are generally not taxable unless the proceeds constitute taxable revenue gains or profits from a trade or business carried on by the shareholders.

As the amount to be paid to Shareholders pursuant to the Proposed Cash Distribution will be paid out of the reduction of the existing issued and paid-up share capital of the Company pursuant to the Proposed Capital Reduction, the Proposed Cash Distribution should generally be regarded as a return of capital, and is therefore not taxable in Singapore for Shareholders, unless the proceeds constitute taxable revenue gains or profits from a trade or business carried on by Shareholders.

6. RATIONALE FOR THE PROPOSED TRANSACTIONS

6.1 Rationale for the Proposed Disposal

In the recent annual report 2023, the Group has mentioned its intention to shift its business model towards one that is more scalable and aligns with the enduring technological trends in today's world. The Proposed Disposal will enable the Group to focus its resources on its trading, distribution, trade finance and supply chain solutions businesses in Singapore and the region as well as expanding its digital assets and tokenisation advisory services and regulated domestic and cross-border money transfers and money-changing services. As illustrated and explained in section 2.2 of this Circular, K.A. Group recorded net losses before tax in the last three financial years in FY2023, FY2022 and FY2021.

Intraco acquired K.A. Group from its founder Mr Soh Yong Poon in 2014. Since the acquisition Mr Soh and his daughter Ms Soh has been continuing to drive the business of K.A. Group as Executive Directors and Chief Executive Officer and Chief Operating Officer respectively of

LETTER TO SHAREHOLDERS

the K.A. Group. The Proposed Disposal to Ms Soh and existing indirect shareholders ie TH Investments Pte Ltd and Macondray Holdings Pte. Ltd. shall minimise any disruption to K.A. Group's business and operations after Completion.

6.2 Rationale for the Proposed Capital Reduction

The Proposed Capital Reduction will enable the Group to reward its shareholders using the net proceeds from the Proposed Disposal following its successful completion of the Proposed Disposal. This will enable the Group to continue to maintain a healthy balance sheet and retain its existing cash balance to fund its businesses.

6.3 Rationale for the Inter-Conditionality of the Resolutions for the Proposed Transactions

The Company will not complete the Proposed Capital Reduction if the Proposed Disposal is not approved as the Company intends to use the net proceeds from the Proposed Disposal for the Proposed Cash Distribution and does not intend to use the Group's existing cash balance, to fund the Proposed Cash Distribution.

In addition, the Company will also not proceed with the Proposed Disposal if the Proposed Capital Reduction is not approved, as the Buyers have expressed that they would like to minimize their respective net cash outlay for their purchase of their respective interests in K.A. Group pursuant to the Proposed Disposal by offsetting the amounts due from them under the Proposed Disposal and the amounts due to them under the Proposed Cash Distribution), as set out in section 5.2 of this Circular.

7. PRO FORMA FINANCIAL EFFECTS OF THE PROPOSED TRANSACTIONS

7.1 Pro Forma Financial Effects

The *pro forma* financial effects of the Proposed Disposal and Proposed Capital Reduction on the Company's share capital and the Group's NTA per share and earnings per share (the "EPS") as set out below are strictly for illustrative purposes and are not indicative of the actual financial position and results of the Group following the Proposed Disposal and Proposed Capital Reduction Exercise.

8. RECOMMENDATIONS

8.1 Audit Committee's Statement on the Proposed Disposal

The Audit Committee of the Company comprises Mr Soh Chung Hian (Lead Independent Director), Mr Tan Hup Foi (Independent Director) and Mr Charlie Ng How Kiat (Non-Independent Non-Executive Director). The Chairman of the Audit Committee is Mr Soh Chung Hian.

The members of the Audit Committee do not have any interests in the Proposed Disposal and are accordingly deemed to be independent for the purposes of the Proposed Disposal.

