If, for unforeseen reasons, payments are required to be made to the Directors in excess of the amount proposed, the Company will revert to shareholders for approval at the next Annual General Meeting in the year 2017 before any such payments are made.

The 5 percent sub-limit for non-*pro rata* issues is lower than the 20 percent sub-limit allowed under the Listing Manual of the SGX-ST and the Constitution of the Company. For the purpose of determining the aggregate number of Shares which may be issued, the percentage of issued Shares shall be based on the total number of issued Shares (excluding treasury shares) at the time this Ordinary Resolution is passed, after adjusting for (a) new Shares arising from the conversion or exercise of any convertible instruments or share options or vesting of share awards which are outstanding at the time this Ordinary Resolution is passed and (b) any subsequent bonus issue, consolidation or subdivision of Shares.
- Ordinary Resolution No. 10 is to empower the Directors to grant awards pursuant to the Performance Share Plan and/or Restricted Share Plan and to allot and issue Shares pursuant to the Share Option Plan, Performance Share Plan and Restricted Share Plan, provided that:
  - the aggregate number of new Shares which may be issued under the Share Option Plan, Performance Share Plan and Restricted Share Plan is limited to 15 percent of the total number of issued Shares (excluding treasury shares) from time to time; and
  - the aggregate number of Shares under awards which may be granted pursuant to the Performance Share Plan and/or the Restricted Share Plan from this Annual General Meeting to the next Annual General Meeting shall not exceed 1 percent of the total number of issued Shares (excluding treasury shares) from time to time.

The Performance Share Plan and Restricted Share Plan were adopted at an Extraordinary General Meeting of the Company held on 19 July 2005 for an initial duration of 10 years and subsequently at the Annual General Meeting held on 23 July 2014, were extended for a further period of 10 years up to 18 July 2025.

- Ordinary Resolution No. 11 is to renew the mandate to allow the Company, its subsidiaries and associated companies that are entities at risk (as the term is used in Chapter 9 of the Listing Manual of the SGX-ST) or any of them, to enter into certain interested person transactions with certain classes of interested persons as described in the Letter to Shareholders. The authority will, unless revoked or varied by the Company in general meeting, continue in force until the conclusion of the next Annual General Meeting of the Company. Please refer to the Letter to Shareholders for more details.

- Ordinary Resolution No. 12 is to renew the mandate to allow the Company to purchase or otherwise acquire Shares, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use its internal sources of funds, external borrowings or a combination of internal resources and external borrowings, to finance the purchases or acquisitions of its Shares. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company’s financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired, the price at which such Shares were purchased or acquired and whether the Shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued Shares as at 24 May 2016 (the “**Latest Practicable Date**”), the purchase by the Company of 2 percent of its issued Shares (excluding Shares which are held as treasury Shares) will result in the purchase or acquisition of a maximum number of 22,189,358 Shares.

In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires the maximum number of 22,189,358 Shares at the Maximum Price of S\$4.59 for one Share (being the price equivalent to 5 percent above the average closing prices of the Shares for the five consecutive market days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 22,189,358 Shares is approximately S\$101,849,153.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Company and the Company and its subsidiaries for the financial year ended 31 March 2016, based on certain assumptions, are set out in paragraph 3.7.4 of the Letter to Shareholders.

Please refer to the Letter to Shareholders for more details.

- Special Resolution No. 13 is to adopt a new Constitution following the wide-ranging changes to the Companies Act, Chapter 50 of Singapore (the “**Companies Act**”) introduced pursuant to the Companies (Amendment) Act 2014 (the “**Amendment Act**”). The new Constitution will consist of the memorandum and articles of association of the Company which were in force immediately before 3 January 2016, and incorporate amendments to (*inter alia*) take into account the changes to the Companies Act introduced pursuant to the Amendment Act. Please refer to the Letter to Shareholders for more details.
