#### 1(a)(ii) Explanatory Notes to Consolidated Statement of Total Return

#### A.1 Revenue and Gross profit

Revenue for 4Q 2017 of S\$134.5 million comprised S\$21.4 million (16% of total revenue) from serviced residences on Master Leases, S\$19.3 million (14%) from serviced residences on management contracts with minimum guaranteed income and S\$93.8 million (70%) from serviced residences on management contracts.

Revenue for 4Q 2017 increased by S\$7.8 million or 6% as compared to 4Q 2016. This was mainly contributed by the additional revenue of S\$11.2 million from the 2017 Acquisitions, partially offset by the decrease in revenue of S\$3.3 million from the Divestments.

The Group achieved a revenue per available unit ("REVPAU") of S\$155 for 4Q 2017, an increase of 5% as compared to 4Q 2016.

Gross profit for 4Q 2017 of S\$61.8 million comprised S\$19.1 million (31% of total gross profit) from serviced residences on Master Leases, S\$8.2 million (13%) from serviced residences on management contracts with minimum guaranteed income and S\$34.5 million (56%) from serviced residences on management contracts.

As compared to 4Q 2016, gross profit increased by S\$3.4 million or 6% due to higher revenue, partially offset by higher property tax and staff costs.

Please refer to Para 8(a) for a more detailed analysis.

#### A.3 Finance income and finance costs

Finance income was higher in 4Q 2017 due to fixed deposit placements with the deposit received for the divestment of Citadines Biyun Shanghai and Citadines Gaoxin Xi'an.

Finance costs was lower in 4Q 2017 due to refinancing of bank loans at lower interest rates and repayment of bank loans with the divestment proceeds.

#### A.4 Other operating income

Other operating income was higher in 4Q 2016 due to reversal of long outstanding security deposits.

#### A.5 <u>Professional fees</u>

Professional fees were higher in 4Q 2017 due to the 2017 Acquisitions.

#### A.6 Foreign exchange (loss) / gain

The foreign exchange loss recognised in 4Q 2017 mainly comprised unrealised exchange loss of S\$3.8 million (mainly arising from EUR denominated shareholders' loans extended to the Group's subsidiaries as a result of the depreciation of EUR against SGD as at balance sheet date).

The foreign exchange gain recognised in 4Q 2016 mainly comprised unrealised exchange gain on USD denominated shareholders' loans and AUD denominated shareholders' loans extended to the Group's subsidiaries as a result of the appreciation of USD and AUD as at balance sheet date, respectively.

#### A.7 Other operating expenses

Other operating expenses were higher in 4Q 2017 mainly due to higher impairment loss on trade and other receivables and one-off costs incurred on the stamp duty assessment for the Perth property.

#### A.8 Net change in fair value of financial derivatives

This mainly relates to the fair value change of foreign currency forward contracts and interest rate swaps.

#### A.9 Net change in fair value of serviced residence properties and assets held for sale

This relates to the surplus on revaluation of serviced residence properties recognised in 4Q 2017. The surplus resulted mainly from higher valuation of the Group's serviced residences in Vietnam, Germany and United Kingdom, partially offset by lower valuation from the serviced residences in Australia and France. The valuations for the serviced residence properties were carried out on 31 December 2017. Please refer to paragraph 8(c) for more details.

#### A.10 Assets written off

In 4Q 2017, this mainly relates to the disposal of assets arising from the reconfiguration and refurbishment of Somerset Ho Chi Minh City and Somerset Grand Hanoi.

### A.11 <u>Income tax expense</u>

#### 1(b)(ii) Explanatory Notes to Statement of Financial Position

#### B.1 <u>Serviced residence properties</u>

The increase in the Group's serviced residence properties as at 31 December 2017 was mainly due to the acquisition of two serviced residence properties in Germany, DoubleTree by Hilton Hotel New York – Times Square South and Ascott Orchard Singapore during the year and increase in valuation on 31 December 2017.

These increases are partially offset by the reclassification of Citadines Biyun Shanghai and Citadines Gaoxin Xi'an from "Serviced residence properties" to "Assets held for sale" under Current Assets (pursuant to the announcement for the divestment of these properties on 3 July 2017), divestment of 18 rental housing properties in Tokyo, Japan on 26 April 2017 and foreign currency translation differences arising from translating the Group's serviced residence properties as a result of the weakening of foreign currencies, particularly AUD, VND and USD against SGD.

#### B.2 Financial derivatives

The financial derivatives relate to the fair value of interest rate swaps (entered into to hedge interest rate risk) and fair value of cross currency swaps (entered into to hedge foreign currency risk).

#### B.3 <u>Trade and other receivables</u>

The decrease in the trade and other receivables as at 31 December 2017 arise as the S\$20.3 million deposit previously paid for Ascott Orchard Singapore was reclassified to "Serviced residence properties" upon completion of the acquisition on 10 October 2017, partially offset by higher prepaid expenses.

#### B.4 Assets held for sale and Liabilities held for sale

The assets and liabilities held for sale as at 31 December 2017 relates to the assets and liabilities of Citadines Biyun Shanghai and Citadines Gaoxin Xi'an which have been reclassified from the respective balance sheet captions to "Assets held for Sale" and "Liabilities held for Sale" (pursuant to the announcement for the divestment of these properties on 3 July 2017).

As at 31 December 2016, the assets held for sale pertain to the five remaining strata units in Fortune Garden Apartments, all of which sale and purchase agreements have been signed. Titles for all the strata units have been transferred as at 30 September 2017.

