RESUMPTION OF TRADING**

SUMMARY

The Board is pleased to announce that Star NCLC, a wholly-owned subsidiary of the Company, had on 27 February 2018 (New York time) entered into the Underwriting Agreement with NCLH, the other Selling Shareholders and the Underwriter, pursuant to which Star NCLC agreed, among others, to sell the Genting Disposal Shares to the Underwriter.

MAJOR TRANSACTION

The Disposal will be completed within a 12 month period of the August Disposal and the November Disposal. Accordingly, the Disposal, the August Disposal and the November Disposal will be aggregated for the purpose of calculating the percentage ratios as set out under Rule 14.07 of the Listing Rules.

As one or more of the applicable percentage ratios (as set out and calculated under Rule 14.07 of the Listing Rules) in respect of the Disposal (in aggregate with the August Disposal and the November Disposal) exceeds 25% but are all less than 75%, the Disposal (in aggregate with the August Disposal and the November Disposal) constitutes a major transaction of the Company under Rule 14.06(3) of the Listing Rules and is therefore subject to the reporting, announcement and shareholders' approval requirements under the Listing Rules.

So far as the Company is aware, as at the date of this announcement, no Shareholder has a material interest in the Disposal which would require it to abstain from voting at the SGM if it were convened to approve the Disposal, written Shareholders' approval is accepted in lieu of holding the SGM pursuant to Rule 14.44 of the Listing Rules. Golden Hope as trustee of the GHUT, Joondalup and Tan Sri Lim Kok Thay, who together constitute a closely allied group of Shareholders and interested in an aggregate of 6,372,214,385 Shares, representing approximately 75.12% of the issued share capital of the Company as at the date of the written Shareholders' approval, have given written approval and consent in respect of the Disposal (the "**Written Shareholders' Approval**"). Accordingly, no SGM will be convened for the purpose of approving the Disposal.

Pursuant to Rule 14.41(a) of the Listing Rules, the Company is required to despatch to Shareholders for information purposes a circular containing, among other things, further information on the Disposal within 15 business days after the publication of this announcement. As additional time is required for the Company to prepare the relevant financial and other information to be included in the circular, the Company will apply for a waiver from strict compliance with Rule 14.41(a) of the Listing Rules from the Stock Exchange so that the despatch date of the circular can be postponed to a date more than 15 business days after the publication of this announcement, which is expected to be on or before 27 April 2018.

RESUMPTION OF TRADING

At the request of the Company, trading in the Shares has been halted from 9:00 a.m. on 28 February 2018 pending the release of this announcement. An application has been made by the Company to the Stock Exchange for the resumption of trading in the Shares with effect from 9:00 a.m. on 1 March 2018.

A. THE OFFERING

The Board is pleased to announce that on 27 February 2018 (New York time), Star NCLC, a wholly-owned subsidiary of the Company, entered into the Underwriting Agreement with NCLH, the other Selling Shareholders and the Underwriter, pursuant to which, amongst others, the Selling Shareholders, severally and not jointly, conditionally agreed to sell an aggregate of 19,500,000 NCLH Shares, among which 9,750,000 NCLH Shares are sold by Star NCLC, to the Underwriter.

Underwriting Agreement

The Underwriting Agreement is legally binding and its terms and conditions are described below:

Date: 27 February 2018 (New York time)

The Parties: (1) Selling Shareholders
(2) Underwriter
(3) NCLH

Disposal Shares:	<p>An aggregate of 19,500,000 NCLH Shares to be sold by the Selling Shareholders.</p> <p>In the Offering, Star NCLC is proposing to sell 9,750,000 NCLH Shares representing approximately 4.26% of the total issued and outstanding NCLH Shares.</p>
Principal Conditions Precedent in respect of the Offering:	<ol style="list-style-type: none"> 1. The delivery to the Underwriter of legal opinions and related letters of various counsels for each of the Selling Shareholders, NCLH and the Underwriter; 2. The delivery of certain comfort letters from PricewaterhouseCoopers LLP, being the independent registered public accounting firm, to the Underwriter, covering, among others, various financial disclosures contained in or incorporated by reference in the Registration Statement and any prospectus supplement related to the Offering filed with the SEC by NCLH; 3. The Registration Statement having been filed and become effective under the U.S. Securities Act and no stop order with respect to the effectiveness of such Registration Statement having been issued or proceedings initiated under the U.S. Securities Act; 4. The delivery of certain closing certificates by NCLH and each of the Selling Shareholders to the Underwriter; 5. The Underwriter having received the executed lock-up agreements from the Selling Shareholders in which the Selling Shareholders have undertaken, subject to certain exceptions, not to sell or dispose of, directly or indirectly, any NCLH Shares (other than the Disposal Shares) held by the respective Selling Shareholders for a period of 30 days after the date of the Underwriting Agreement without the Underwriter's written consent; and 6. No objections having been raised by the Financial Industry Regulatory Authority, Inc. of the United States with respect to the underwriting or other arrangements of the transactions contemplated in the Underwriting Agreement. 7. The Share Repurchase will be consummated contemporaneously with the consummation of the Offering.
Completion:	2 March 2018 (New York time)

Consideration

The consideration for the Disposal is determined based on arm's length negotiation among the Selling Shareholders and the Underwriter and through a bidding process with reference to the trading price of the NCLH Shares and market conditions. The total consideration for the Genting Disposal Shares after deduction of the relevant estimated expenses will amount to approximately US\$543.6 million.

Sale Proceeds

The sale proceeds will be payable by the Underwriter in cash to Star NCLC on 2 March 2018 (New York time) in relation to the Genting Disposal Shares. It is intended that the sale proceeds for the Disposal will be used as general working capital and capital expenditure for the Group and/or to fund new investments of the Group should suitable opportunities arise.

Due to the adoption of Hong Kong Financial Reporting Standards 9 "Financial Instruments" (effective from 1 January 2018), the Group has reclassified the investment in NCLH as financial assets at fair value through profit or loss and all the related cumulative fair value gains had been transferred from the available-for-sale investments reserve to retained earnings on 1 January 2018.

A gain in an amount of approximately US\$24.4 million is expected to accrue to the Group as a result of the Disposal representing the difference between the expected net sale proceeds from the Disposal and the carrying value of the Genting Disposal Shares as at 31 December 2017. Taking into consideration of the aforementioned cumulative fair value gains transferred to retained earnings on 1 January 2018, the total gain on Disposal would be US\$128.9 million.

Concurrently with and subject to completion of the Offering, the Share Repurchase will be consummated. Accordingly, upon completion of the Offering and the Share Repurchase, the percentage of the NCLH Shares held by Star NCLC will decrease from approximately 5.64% to approximately 1.41%.

Market Value of the Genting Disposal Shares

Based on the closing price of the NCLH Shares on the New York Stock Exchange on the date of the Underwriting Agreement (being 27 February 2018 (New York Time)), the aggregate market value of the Genting Disposal Shares is approximately US\$548.6 million.

B. REASONS FOR ENTERING INTO THE TRANSACTION

The Board considers the Offering as a good opportunity for the Group to realise profits with cash inflow from partial realisation of its investment in NCLH.

The Directors believe that the terms of the Offering are fair and reasonable, and in the interests of the Company and its Shareholders as a whole.

To the best of the Board's knowledge, information and belief, having made all reasonable enquiries, the counterparties to the Underwriting Agreement and their ultimate beneficial owners are third parties independent of the Company and its connected persons (as defined in the Listing Rules).
