Ms Pan concluded by thanking the Board, the shareholders, and the management team for their ongoing contributions.

The Chairman highlighted the current global challenges, including the China-US tensions, the Russia-Ukraine conflict, and the downturn in the Chinese property market. However, he believes that the Chinese government would take effective measures. The Chairman then introduced the business of the Group, emphasising that the Company operates in essential sectors that serve fundamental industrial needs and that the Company’s business would not be easily displaced due to the Company’s technology and commitment to environmental protection. The Chairman expressed optimism on the future of the Company and encouraged shareholders to remain confident in the Company’s direction and potential.

The Scrutineer’s Certificate which sets out the results of the poll was presented to the Chairman. The results of the poll (attached and marked “**A**” for the purpose of these minutes) were projected on the screen to the shareholders. Based on the results of the poll, the Chairman declared that the resolution was carried as there were more votes “For” than “Against” the resolution.
