# Singlife Group and Fullerton Fund Management Sign Partnership to Elevate Investment Offerings

*Collaboration to deliver compelling, high-quality solutions that empower customers  
on their journey towards financial freedom*

**SINGAPORE, 1 October 2025** – Leading homegrown financial services company **Singlife**, together with its integrated investment platform GROW with Singlife ("GROW"), today announce a preferred partnership with **Fullerton Fund Management** ("Fullerton") to create greater value for customers through innovative financial solutions.

The partnership demonstrates Singlife's commitment to deliver holistic wealth management solutions across insurance and investments, and bridge retirement gaps for Singaporeans. It also aligns with Singlife's broader mission to build financial confidence and resilience and secure a brighter future.

**Helen Shen, Group Head of Products at Singlife**, said: "Insurance and investments are critical pillars of financial planning. As Singapore's population ages, we need to help Singaporeans to prepare to live well as they age. Being financially ready and resilient is key. This partnership with Fullerton strengthens Singlife's unique ability to provide holistic solutions both in insurance and investments. By marrying Fullerton's investment expertise with Singlife's trusted distribution channels, we are creating powerful synergy that allows us to deliver better outcomes for our customers."

Through this collaboration, Singlife will have enhanced access to Fullerton's extensive range of investment products, market expertise, and innovation. It will offer its customers and financial advisers Fullerton solutions across investment-linked insurance plans (ILPs) and its investment platforms GROW and dollarDEX, a direct-to-consumer (D2C) unit trust investment platform. Fullerton will also provide thought leadership, market insights, and engagement opportunities for advisers and customers.

Singlife's channels will bring Fullerton's solutions to a wider audience, enabling Singaporeans more options to build financial resilience. Fullerton will leverage Singlife's established distribution network across business-to-business (B2B) and D2C channels to offer investment opportunities and drive long-term, sustainable business success.

**Jenny Sofian, CEO at Fullerton Fund Management**, said: “The partnership between Singlife and Fullerton builds on a trusted, long-standing relationship to create greater value for our clients and drive sustainable growth. By combining Singlife’s reach with Fullerton’s investment expertise, the collaboration delivers curated, high-quality solutions and expands access to opportunities that empower people on their journey toward financial freedom. It amplifies synergies across product access, distribution, and support – demonstrating the impact we unlock through shared purpose for the markets and communities we serve.”

GROW will play a central role in this partnership, serving as a key wealth platform for Fullerton’s innovative investment solutions. By leveraging Fullerton’s breadth of expertise and product innovation, GROW will expand its suite of differentiated offerings, to meet the evolving needs of Singaporeans.

**Farooq Lone, CEO of GROW with Singlife**, said: “Over the years, our collaboration with Fullerton has delivered high-performing solutions for our advisers and their customers. Fullerton’s proven track record, deep investment expertise, and commitment to innovation make them an ideal partner for Singlife as we continue to expand our suite of differentiated offerings. Through this preferred partnership, we look forward to delivering more progressive and relevant investment solutions to customers.”

In the last three years, GROW with Singlife has worked with Fullerton to deliver a series of product launches, including the Fullerton SGD Cash Fund Class C in 2023, the Fullerton Lux Funds – Global Absolute Alpha Class A (SGD) in 2024, and, most recently, the Fullerton Lux Funds – China Equities Class A (SGD) in August 2025. These solutions have provided Singaporeans with access to high-quality investment opportunities to support evolving financial goals.

Singlife is also exploring how it can tap into Fullerton’s asset management capabilities to deliver better returns for its policyholders.

## About Singlife

[Singlife](#) is a leading homegrown financial services company that offers consumers a better way to financial freedom. We are headquartered in Singapore with a presence in the Philippines.

Singlife meets diverse customer needs by offering a comprehensive suite of insurance products, including life and health, general insurance and investments, employee benefits and financial advisory solutions.

We achieve this through a differentiated, open-architecture distribution model and Singapore's largest network of financial advisers.

A pioneer in the digital insurtech space, we offer digital solutions accessible through the Singlife App and [GROW with Singlife](#), an investment platform.

We are a key player in the employee benefits solutions space and are the exclusive insurance provider for the Ministry of Defence, Ministry of Home Affairs and Public Officers Group Insurance Scheme. We're also one of three government-approved long-term care insurance providers in Singapore.

We take our commitment to achieving Net Zero seriously and are an official signatory of the United Nations Principles for Sustainable Insurance and the United Nations-supported Principles for Responsible Investment.

Singlife was formed from the merger of Aviva Singapore and Singlife, originally an insurtech start up, in January 2022. Singlife is now a wholly owned subsidiary of Sumitomo Life, who acquired Singlife in 2024. We have over S\$16 billion in assets as of 31 December 2024 and are rated "A" and "Baa1" by Fitch and Moody's respectively.

Sumitomo Life was established in 1907 and is one of Japan's largest life insurance companies, with over US\$300 billion in assets as of 31 March 2025.
