**PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023**

---

The Board of Directors (the “**Board**”) of Edition Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to announce that following a review of the Group’s preliminary unaudited consolidated financial results for the financial year ended 31 December 2023 (“**FY2023**”), the Group expects to report a significant net loss for FY2023.

The significant loss is mainly attributable to an expected impairment charge on a subsidiary’s property, plant and equipment. The expected impairment is the result of an impairment assessment on the recoverable amount of its property, plant and equipment. The assessment has taken into consideration the past performance, expectations of market conditions in Singapore and the industry trends for agriculture.

The Group is in the process of finalising its unaudited consolidated financial results for FY2023. The Group will provide further details of the impairment assessment and the Group’s financial performance when the unaudited financial results are announced on or around 28 February 2024.

In the meantime, the Board wishes to advise shareholders of the Company and investors to exercise caution when dealing in the shares of the Company. When in doubt as to the action they should take, shareholders and investors should consult their stockbrokers, bank managers, solicitors or other professional advisers.
