SINGAPORE, 21 September 2016 – Secura Group Limited (新保安集团有限公司) (“Secura” or the “Company” and together with its subsidiaries, the “Group”), one of the leading providers of security products, services and solutions in Singapore, today announced that Soverus Pte Ltd, its wholly-owned subsidiary, has been awarded a S\$7.9 million security services contract (“Singtel Contract”) by Singapore Telecommunications Limited (“Singtel”).

The 2-year Singtel Contract comprises S\$7.2 million for the provision of unarmed security guarding services at certain Singtel premises, and a provisional amount of S\$0.7 million for the provision of additional security services. The contract is effective for the period from 1 October 2016 to 30 September 2018.

Mr. Paul Lim (林春伟), Chief Executive Officer of Secura said, “This contract is a significant win for us as it is one of the largest contracts we have won to date. Beyond that, it is a strong endorsement and recognition of the expertise and the “Soverus” brand that we have built in a relatively short span of five years. With Singtel being one of the largest and most prominent corporate brands in Singapore, we believe this will open up more opportunities with other organisations for our services.”

As at today, the Group’s order book stands at S\$27.9 million, from contracts for security guarding, cyber security, technology and systems integration and security consultancy and services, of which S\$23.1 million is expected to be fulfilled by 31 December 2017 and the remainder by April 2020.
