Dear Sir/Madam

## ADDENDUM RELATING TO PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

### 1. INTRODUCTION

We refer to (a) the Notice of the AGM dated 3 April 2017, accompanying the Annual Report 2016, and (b) Ordinary Resolution No. 10 under the heading "As Special Business" set out in the Notice of the AGM.

The Directors are proposing to renew the Shareholders' Mandate.

The purpose of this Addendum is to provide Shareholders with information relating to the proposed renewal of the Shareholders' Mandate.

### 2. THE PROPOSED RENEWAL OF THE SHAREHOLDERS' MANDATE

- 2.1. At the Extraordinary General Meeting held on 27 October 2006, approval of the Shareholders was obtained for the adoption of a Shareholders' Mandate to enable the Company and its subsidiaries and associated companies or any of them to enter into transactions falling within the types of Interested Person Transactions set out in paragraph 5 of the Company's Circular to Shareholders dated 11 October 2006, with any party who is of the class or classes of Interested Persons described in paragraph 4 of the said Circular, provided that such transactions are made on normal commercial terms in accordance with the guidelines and review procedures for Interested Person Transactions as set out in paragraph 7 of the said Circular.

Shareholders had approved the renewal of the Shareholders' Mandate at the last AGM held on 29 April 2016.

The approval was expressed to take effect until the conclusion of the next AGM, which is scheduled to be held on 20 April 2017 ("**2017 AGM**").

Accordingly, the Directors are proposing that the Shareholders' Mandate be renewed at the 2017 AGM, to take effect until the next AGM to be held in the year 2018.

The particulars of the Interested Person Transactions in respect of which the Shareholders' Mandate is sought, remained unchanged.

A register will be maintained by the Company to record all Interested Person Transactions and the basis, including the quotations obtained to support such basis, on which they are entered into pursuant to the Shareholders' Mandate. The annual audit plan of the Company shall incorporate a review of all Interested Person Transactions entered into pursuant to the Shareholders' Mandate.

- 2.2. Chapter 9 of the Listing Manual governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies, that are considered to be at risk with the listed company's interested persons. When Chapter 9 of the Listing Manual applies to a transaction and the value of that transaction alone or in aggregation with other transactions conducted with the same interested persons during the same financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or make an immediate announcement and seek its shareholders' approval for that transaction.

Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested persons and hence are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and shareholders' approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transactions as compared with the listed company's latest audited consolidated NTA) are reached or exceeded. In particular, shareholders' approval is required for an interested person transaction of a value equal to, or which exceeds:-

- (a) 5% of the listed group's latest audited consolidated NTA; or
- (b) 5% of the listed group's latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.

Based on the latest audited consolidated accounts of the Group for the financial year ended 31 December 2016, the audited consolidated NTA of the Group as at 31 December 2016 was approximately S\$108.62 million. Accordingly, 5% of the latest consolidated NTA of the Group as at 31 December 2016 would be approximately S\$5.43 million.

Chapter 9 of the Listing Manual permits a listed company to seek a mandate from its shareholders for recurrent transactions with interested persons of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not in respect of the purchase or sale of assets, undertakings or businesses) that may be carried out with the listed company's interested persons.

Under the Listing Manual:-

- (a) an "**entity at risk**" means:-
  - (i) the listed company;
  - (ii) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
  - (iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the "**listed group**"), or the listed group and its interested person(s), has control over the associated company;
- (b) an "**interested person**" means a director, chief executive officer or controlling shareholder of the listed company or an associate of such director, chief executive officer or controlling shareholder;

- (c) an “**associate**”:-
- (i) in relation to any director, chief executive officer, substantial shareholder or controlling shareholder (being an individual) means:-
    - (I) his immediate family (that is, the spouse, child, adopted-child, step-child, sibling or parent);
    - (II) the trustees of any trust of which he or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and
    - (III) any company in which he and his immediate family together (directly or indirectly) have an interest of 30% or more; and
  - (ii) in relation to a substantial shareholder or controlling shareholder (being a company) includes any other company which is its subsidiary or holding company or is a subsidiary of such holding company or one in the equity of which it and/or such other company or companies taken together (directly or indirectly) have an interest of 30% or more;
- (d) an “**approved exchange**” means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9 of the Listing Manual;
- (e) the term “**control**” means the capacity to dominate decision-making, directly or indirectly, in relation to the financial and operating policies of a company;
- (f) the term “**controlling shareholder**” means a person who:-
- (i) holds directly or indirectly 15% or more of the total number of issued shares excluding treasury shares in the company (unless the SGX-ST has determined such a person not to be a controlling shareholder of the company); or
  - (ii) in fact exercises control over a company; and
- (g) an “**interested person transaction**” means a transaction between an entity at risk and an interested person.

It is envisaged that in the ordinary course of their businesses, transactions between companies in the EAR Group and the Interested Persons are likely to occur from time to time. Such transactions would include the provision of goods and services in the ordinary course of business of the EAR Group.

