

## News Release

8 July 2026

### **SGX Stock Exchange welcomes Foundation Healthcare Holdings Limited to Mainboard**

SGX Stock Exchange congratulates Foundation Healthcare Holdings Limited (Foundation Healthcare) on its successful Mainboard listing under the stock code “FHH”.

Established in 2023 with backing from SeaTown Holdings, which is owned by Seviora Group, Temasek’s asset management group, Foundation Healthcare is Singapore’s largest private multi-specialty healthcare platform. It operates a connected, scalable model built on three core verticals: specialists, medical centres, and technology. By integrating its network of 108 medical specialists, 74 clinics, and four medical centres through its proprietary AVA® platform, the Group addresses care fragmentation to streamline claims and improve cost transparency for patients and payors.

Liaw Yit Ming, Executive Director and Chief Executive Officer of Foundation Healthcare, said, “Our successful listing today marks not only a significant milestone in Foundation Healthcare’s growth journey, but also a strong validation of our integrated platform model and growing recognition for a more coordinated private healthcare ecosystem. We are deeply grateful for the support of our cornerstone, institutional and retail investors, as well as the dedication of our team and advisors. As we build on this achievement, we remain committed to expanding our network of specialists and medical centres, enhancing care coordination and accessibility for patients, and extending our integrated model into new geographies, including Hong Kong and Malaysia.”

Pol de Win, Head of Global Sales and Origination, SGX Group, said, “Foundation Healthcare is Singapore’s largest homegrown multi-specialty private healthcare platform listed on SGX. Their successful listing demonstrates that SGX is the trusted venue of choice for innovative, next-generation business models embarking on their next chapter of growth. We are proud to support companies that are reshaping their industries, enhancing customer experiences, and scaling their impact across the region.”

Foundation Healthcare Holdings Limited opened at S\$0.765 today.

## About Foundation Healthcare Holdings Limited

Foundation Healthcare is a leading private specialist healthcare group in Singapore, with a vision to build an integrated healthcare system that is efficient, effective and sustainable. The Company provides specialist medical services through its network of specialists and clinics, complemented by its own medical centres that enable right-sited care delivery for outpatient procedures. Supported by AVA<sup>®</sup>, its proprietary technology platform which functions as an end-to-end digital infrastructure layer, Foundation Healthcare connects specialists, healthcare providers, payors and patients to enhance coordination across the care journey and advance accessibility, affordability and accountability within Singapore's healthcare ecosystem.

## About SGX Group (Singapore Exchange)
