
PROFIT GUIDANCE FOR THE SIX MONTHS ENDED 30 SEPTEMBER 2024

The Board of Directors of Tung Lok Restaurants (2000) Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”), wishes to announce that, based on the preliminary review of the unaudited consolidated financial results, the Group is expected to incur a net loss for the 6 months ended 30 September 2024 (“**HY2025**”) compared to a net profit for the 6 months ended 30 September 2023 (“**HY2024**”). The net loss for HY2025 is mainly attributable to the decrease in the Group’s revenue as a result of the challenging economic environment which has affected overall sales.

Traditionally, the Group’s performance in the first half of the financial year (April to September) is weaker than that of the second half of the financial year (October to March).

The Company is in the midst of finalising its unaudited financial results for HY2025. Further details of the Group’s financial performance will be disclosed when the unaudited financial results are released on or before 14 November 2024.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company. When in doubt as to the action they should take, shareholders and potential investors of the Company should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers, or other professional advisers.
