PROFIT GUIDANCE FOR THE YEAR ENDED 31 MARCH 2023

The Board of Directors (“**Board**”) of Pan Hong Holdings Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that based on a preliminary review of the Group’s unaudited financial results for the year ended 31 March 2023 (“**FY2023**”), the Group is expected to report a lower revenue and a loss after tax for FY2023 compared to the financial year ended 31 March 2022 (“**FY2022**”).

The lower revenue is due to fewer transfer of control of property units of Pan Hong Run He (汎港潤合) in FY2023 compared to more transfer of control of property units of Pan Hong Run He in FY2022. As the Group is primarily engaged in property development business, revenue recognition is dependent on the launch of new projects and transfer of control of sold properties. Consequently, revenue and profit for the Group looking across periods will appear irregular.

Further details of the Group’s performance will be set out in the Company’s unaudited financial results for FY2023 to be released on or before 30 May 2023.

In the meantime, the Board wishes to advise shareholders of the Company and investors to exercise caution when dealing in the shares of the Company.
