HOLDING ANNOUNCEMENT AND EXTENSION OF TRADING HALT

The Company wishes to inform shareholders that it is in the midst of finalising a proposal from its controlling shareholder, Mr Phua Chian Kin, which may lead to the delisting and privatisation of the Company.

The proposal is currently awaiting the finalisation and execution of definitive documentation, and if materialised, is expected to be announced end of this week.

The Company had halted trading in its shares on Monday, 27 March 2017, in connection with the proposal, and has sought an extension of the trading halt by an additional 2 market days to Friday, 31 March 2017, from the Singapore Exchange Securities Trading Limited ("SGX-ST"), so that announcement of full details of the proposal (if materialised) may be made by end of this week and trading in the shares resume on the commencement of market on Monday, 3 April 2017. The dissemination of the full details of the proposal (if materialised) will facilitate orderly trading of the Company's shares on an informed basis amongst investors.

The SGX-ST has kindly approved the extension of trading halt at the Company's request.

The directors of the Company (including those who have delegated detailed supervision of the preparation of this announcement) have taken all reasonable care to ensure that the facts stated in this announcement are fair and accurate and that no material facts have been omitted from this announcement, and they jointly and severally accept responsibility accordingly.
