China Star Food Expands its Sales Channel into Walmart China

- Signed an agreement with a distributor of Walmart China
- Wide range of products is now being sold in 419 stores of Walmart China
- To expand the Group's market share in China and further cement the Group's position as the market leader in the healthy snack food industry

Singapore, 2 February 2017 – China Star Food Group Limited (the "Company" and together with its subsidiaries, the "Group") ("中国之星食品集团有限公司") is pleased to announce that the Group has recently signed an agreement with a distributor to place the Group's products in 419 Walmart stores in China. As such, the Group's products are now available in more than 19 provinces in China.

Walmart, an American multinational retail corporation opened its first hypermarket and Sam's Club (a member warehouse club), in Shenzhen in 1996. It has since operated in China for more than 20 years and has 423 stores covering 168 cities today. Walmart has continuously upheld its commitment to provide highest product quality and service and it only selects the best products to line its shelves.

Five of the Group's bestselling products have been selling in Walmart China since December 2016. The Group has engaged a distributor who specialised in snack food distribution and is familiar with the operational process of Walmart China. With the help of a real-time monitoring system, the distributor will be able to proactively manage the Group's stock-keeping units (SKU) at stores nationwide by assigning promoters to move sales whenever necessary as well as replenishing the products on the shelves in a timely manner.

Mr Liang Chengwang (梁承旺), Executive Chairman and Chief Executive Officer, said: "The Group's first breakthrough into a national hypermarket chain helps to lay a solid foundation