As at the Latest Practicable Date, Mr Charlie Ng How Kiat is the President and Executive Director of Macondray Holdings Pte Ltd and a Director of Amtrek Investment Pte Ltd. While Mr Charlie Ng How Kiat is not considered an "interested person" under Chapter 9 of the Listing Manual, he has, for good corporate governance, abstained from the deliberations and recommendations of the Audit Committee and of the Board in relation to the Proposed Disposal.

The Audit Committee (save for Mr Charlie Ng How Kiat), having considered and reviewed, among others, the rationale for the Proposed Disposal (section 6.1 of this Circular), the terms of the SPA (section 2 of this Circular), the basis in arriving at the Consideration (section 2.4 of this Circular), the financial effects of the Proposed Disposal (section 7 of this Circular), and the advice of the IFA for the Proposed Disposal (section 3.4 and Appendix A of this Circular) in the IFA Letter, is satisfied that, the terms of the Proposed Disposal are on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders.

Accordingly, the Audit Committee (save for Mr Charlie Ng How Kiat) recommends that the Independent Shareholders vote in favour of Ordinary Resolution 1, set out in the Notice of EGM.

8.2 Directors' Recommendations in respect of the Proposed Transactions

1. INTRODUCTION

The Board had on 9 May 2024 announced (the “**Announcement**”), among others, that:

- (a) the Company had entered into the conditional share sale and purchase agreement dated 9 May 2024 with the Buyers, pursuant to which the Company had agreed to sell all its shares in K.A. Group Holdings Pte Ltd (“**KAGHPL**”), its wholly-owned subsidiary (the “**Sale Shares**”) for a total consideration of S\$6.9 million, on the terms and subject to the conditions of the SPA (the “**Proposed Disposal**”); and
- (b) in conjunction with the Proposed Disposal, the Company proposes to conduct a share capital reduction (the “**Proposed Capital Reduction**”), which shall result in the Company distributing S\$0.06 per share or an aggregate of approximately S\$6.7 million to its Eligible Shareholders (the “**Cash Distribution Amount**”) (the “**Proposed Cash Distribution**”).

It will focus on its distribution and trading of plastic resin and liquor and supply chain solutions businesses in Singapore and the region, its digital assets and tokenisation advisory services and provision of mobile radio infrastructure management services in Singapore. It also has a 19.90% equity interest in a major payment institution licensed by the Monetary Authority of Singapore to conduct regulated payment services. 4. **EVALUATION OF THE PROPOSED DISPOSAL**

The following are factors which we consider to be pertinent and to have a significant bearing on our evaluation of the Proposed Disposal as an IPT:

- (a) the rationale for the Proposed Disposal;
- (b) the historical financial performance and financial position of the K.A. Group;
- (c) Net Asset Value of the K.A. Group;
- (d) Valuation statistics of Comparable Companies;
- (e) the *pro forma* financial effects of the Proposed Disposal; and
- (f) other relevant considerations.

APPENDIX A – IFA LETTER

4.1 Rationale for the Proposed Disposal

The Company has set out the rationale for the Proposed Disposal in section 6 of the Circular, which is reproduced below.

In the recent annual report 2023, the Group has mentioned its intention to shift its business model towards one that is more scalable and aligns with the enduring technological trends in today's world. The Proposed Disposal will enable the Group to focus its resources on its trading, distribution and supply chain solutions businesses in Singapore and the region as well as expanding its digital assets and tokenisation advisory services and regulated domestic and cross-border money transfers and money-changing services. As illustrated and explained in section 2.2 of this Circular, K.A. Group recorded net losses before tax in the last three financial years in FY2023, FY2022 and FY2021.

Intraco acquired K.A. Group from its founder Mr Soh Yong Poon in 2014. Since the acquisition Mr Soh and his daughter Ms Soh has been continuing to drive the business of K.A. Group as Executive Directors and Chief Executive Officer and Chief Operating Officer respectively of the K.A. Group. The Proposed Disposal to Ms Soh and existing indirect shareholders i.e. TH Investments Pte Ltd and Macondray Holdings Pte. Ltd. shall minimise any disruption to K.A. Group's business and operations after Completion.

