APPLICATION FOR AN EXTENSION OF TIME TO COMPLY WITH RULES 707(1) AND 711A OF THE SINGAPORE EXCHANGE TRADING LIMITED (THE “SGX-ST”) LISTING MANUAL SECTION B: RULES OF CATALIST (THE “CATALIST RULES”)

The board of directors (the “**Board**” or the “**Directors**”) of Metech International Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to inform shareholders of the Company that on 10 October 2023, an application was made to the SGX-ST through its continuing sponsor, Novus Corporate Finance Pte. Ltd., for an extension of time:

- (a) of sixty (60) days to hold the annual general meeting (“**AGM**”) for the financial year ended 30 June 2023 (“**FY2023**”) by 30 December 2023, from the current deadline of 31 October 2023; and
- (b) of forty-five (45) days to issue its FY2023 Sustainability Report (“**SR**”) by 15 December 2023, from the current deadline of 31 October 2023,

to comply with Rules 707(1) and 711A of the Catalist Rules, respectively (collectively, the “**Extension Application**”).

The reasons for the Extension Application are set out below:

1. The Group had undergone significant restructuring and events in FY2023, which included:
 - (a) significant changes in the board members and management team;
 - (b) as announced on 17 January 2023, the termination of the joint venture agreement to establish a joint venture company, Asian Eco Technology Pte. Ltd. (“**AET**”), with X Diamond Capital Pte. Ltd., in relation to the business of manufacturing and distribution of lab-grown diamonds;
 - (c) as announced on 13 March 2023, the legal action commenced by AET against Mr. Deng Yiming (“**Mr. Deng**”) in relation to missing diamond seeds and loose diamonds; and
 - (d) as announced on 21 March 2023, the commencement of legal proceedings by AET against Mr. Deng regarding the sale of machines at an inflated price to AET.

These events required substantial resources of the Company to engage with the various professional parties, which unfortunately, had a detrimental impact on the availability of resources for the preparation of the FY2023 annual report (“**AR**”).

2. Furthermore, the audit for FY2023 is currently being carried out by the Company’s auditors, Moore Stephens LLP, and the auditors are working with the Company to finalise certain audit matters that require additional attention and resolution. These matters relate to (a) the impairment treatment of the Group’s assets; and (b) the going concern assessment of the Group. The Company is working with the auditors to provide the necessary documents, but the completion of the audit will require additional time due to these unresolved matters. As the finalisation of the

FY2023 AR is contingent upon the completion of the audit of the Group's FY2023 financial statements, the Company is therefore requesting for the SGX-ST's approval for an extension of time to convene the AGM.

3. The Company's SR has consistently been included in its AR in previous years, and the Company plans to adhere to the same timeline and work arrangements for preparing the FY2023 SR. The decision is driven by considerations such as:
 - (a) The Company's SR will make references to its AR, to provide shareholders with a comprehensive understanding of the Company's activities during the past financial year; and
 - (b) The FY2023 SR includes references to the corporate governance report contained within the FY2023 AR and the audited financial statements for FY2023. These references will encompass various sections, including but not limited to the corporate governance and economic performance sections of the FY2023 SR.

Therefore, it is essential for shareholders to read the Company's FY2023 SR in conjunction with the AR. Consequently, as additional time is required to finalise the FY2023 AR due to the aforementioned reasons, the Company is also seeking an extension of time to issue its SR for FY2023.

The Company has also on 10 October 2023, submitted an application to the Accounting and Corporate Regulatory Authority for an extension of time to hold its AGM and file its annual return pursuant to Section 175(1)(a) and Section 197(1)(a) of the Companies Act 1967 ("**ACRA Application**") respectively.

The Company confirms that the Extension Application and ACRA Application do not contravene any laws and regulations governing the Company and its Constitution.

The Company will update shareholders on the outcome of the Extension Application and the ACRA Application in due course.
