(the “Notes”)

Dear Noteholders:

We write in connection with the Notes and refer to our notice dated 27 April 2021 in relation thereto. For the avoidance of doubt, we adopt the abbreviations in our previous notices.

Update on the Sritex Group’s Restructuring Efforts

As stated in our previous notice, on 20 April 2021, the Company and certain of its subsidiaries in Indonesia received the PKPU Petition instituted by a trade creditor against them. The PKPU Petition is based on a disputed debt which the trade creditor alleges is owed to it. The PKPU Petition is materially prejudicial to the Sritex Group as it has the potential of triggering defaults across the Sritex Group’s financial indebtedness.

In light of the PKPU Petition and in an effort to ensure that the PKPU Petition does not derail the Sritex Group’s restructuring efforts, on 21 April 2021, the Company’s subsidiaries in Singapore, Golden Mountain Textile and Trading Pte Ltd took the defensive action of making applications in the Singapore Court for moratorium under section 64 of the Insolvency, Restructuring and Dissolution Act (Act No 40 of 2018, Singapore) in case numbers HC/OS 388/2021 and HC/OS 389/2021 (the “**Singapore Moratorium Applications**”). The Singapore Moratorium Applications are scheduled to be heard by the Singapore Court on 21 May 2021.

The Singapore Moratorium Applications are intended to provide the Sritex Group and its creditors with the space and time to complete the ongoing restructuring discussions in a sensible manner given the PKPU Petition. An automatic moratorium period commences upon the filing of the Singapore Moratorium Applications and ends on either a date that is 30 days after the date on which the Singapore Moratorium Applications are made or the date on which

the Singapore Moratorium Applications are decided by the Singapore Court, whichever is earlier.