4.2 Historical Financial Performance and Financial Position of the K.A. Group

A summary of the consolidated statements of profit or loss, and consolidated statements of financial position of the K.A. Group for the financial years ended 31 December 2021 (“**FY2021**”), 31 December 2022 (“**FY2022**”) and 31 December 2023 (“**FY2023**”) (collectively, the “**Period Under Review**”) is set out below.

4.2.1 Historical Financial Performance of the K.A. Group

The consolidated revenue and net losses before tax for the K.A. Group for the Period Under Review were as follows:

S\$'000	FY2021 (Audited)	FY2022 (Audited)	FY2023 (Audited)
Revenue	7,515	10,316	6,110
Loss before tax	453	68	682

Revenue increased by approximately S\$2.8 million or 37.3% in FY2022 due mainly to more projects secured and completed as a result of the resumption of construction activities in Singapore with the relaxation of Covid-19 measures in the second half of FY2022 and the availability of more foreign workers to complete the projects. Notwithstanding the higher revenue, the K.A. Group incurred loss before tax in FY2022 due mainly to allowance for impairment on certain trade receivables and contracts assets.

Revenue decreased by approximately S\$4.2 million or 40.8% in FY2023 as compared to FY2022 due mainly to fewer new projects secured and also the delay in commencement and/or completion of certain secured projects during the financial year. The increased loss before tax in FY2023 as compared to FY2022 was mainly a result of the lower revenue and impairment loss on certain trade receivables and contract assets.

*Financial performance for the 6-month period ended 30 June 2024 (“**1H2024**”)*

As announced on the SGX-ST on 8 August 2024 in the Group's interim financial results, the K.A. Group achieved a revenue of S\$2.5 million and a loss before tax of approximately S\$162,000 for 1H2024.

APPENDIX A – IFA LETTER

4.2.2 Historical Financial Position of the K.A. Group

We set out below a summary of the financial position of the K.A. Group as at 31 December 2021, 31 December 2022 and 31 December 2023:

S\$'000	31 December 2021 (Unaudited)	31 December 2022 (Unaudited)	31 December 2023 (Unaudited)
Total assets	13,008	13,901	11,591
Total liabilities	2,881	3,745	2,076
Net assets	10,127	10,129	9,515
Equity attributable to owners of the Company	10,127	10,129	9,515

Total assets increased by S\$0.9 million as at 31 December 2022 compared to 31 December 2021 mainly due to an increase in inventories, and trade and other receivables, and partially offset by a decrease in contract assets. Total liabilities increased by S\$0.8 million as at 31 December 2022 compared to 31 December 2021 mainly due to an increase in trade and other payables.

Total assets decreased by S\$2.3 million as at 31 December 2023 compared to 31 December 2022 mainly due to a decrease in trade and other receivables, and contract assets. Total liabilities decreased by S\$1.7 million as at 31 December 2023 compared to 31 December 2022 mainly due to a decrease in trade and other payables, and loans and borrowings.

Financial position as at 30 June 2024

As at 30 June 2024, the net assets of the K.A. Group were S\$9.4 million.

4.3 Net Asset Value or Net Tangible Asset of the K.A. Group

The unaudited consolidated net asset value of the K.A. Group as at 30 June 2024, including the Properties was S\$9.39 million. Adjusting for the revaluation surplus in respect of 43 Tuas View Building of S\$2.39 million and the KA Capital Reduction of S\$4 million and excluding the net book value of S\$1.05 million of 71 Tuas View Property which is not part of the business and assets to be purchased by the Buyers, the adjusted net asset value of the assets of the K.A. Group was S\$6.73 million (the “**Adjusted NAV**”) as at 30 June 2024. The adjusted NTA of the K.A. Group (“**Adjusted NTA**”) is similar to its Adjusted NAV as the K.A. Group did not have any intangible assets as at 30 June 2024.

The Consideration of S\$6.9 million is at a premium of 2.5% over the Adjusted NAV and Adjusted NTA of the K.A. Group as at 30 June 2024.

