# 6. Retention of the guarantees provided by the collective investment undertaking in connection with securities financing operations and total return swaps.

The custodian, Société Générale S.A., exercises three types of responsibility; respectively, the monitoring of the regularity of the decisions of the management company, the monitoring of cash flows of the CIU and the custody of the assets of the CIU.

Société Générale S.A also works with a limited number of sub-custodians, selected according to the most rigorous quality standards, including the management of possible conflicts of interest which may arise from these appointments. The Custodian has established an effective policy for identification, prevention and management of conflicts of interest, in compliance with national and international regulations as well as international norms.

### 7. Data on the earnings and costs for each type of securities financing operation and total return swap.

The CIU shall utilise over-the-counter index-linked swaps trading the value of the CIU's assets (or, as the case may be, any other asset held by the CIU) against the value of the Benchmark Indicator.

The revenue and costs linked to these Total Return Swaps (TRS) are included in the assessment of the instruments as well as in the result presented in the statement of net assets and the statement of net asset values.
