**Successful certification as a B Corporation™**

---

The Board of Directors (the “**Board**” or “**Directors**”) of Olive Tree Estates Limited (“**OTE**” or the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the Company has been certified as a B Corporation™ (“**B Corp**”), further expressing the Company’s mission and commitment to operate and organize its business as a force for good, delivering quality affordable housing to the underserved in emerging markets as the cornerstone of a holistic social impact solution to improve lives and transform communities.

The B Corp verification process administered by the non-profit, B Lab, measures a company’s social and environmental performance. To become a Certified B Corp, companies undergo a rigorous review of the impact of their operations and business model on their workers, customers, communities and environment, and must meet a minimum verified score on the B Impact Assessment.

OTE’s journey towards B Corp certification started more than 3 years ago.

Today, OTE joins a network 6,900 Certified B Corps in 90 countries and 161 industries worldwide and is the first company listed on the SGX-ST to have successfully secured B Corp certification.

**About B Lab**

B Lab is transforming the global economy to benefit all people and the planet. Across the globe, B Lab’s international network creates standards, policies, tools, and programmes that shift the behaviour, culture, and structure of capitalism. B Lab Singapore is building the B Corp movement here in Singapore. B Lab certifies companies that are leading the way in addressing society’s most critical challenges. Once certified, these companies are granted certified B Corporations status. B Corps are companies verified by B Lab to meet rigorous standards of social and environmental performance, transparency, and accountability.