The Directors have confirmed that as the Latest Practicable Date, to the best of their knowledge and belief:

- (a) there are no material differences between the realisable values of the K.A. Group’s assets and their respective book values as at 30 June 2024 which would have a material impact on the Adjusted NAV or Adjusted NTA of the K.A. Group as at 30 June 2024;
- (b) there are no contingent liabilities, bad or doubtful debts or material events which would likely have a material impact on the Adjusted NAV or Adjusted NTA of the K.A. Group as at the Latest Practicable Date;

APPENDIX A – IFA LETTER

- (c) there are no litigations, claims or proceedings pending or threatened against the K.A. Group or of any fact which would give rise to any proceedings which might materially and adversely affect the financial position of the K.A. Group;
- (d) there are no other intangible assets which ought to be disclosed in the statement of financial position of the K.A. Group in accordance with the Singapore Financial Reporting Standards (International) and which have not been so disclosed and where such intangible assets would have had a material impact on the overall financial position of the K.A. Group; and
- (e) save for the proposed transfer of the legal ownership of 71 Tuas View Place #05-01 and #05-20 Singapore 637434 from K.A. Building Construction Pte. Ltd. to the Company, there are no material acquisitions or disposal of assets by the K.A. Group between 30 June 2024 and the Latest Practicable Date, and the K.A. Group does not have any plan for any such impending material acquisition or disposal of assets, conversion of the use of the K.A. Group's material assets or material change in the nature of the K.A. Group's business.

4.4 Valuation Statistics of Comparable Companies

For the purpose of assessing the Consideration, we have referred to the valuation statistics of selected listed companies, which businesses may be considered to be broadly comparable to the K.A. Group. We have had discussions with the Directors and the Management about the suitability and reasonableness of the comparable companies acting as a basis for comparison with the K.A. Group. We understand from the Directors and Management that there is no passive fire protection solutions provider listed in Singapore and the closest comparable company would be Asiatic Group Holdings Ltd. As such, we have considered other comparable companies which are listed in Asia. We have also discussed with the Directors and Management and have considered sub-contractors in the mechanical and engineering (“M&E”) sector which are listed in Singapore to be a good proxy for K.A. Group since these sub-contractors operate in a competitive industry which is heavily dependent on the health of the Singapore construction industry, similar to K.A. Group. For a more meaningful comparison, we have only considered Comparable Companies with market capitalisation not exceeding S\$100.0 million as at the Latest Practicable Date. The selected listed companies which are broadly involved in the business of passive fire protection solutions and M&E services are collectively referred to as the “**Comparable Companies**”.

We recognise that there is no listed company which can be considered to be identical to the K.A. Group in terms of, *inter alia*, composition of business activities, scale of business operations, asset base, track record, geographical markets, market capitalisation, market/industry size, future prospects, risk profile, political risk, competitive and regulatory criteria, accounting policies, financial position and other relevant criteria.

Furthermore, there are Comparable Companies which are listed on foreign exchanges where there may be significant differences between valuations that investors may accord to companies listed on the SGX-ST *vis-à-vis* other exchanges, and such cross-border valuation statistics are also subject to differing macroeconomic variables. Therefore, any comparisons made are necessarily limited and are intended to serve only as an illustrative guide.

In our evaluation, we have considered the following valuation ratios:

Valuation Measure	Description
Price-to-NAV (“ P/NAV ”)	The P/NAV ratio is the ratio of the market price of a company's shares relative to its historical NAV per share. The NAV of a company provides an estimate of its value assuming a hypothetical sale of all its tangible and intangible assets and repayment of its liabilities and obligations, with the balance being available for distribution to its shareholders. It is an asset-based valuation methodology and this approach is meaningful to the extent that it measures the value of each share that is attached to the net assets of the company.
Price-to-NTA (“ P/NTA ”)	The P/NTA ratio is the ratio of the market price of a company's shares relative to its historical NTA per share. The NTA of a company provides an estimate of its value assuming a hypothetical sale of all its tangible assets and repayment of its liabilities and obligations, with the balance being available for distribution to its shareholders. It is an asset-based valuation methodology and this approach is meaningful to the extent that it measures the value of each share that is attached to the net tangible assets of the company.
Enterprise Value (“ EV ”)-to-Sales (“ EV/Sales ”)	<p>EV refers to enterprise value which is the sum of a company's market capitalisation, preferred equity, minority interests, short and long term debts (inclusive of lease liabilities, and loans from shareholders) less the cash and cash equivalents.</p> <p>The EV/Sales ratio illustrates the ratio of the market value of the company's business relative to its trailing 12-month total revenue.</p>