#### B.5 Cash and cash equivalents

The increase in the Group's cash and cash equivalents as at 31 December 2017 was mainly due to deposits received for the divestment of Citadines Biyun Shanghai and Citadines Gaoxin Xi'an.

#### B.6 Trade and other payables

The increase in the trade and other payables as at 31 December 2017 was mainly due to the deposits received for the divestment of Citadines Biyun Shanghai and Citadines Gaoxin Xi'an.

#### B.7 Deferred tax liabilities

The increase in deferred tax liabilities as at 31 December 2017 was mainly due to the deferred tax liability provided on the fair value appreciation of the assets held for sale.

#### B.8 Interest bearing liabilities

- (1) Prior to 1 January 2016, the Manager's management fees (comprising base fees and performance fees) are issued within 60 days from the end of the quarter. With effect from 1 January 2016, due to a new requirement of the Monetary Authority of Singapore, the Units in connection with the performance fees will be issued once a year, after the end of the financial year.
- The computation of EPU included the net change in fair value of serviced residence properties and assets held for sale, net of tax and non-controlling interests. Excluding these effects, the EPU for 4Q 2017 and 4Q 2016 would be 1.05 cents and 1.71 cents respectively, and the EPU for YTD Dec 2017 and YTD Dec 2016 would be 6.64 cents and 5.96 cents respectively.
- (3) The figures have been restated for the effect of the Rights Issue. The basic EPU for 4Q 2016 and YTD Dec 2016, previously announced, were 1.51 cents and 7.62 cents respectively. The diluted EPU for 4Q 2016 and YTD Dec 2016, previously announced, were 1.50 cents and 7.57 cents respectively.

In computing the DPU, the number of Units as at the end of each period is used for the computation.

<sup>&</sup>lt;sup>1</sup> REVPAU for Japan refers to serviced residences and excludes rental housing.

For the year ended 31 December 2017 ("YTD Dec 2017"), revenue increased by S\$20.7 million or 4% as compared to the corresponding period last year ("YTD Dec 2016"). The increase in revenue was mainly due to additional contribution of S\$26.1 million from the 2016 Acquisition and 2017 Acquisitions and increase in revenue of S\$2.1 million from the existing properties (mainly from Vietnam, Belgium and Philippines). The increase was partially offset by decrease in revenue of \$7.5 million from the Divestments.

REVPAU increased from S\$140 in YTD Dec 2016 to S\$144 in YTD Dec 2017.

Gross profit for YTD Dec 2017 increased by S\$4.5 million as compared to YTD Dec 2016 mainly due to contribution from the 2016 Acquisition and 2017 Acquisitions.

#### (c) Change in value of serviced residence properties and assets held for sale

The change in value of serviced residence properties will affect the net asset value but has no impact on the unitholders' distribution.

Any increase or decrease in value is credited or charged to the Statement of Total Return as net appreciation or depreciation on revaluation of serviced residence properties.

As at 31 December 2017, independent full valuations were carried out by Colliers International (except for Citadines Biyun Shanghai and Citadines Gaoxin Xi'an which were valued at their respective sale consideration). In determining the fair value of the Group's portfolio, the discounted cash flow approach was used. The valuation method used is consistent with that used for the 30 June 2017 valuation.

The Group's portfolio was revalued at \$\$4,908.4 million, resulting in a surplus of \$\$3.8 million which was recognised in the Consolidated Statement of Total Return in 4Q 2017. The surplus resulted mainly from higher valuation of the Group's serviced residences in Vietnam, Germany and United Kingdom, partially offset by lower valuation from the serviced residences in Australia and France. The net impact on the Consolidated Statement of Total Return was \$\$1.6 million (net of tax and non-controlling interests).

#### 9. Variance from forecast

The Group has not disclosed any forecast to the market.

# 10. Commentary of the significant trends and the competitive conditions of the industry in which the Group operates and any known factors or events that may affect the Group in the next reporting period and the next 12 months

On 10 October 2017, Ascott Reit announced the completion of the acquisition of Ascott Orchard Singapore and on 5 January 2018, announced the completion of the divestment of Citadines Biyun Shanghai and Citadines Gaoxin Xi'an. We will continue to look out for accretive opportunities in key gateway cities while identifying opportunities to unlock values to redeploy the capital to higher yielding assets.

International Monetary Fund increased their estimates for 2017 economic growth to 3.7% and 3.9% for 2018. Global consensus by analysts and economists largely agreed that 2017 marked a momentous sign of worldwide economic recovery, with a buoyant uplift in the second half of 2017. The world economy is expected to outperform most predictions and continue to grow in the coming years ahead with the bigger near-term risks to this outlook being largely political fluctuations and disturbances<sup>2</sup>.

Whilst the global economic outlook remains largely positive, there may be potential challenges present in some of the key markets we are operating in. While demand is expected to remain resilient in Japan and Manhattan, U.S., room supply is projected to steadily increase in the near future, potentially exerting a downwards pressure on rates<sup>2</sup>.

We maintain a disciplined and prudent approach on capital management to mitigate potential risks. Approximately 81% of our total borrowings is on fixed interest rates, to hedge against rising interest rates. We have also commenced discussions with banks to refinance the debts that are due in 2018, ahead of their maturity dates. We will continue to monitor the interest rate and exchange rate exposure.

We remain focused and committed on delivering stable and resilient returns to our Unitholders through our depository of diversified and quality assets, together with the extended-stay business model and the properties operating under master leases and management contracts with minimum guaranteed income.
