Vin's Holdings Limited Announces Strategic Partnership with Hong Seh Evolution as Authorised Dealer for Seres 3 Electric SUV

Singapore, 19 November 2025 — Vin's Holdings Ltd ("**Vin's**", the "**Company**" and together with its subsidiaries, the "**Group**"), an integrated automotive solutions provider in Singapore, is proud to announce its strategic collaboration with Hong Seh Evolution Pte Ltd ("**Hong Seh Evolution**"), appointing the Group as the authorized dealer and authorized workshop for the Seres 3 Electric SUV in Singapore. This partnership marks a significant milestone in the Group's commitment to advancing sustainable mobility and expanding its footprint in the electric vehicle (EV) sector.

The Seres 3, a fully electric SUV developed by Seres Group, offers a compelling blend of performance, practicality, and affordability. With a 99kW motor and a range of more than 300 km on a single charge, the Seres 3 is designed to meet the needs of modern urban drivers seeking eco-friendly alternatives without compromising on style or functionality.

Hong Seh Evolution, a subsidiary of Hong Seh Motors Pte. Ltd., has been a pioneer in introducing electric mobility solutions in Singapore. As the authorized distributor of Seres, Hong Seh Evolution brings deep expertise and a robust service network to support the rollout of the Seres 3.

“We are excited to partner with Hong Seh Evolution to bring the Seres 3 to Singapore,” said Mr. Galvin Khong, Group Chief Executive Officer and Executive Director of Vin’s. “This collaboration reflects our shared vision for a greener future and reinforces our commitment to innovation and sustainability in the automotive industry.”

The Seres 3 will be available for viewing and test drives at both Vin’s and Hong Seh Evolution’s showrooms, with pre-orders now open. Customers can expect competitive pricing, attractive financing options, and full after-sales support. As an authorized workshop for the Seres 3, Vin’s also provides repair and servicing, giving customers the convenience of a one-stop solution.

This partnership aligns with Vin’s broader strategy to support clean energy initiatives and smart mobility solutions across Southeast Asia. The strategic collaboration is not expected to have any material impact on the Group’s financial results for the current financial year ending 31 December 2025. None of the Company’s directors, controlling shareholders and/or their respective associates have any interest, direct or indirect, in the strategic collaboration.