APPENDIX A – IFA LETTER

Valuation Measure	Description
Enterprise Value-to-Earnings before Interests, Taxes, Depreciation and Amortisation (“ EBITDA ”) (“ EV/EBITDA ”)	EBITDA is the earnings before interest, tax, depreciation and amortisation. The EV/EBITDA ratio illustrates the ratio of the market value of a company’s business relative to its trailing 12-month pre-tax consolidated operating cash flow performance, without regard to its capital structure as well as its interest, taxation, depreciation and amortisation charges.
Price-to-Earnings (“ P/E ”)	<p>P/E multiple or earnings multiple is an earnings-based valuation measure, and is the ratio of a company’s market capitalisation divided by the trailing 12-month earnings attributable to shareholders.</p> <p>The P/E ratio is affected by, <i>inter alia</i>, the capital structure of a company, its tax position as well as its accounting policies relating to depreciation and amortisation.</p>

Notes:

- (1) Market capitalisation of the Comparable Companies are calculated based on their respective closing prices as at the Latest Practicable Date.
- (2) Not meaningful as the companies were in a net loss and/or negative EBITDA position for their respective trailing 12-month period. Fitters recorded net loss and negative EBITDA for its trailing 12-month period and its enterprise value was also negative.
- (3) The P/Adjusted NAV and P/Adjusted NTA of the K.A. Group are computed based on the Consideration, and the Adjusted NAV and Adjusted NTA of the K.A. Group as at 30 June 2024 respectively. The EV/Sales of the K.A. Group is computed based on the Consideration and revenue of the K.A. Group for its trailing 12-month period.

APPENDIX A – IFA LETTER

For our evaluation of the Proposed Disposal, we have compared the valuation statistics of the K.A. Group against the Comparable Companies using the P/NAV, P/NTA and EV/Sales ratios. It is not meaningful to consider the P/E and EV/EBITDA of the K.A. Group since K.A. Group recorded net loss and negative EBITDA for its trailing 12-month period.

We note the following:

- (i) P/Adjusted NAV as implied by the Consideration of 1.03 times is within the range and higher than the mean and median P/NAV ratios of the Fire Protection Comparable Companies;
- (ii) P/Adjusted NTA as implied by the Consideration of 1.03 times is within the range and higher than the mean and median P/NTA ratios of the Fire Protection Comparable Companies; and
- (iii) EV/Sales as implied by the Consideration of 0.52 time is within the range and slightly higher than the median but slightly lower than the mean EV/Sales ratios of the Fire Protection Comparable Companies.

4.5 Proforma Financial Effects of the Proposed Disposal

Details of the *pro forma* financial effects of the Proposed Disposal are set out in Section 7 of the Circular and are prepared based on the audited financial statements of the Group for FY2023, on the following bases and assumptions:

- (a) the Proposed Disposal and Proposed Capital Reduction had been completed on 31 December 2023 for the purpose of illustrating the financial effects on the NTA;
- (b) the Proposed Disposal and Proposed Capital Reduction had been completed on 1 January 2023 for the purpose of illustrating the financial effects on the EPS;
- (c) the issued and paid-up share capital of the Company comprising 112,483,479 Shares (excluding treasury shares); and
- (d) assuming estimated transactions costs of S\$150,000 and estimated stamp duty of S\$50,000 for the transfer of the legal ownership of the 71 Tuas View Place #05-01 and 71 Tuas View Place #05-20 Singapore 637434 from K.A. Group to the Company.

