KOH BROTHERS ECO ENGINEERING LIMITED
(Unique Entity Number: 197500111H)
(Incorporated in Singapore)

UPDATE ON LEGAL PROCEEDINGS - RECEIPT OF FINAL AWARD FOR SCA ARBITRATION

The Board of Directors (the "**Board**") of Koh Brothers Eco Engineering Limited (the "**Company**", and together with its subsidiaries, collectively the "**Group**"), refers to the Company's announcement dated 18 August 2026 in relation to, *inter alia*, the arbitration proceedings (the "**SCA Arbitration**") commenced by Koh Brothers Building & Civil Engineering Contractor (Pte.) Ltd ("**KBCE**") (a wholly-owned subsidiary of the Company) against its joint venture partner, a construction and engineering company (the "**JV Partner**"), in respect of a construction project.

The Board wishes to announce that the arbitral tribunal has issued its final award in respect of the SCA Arbitration on 24 November 2026 (the "**Award**"). The Award orders, *inter alia*, KBCE to pay the JV Partner a total sum of S$ 24,515,388.69 and USD 4,349,415.97 within 28 days, comprising principal amounts, interest and costs.

The Company is presently evaluating its options together with its legal advisors including whether to apply to set aside the Award, and will update its shareholders if there are any material developments in relation to the above matter, in accordance with the requirements of the listing rules of the Singapore Exchange Securities Trading Limited.

The Award is expected to have a material impact on the Group's net tangible assets and earnings (loss) per share for the financial year ending 31 December 2026. However, taking into account the Group's overall financial position and liquidity, including its net assets position of approximately S$124.7 million and net current assets of approximately S$30.8 million as at 30 June 2026, available financial resources and expected operating cash flows (including the availability of KBCE's share of the monies in the joint venture account), the Board does not expect the outcome of the SCA Arbitration to give rise to a material uncertainty that would cast significant doubt on the Group's ability to continue as a going concern. In addition, the Board has also taken into consideration the availability of KBCE's share of the monies in the joint venture account to be used for offset against the awarded amounts.

Shareholders and potential investors should exercise caution when trading in the shares of the Company. They should consult their stockbrokers, bank managers, solicitors or other professional advisers if they have any doubt about the actions that they should take or when dealing in their shares in the Company.
