The Group has adopted the same accounting policies and method of computation in the financial statements for the current reporting period compared with the audited financial statements dated 31 March 2015 for the year ended 31 Dec 2014, except for the re-classification of the material entities of the Group, namely Urban Lofts Pte Ltd, LVND Homes Pte Ltd, Alliance Land Pte Ltd and LVND Holdings Pte Ltd as joint ventures under the Singapore Financial Reporting Standard ("FRS") 111, instead of joint operations. Due to this reclassification, the Group adopted the equity method of accounting for the joint ventures. Please also refer to the Company's announcement dated 21 May 2015.

Group revenue for the 6 months ended 30 Jun 2015 increased by 6% to \$38.45 million as compared to \$36.32 million for the 6 months ended 30 Jun 2014.

This increase is mainly attributable to the Group's supply chain division under Buylateral Group which sells to the USA market, which achieved a sales increase of 30% from \$16.83 million for the 6 months ended 30 Jun 2014 to \$21.95 million for the 6 months ended 30 Jun 2015. On the other hand, within the product supply/furniture retail segment, European imported luxury furniture business recorded lower sales, tracking the slow down in the high end residential market.

The Group's net profit for the 6 months ended 30 Jun 2015 decreased to \$8.47 million as compared to a net profit of \$10.87 million for the 6 months ended 30 Jun 2014. This was mainly due to a fall in net profit from the Group's property investments.

Not applicable.

10. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

The outlook for the Singapore furniture retail market remains difficult in the light of a slowing domestic economy, tighter credit, declining purchasing power and negative sentiments in the property market.

Nevertheless, the Group will continue to look at regional product supply opportunities particularly in Penang, KL and Jakarta. We will continue to fine-tune our digital marketing strategies to complement our branding efforts and showroom presence in order to reach out to new customers and markets.

The property development business in Singapore continues to be challenging and opportunities remain limited. The Group will continue to seek and explore opportunities in property development locally and overseas.

The Group's USA distribution and supply chain company, Buylateral Group Pte Ltd, has performed positively in the 6 months ended 30 Jun 2015. The Group is positive about the growth in the USA market and expects Buylateral to continue to grow its sales and expand its customer base in the USA market.

Against a backdrop of volatile global stock markets, rising interest rates and fragile investor and customer sentiments, the Group remains cautious about its prospects moving forward.