The *pro forma* financial effects are for illustrative purposes only and are not indicative of the actual financial position and results of the Group following the Proposed Disposal.

In summary, we noted the following:

- (a) NTA per Share would remain at S\$0.55 after the Proposed Disposal and reduce to S\$0.49 after the Proposed Disposal and Proposed Capital Reduction;
- (b) EPS would increase from 2.83 cents before the Proposed Disposal to 3.11 cents after the Proposed Disposal, and after the Proposed Disposal and Proposed Capital Reduction; and
- (c) The Proposed Disposal has no impact on the paid-up capital of the Company. The paid-up capital of the Company will decrease from S\$88,495,000 to S\$81,746,000 after the Proposed Disposal and Proposed Capital Reduction.

4.6 Other relevant considerations

In determining whether the Proposed Disposal is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders, we have also considered the following:

4.6.1 Similar consideration to be paid to non-interested persons of the Company

The Consideration was arrived at after arm's length negotiations between the Company and the Buyers, led by Ms Soh, who is not a Controlling Shareholder and who will be acquiring the single largest amount of 51.0% of K.A. Group.

The Relevant Shareholders will be paid the same consideration for their Sale Shares (ie. price per Sale Share) as Ms Soh.

APPENDIX A – IFA LETTER

4.6.2 No other alternative offers from third parties

The Board has confirmed that there had been no other offer to purchase K.A. Group other than from the Buyers as at the Latest Practicable Date.

4.6.3 Resolutions for the Proposed Disposal and the Proposed Capital Reduction are inter-conditional

Shareholders should note that the ordinary resolution for the Proposed Disposal and the special resolution for the Proposed Capital Reduction will be inter-conditional upon one another. This means that if one resolution is not approved, the other resolution will not be passed.

4.6.4 Abstention from recommendations and voting

As set out in Section 9 of the Circular, for the purpose of Rule 919 of the Listing Manual, each of TH Investments Pte Ltd and Amtrek Investment Pte Ltd has undertaken to the Company (i) to abstain from voting at the EGM in relation to the Proposed Disposal and to not appoint the Chairman of the EGM as a proxy; and (ii) to ensure that their associates abstain from voting at the EGM.

Additionally, for good corporate governance, while Ms Soh is not an interested person but one of the Buyers for 51.0% in K.A. Group for the purposes of the Proposed Disposal, Ms Soh will abstain from voting at the EGM in relation to the Proposed Disposal and will not appoint any proxy to vote at the EGM.

5. OUR OPINION

In arriving at our opinion in respect of the Proposed Disposal as an IPT, we have reviewed and deliberated on the following key considerations which we consider to be pertinent in our assessment:

- (a) the rationale for the Proposed Disposal;
- (b) the historical financial performance and financial position of the K.A. Group;
- (c) the Consideration is at premium of 2.5% over the Adjusted NAV and Adjusted NTA of K.A. Group as at 30 June 2024;
- (d) P/Adjusted NAV as implied by the Consideration of 1.03 times is within the range and higher than the mean and median P/NAV ratios of the Fire Protection Comparable Companies. P/Adjusted NTA as implied by the Consideration of 1.03 times is within the range and higher than the mean and median P/NTA ratios of the Fire Protection Comparable Companies. EV/Sales as implied by the Consideration of 0.52 time is within the range and slightly higher than the median but slightly lower than the mean EV/Sales ratios of the Fire Protection Comparable Companies;
- (e) P/Adjusted NAV as implied by the Consideration of 1.03 times is higher than the range of P/NAV ratios of the M&E Comparable Companies. P/Adjusted NTA as implied by the Consideration of 1.03 times is higher than the range of P/NTA ratios of the M&E Comparable Companies. EV/Sales as implied by the Consideration of 0.52 time is within the range and higher than the mean and median of EV/Sales ratios of the M&E Comparable Companies;
- (f) the *pro forma* financial effects of the Proposed Disposal; and
- (g) other relevant considerations as set out in Section 4.6 of this IFA Letter.