In view of the time-sensitive nature of commercial transactions, the obtaining of the Shareholders’ Mandate pursuant to Chapter 9 of the Listing Manual will enable the EAR Group to, in the ordinary course of its business, enter into the Interested Person Transactions with the Interested Persons, provided such Interested Person Transactions are entered into on an arm’s length basis and on normal commercial terms, and are not prejudicial to the interest of the Company and its minority Shareholders.

### 3. SCOPE OF THE SHAREHOLDERS’ MANDATE

#### 3.1. Classes of Interested Persons

The Shareholders’ Mandate will apply to the Interested Person Transactions (as described in paragraph 3.2 of this Addendum), which are carried out with the Depa Group.

### 3.2. Categories of Interested Person Transactions

The Interested Person Transactions, which will be covered by the Shareholders' Mandate, relates to:-

- (a) Transactions where the EAR Group provides to Interested Persons, products and services in the ordinary course of business of the EAR Group comprising:-
  - (i) the manufacture, supply and installation of paneling products such as kitchen cabinets, wardrobes, doors, door frames and vanity cabinets and the provision of joinery and carpentry services and products;
  - (ii) the supply and installation of a range of furniture products; and
  - (iii) the provision of interior fitting-out services and products to residential, commercial, hospitality and retail projects including new properties and the re-furbishing/retrofitting of existing properties; and
- (b) Transactions where the EAR Group procures from Interested Persons, products and services in the ordinary course of business of the EAR Group comprising:-
  - (i) the supply and installation of furniture products and building related materials as well as other ancillary products and services for the EAR Group's projects; and
  - (ii) the provision of ancillary services such as the secondment of skilled technical professionals (such as quantity surveyors and draftsmen) and general workers by Interested Persons to the EAR Group for the EAR Group's projects.

Transactions of the nature set out in paragraphs 3.2(a) and 3.2(b) will only be carried out with the Depa Group.

Transactions with the Interested Persons which do not fall within the ambit of the Shareholders' Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual and/or other applicable provisions of the Listing Manual.

The Shareholders' Mandate will not cover any transaction by a company in the EAR Group with Interested Persons that is below S\$100,000 in value as the threshold and aggregation requirements of Chapter 9 of the Listing Manual would not apply to such transactions.

### 3.3. Rationale for and Benefits of the Shareholders' Mandate

The Shareholders' Mandate is intended to facilitate transactions in the ordinary course of business of the EAR Group as described in paragraph 3.2 of this Addendum which are transacted from time to time with Interested Persons, provided that they are carried out at arm's length and on normal commercial (or, in the absence of other similar comparable transactions, commercially reasonable) terms and are not prejudicial to the interests of the Company and its minority Shareholders.

The Shareholders' Mandate will eliminate the need for the Company to announce and convene separate general meetings of Shareholders on each occasion to seek Shareholders' approval and/or issue immediate announcements as and when potential transactions with such Interested Persons arise.

The Shareholders' Mandate would therefore enable the EAR Group to maximise its business opportunities with Interested Persons in respect of the transactions covered by the Shareholders' Mandate, as described in paragraph 3.2 of this Addendum.

In addition, the EAR Group would be able to reduce the administrative time, inconvenience and expenses associated with the convening of general meetings of Shareholders, and allow resources and the management's time to be channelled towards its other corporate objectives.

#### 4. REVIEW PROCEDURES FOR INTERESTED PERSON TRANSACTIONS

To ensure that the Interested Person Transactions are conducted at arm's length and on normal commercial terms consistent with the EAR Group's usual business practices, as a general rule, the EAR Group will only enter into transactions with an Interested Person if the terms offered by/extended to the Interested Person are no less/more favourable than that offered by/extended to unrelated third parties.

4.1. The following review procedures will be implemented to ensure that all Interested Person Transactions are undertaken on an arm's length basis and on normal commercial terms:-

(a) All contracts entered into or transactions with Interested Persons will be carried out at the prevailing market rates or prices of the service or product providers, on terms which are no more favourable to the Interested Persons than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates/prices/discounts accorded to corporate customers or for bulk purchases).

(b) In the case of the provision of services or sale of products to an Interested Person, where the prevailing market rates or prices are not available due to the nature of service to be provided or the product to be sold, the EAR Group's pricing for such services to be provided or products to be sold to the Interested Person will be determined by two (2) Executive Directors<sup>(1)</sup> of the Company or one (1) Executive Director of the Company and the Chief Financial Officer of the Company, in accordance with the EAR Group's usual business practices and pricing policies, consistent with the usual margin to be obtained by the EAR Group for the same or substantially similar type of contract or transaction with unrelated third parties. In determining the transaction price payable by Interested Persons for such services or products, factors such as, but not limited to, prevailing market conditions, economic and political environment, competition, quantity, volume, consumption, customer requirements, specifications, duration of contract and strategic purposes of the transaction will be taken into account.

