RESPONSES TO QUESTIONS FROM SHAREHOLDERS RELEASED ON 24 APRIL 2026
CLARIFICATORY ANNOUNCEMENT

The Board of Directors of Nanofilm Technologies International Limited (the “**Company**”) refers to its responses to questions received from a shareholder, released on the SGX-Net on 24 April 2026 (“**Announcement**”).

The Company wishes to clarify its response in the Announcement, as follows:

The reference in the response under Question 1 to projects being “terminated earlier than expected” was intended to describe, in general terms, the contractual mechanisms that may be incorporated into project-based arrangements, and was not meant to suggest that such terminations are frequent or recurring in nature.

The Company confirms that early termination of projects is not a persistent feature of the Group’s business and does not represent a material concern for the Group at this time.

Save as clarified above, all the information in the Announcement remains unchanged.
