Resignation of Zeev Bronfeld as Non-Executive Director

Misgav, Israel and Singapore, 16 October 2023 – The Trendlines Group Ltd. (the "**Company**" and together with its subsidiaries, **"Trendlines"** or the "**Group**"), the Israel- and Singapore-based investment company announces the resignation of Zeev Bronfeld, our Non-Executive Director.

Zeev's resignation is due to personal reasons which include the fact that he has served as a director of the Company since its formation in 2007 and believes that after so many years and upon reaching the age of 72, the time has come to end his duties in the Company. In recent years Zeev has ceased to serve as a director in all other public companies in which he held office and is primarily interested in spending more time with his family.

His resignation as a director of the Company and from the Company's subsidiary boards (i.e., Trendlines Investments Israel Ltd and Trendlines Medical Singapore Ltd) as well as from membership of investment committees of the Company/group, shall be effective immediately.

Chairs and CEOs Todd Dollinger and Steve Rhodes commented," We wish to express our immense gratitude to Zeev who joined Trendlines from the beginning and has served the board and the Company faithfully and with great commitment through the years. Both Trendlines and our portfolio companies benefitted from his extensive experience and business acumen. On behalf of all of the Trendlines Group, we are glad of the time he can now spend in his continuing role as husband, father, and grandfather."

Save for the cessation of Mr Zeev Bronfeld from the Board, there are no other changes to the composition of the Board and its Committees.