(c) In the case of the procurement of services or purchase of products from an Interested Person, the EAR Group will obtain as bases for comparison, at least two other comparative quotations from unrelated third party suppliers for similar or substantially similar services or products. Given the frequency and large volume of the transactions, these comparative quotations will generally be obtained on a periodical basis and not for each transaction. The price and terms offered by the Interested Person as a whole shall not be less favourable than those offered by unrelated third parties. In a case where it is impractical or not possible to obtain comparable quotes from unrelated third parties, the Executive Directors<sup>(1)</sup> of the Company or the Executive Director and Chief Financial Officer of the Company will review the price and terms offered, to ensure that they are fair and reasonable, and beneficial to the EAR Group, taking into account industry norms, and whether the transactions would result in cost savings, increased profit margins or other advantages to the EAR Group.

4.2. Interested Person Transactions entered into by the EAR Group and the basis on which they are entered into shall be recorded in a register. The register shall be reviewed on a quarterly basis by the Audit Committee to ensure that they are carried out at arm's length and on normal commercial terms, in accordance with the procedures outlined above. All relevant non-quantitative factors such as the size of the project, prevailing market conditions, competition, economic and political environment and the range of services provided for each project will also be documented and taken into account.

4.3. The annual audit by the auditors of the Company shall incorporate a review (of a scope deemed appropriate by the auditors) of Interested Person Transactions entered into pursuant to the Shareholders' Mandate recorded in the register. Audit Committee has also appointed an internal auditor and review of Interested Person Transactions is also part of their scope.

- 4.4. If during the quarterly reviews, the Audit Committee believes that the guidelines and procedures as stated above are inappropriate or insufficient to ensure that the interests of minority Shareholders are not prejudiced, the Company will revert to Shareholders for a fresh mandate based on new guidelines and procedures to ensure that the Interested Person Transactions will be on an arm's length basis and on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.
- 4.5. The Board will also ensure that all disclosure, approval and other requirements on Interested Person Transactions, including those required by prevailing legislation, the Listing Manual and accounting standards, are complied with.
- 4.6. In the event that a member of the Board or a member of the Audit Committee (where applicable) is interested in any Interested Person Transaction, he/she will abstain from reviewing that particular transaction to ensure that the Interested Person Transaction will be on an arm's length basis and on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.
- 4.7. In particular, Mr Hamish Gordon Tyrwhitt<sup>(2)</sup> and Mr Roderick David Maciver<sup>(3)</sup> will abstain from the review and approval of transactions to be entered into with the Depa Group.

**Notes:-**

- <sup>(1)</sup> In the event that any Executive Director or the Chief Financial Officer of the Company becomes for any reason, interested in any Interested Person Transaction, he/she will abstain from determining the EAR Group's pricing for such transaction to ensure that the Interested Person Transaction will be on an arm's length basis and on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.
- <sup>(2)</sup> Mr Hamish Gordon Tyrwhitt is a Non-Executive Director of the Company, the Group Chief Executive Officer of Depa Limited (the ultimate Controlling Shareholder of the Company), and a nominee of Depa Interiors LLC (the direct Controlling Shareholder of the Company).
- <sup>(3)</sup> Mr Roderick David Maciver is a Non-Executive Director of the Company, the Independent Non-Executive Vice Chairman of the Board of Depa Limited (the ultimate Controlling Shareholder of the Company), and a nominee of Depa Interiors LLC (the direct Controlling Shareholder of the Company).

## **5. VALIDITY PERIOD OF THE SHAREHOLDERS' MANDATE**

If approved by Shareholders at the 2017 AGM, the Shareholders' Mandate will take effect from the date of receipt of Shareholders' approval, and will (unless revoked or varied by the Company in general meeting) continue in force until the next AGM and will apply to Interested Person Transactions which are entered into from the date of receipt of Shareholders' approval. Approval from Shareholders will be sought for the renewal of the Shareholders' Mandate at each subsequent AGM, subject to satisfactory review by the Audit Committee of its continued application to the Interested Person Transactions.

## **6. DISCLOSURE TO SHAREHOLDERS**

The Company will announce the aggregate value of transactions conducted with Interested Persons pursuant to the Shareholders' Mandate for each financial period on which the Company is required to report on pursuant to the Listing Manual and within the time required for the announcement of such reports in accordance with Rule 920(1)(a)(ii) of the Listing Manual.

Disclosure will also be made in the annual report of the Company of the aggregate value of Interested Person Transactions conducted pursuant to the Shareholders' Mandate during the current financial year, and in the annual reports for the subsequent financial years during which the Shareholders' Mandate is in force in accordance with Rule 920(1)(a)(i) of the Listing Manual. The name of the Interested Person and the corresponding aggregate value of the Interested Person Transactions entered into with the same Interested Person will be presented in the following format:-

Name of Interested Person	Aggregate value of all Interested Person Transactions during the financial year under review (excluding transactions less than S\$100,000 and transactions conducted under Shareholders' Mandate pursuant to Rule 920 of the Listing Manual)	Aggregate value of all Interested Person Transactions, conducted under the Shareholders' Mandate pursuant to Rule 920 of the Listing Manual (excluding transactions less than S\$100,000)
