

ANNOUNCEMENT & NEWS RELEASE

NTEGRATOR AWARDED S\$25.6 MILLION CONTRACT FOR THE SUPPLY OF SERVICES TO THE NEXT GEN NBN FIBRE NETWORK

- ***Scope of work includes the supply of services for the installation, operation and maintenance of the Next Generation Nationwide Broadband Fibre Network (“Next Gen NBN”) in Singapore***
- ***Three-year service contract slated for completion by March 2018***
- ***Latest contract brings value of Ntegrator’s contract wins in the year-to-date to approximately S\$50.8 million***

Singapore, April 7, 2015 – Ntegrator International Ltd (“Ntegrator” or “the Group”), a leading regional communications network specialist and systems integrator, today announced that it has been awarded a S\$25.6 million contract from a local provider of fibre infrastructure.

This contract is for a period of three years from March 30, 2015 to March 29, 2018, and involves the supply of services for the installation, operation and maintenance of the Next Gen NBN in Singapore.

Mr. Jimmy Chang, Managing Director of Ntegrator, commented, “We are delighted to secure yet another contract for the supply of services to the Next Gen NBN and contribute to Singapore’s transformation into an Intelligent Nation. More importantly, this is an affirmation of our strengths and competencies and we will continue to focus on growing our core business segments of Project Sales and Project Management and Maintenance Services.”

The contract is expected to contribute positively to the Group's financial performance over the next three fiscal years 2015 to 2018, subject to timely completion of the project and effective cost management.

Including the latest contract, the Group has won a total of eight contracts in the year-to-date, including customers from Myanmar, Singapore and Vietnam. This brings the cumulative value of the Group's order wins in 2015 to approximately S\$50.8 million.

About Ntegrator International Ltd

Established in April 2002 and listed on Catalist (formerly known as SESDAQ) three years later, on October 26, 2005, Ntegrator's core businesses include the design, installation and implementation of data, video, fibre optics, wireless and cellular network infrastructure as well as voice communication systems. The Group provides project management services as well as maintenance and support services.

Headquartered in Singapore, Ntegrator has operations in the region, covering Singapore, Vietnam, Myanmar and Thailand.
