(1) Background

The Issuer provides the following services:

- Logistics Services Business, comprising the provision of integrated logistics solutions for customers worldwide, including freight forwarding, chemical logistics solutions for the petrochemical industry, warehousing property management and logistics services and document storage and management services;
- Financial Services Business, comprising the business of fund management, financial leasing services and asset and trust management services; and
- Real Estate Business, comprising the business of property management, property development and property investment.

On 3 July 2017, the Issuer issued and paid-up ordinary shares in the capital of BIH, a China-based producer of thermal coal predominantly sold for industrial power generation to power plant customers in Shanghai. BIH owns four underground thermal coal mines, strategically located near the Yangtze River, and operates through its controlled entities wholly-owned by Blackgold Holdings Hong Kong Limited, an investment holding company. BIH is also engaged in the commodity logistics and coal trading business. In respect of the commodity logistics business, the Blackgold Group operates its barges along the Yangtze River and generates revenue from the transport of material such as stones, ore, cement, coal and other minerals. The coal trading business specialises in the purchase and resale of coal, where coal is primarily purchased from third party suppliers.

The Irregularities

Following the Group's acquisition of the Blackgold Group, the auditors of BIH were changed to KPMG Huazhen (Chengdu) on 11 May 2018, in order to streamline the audit process of the Group as the Group's auditors are KPMG LLP (the "Auditors"). The Auditors worked with KPMG Huazhen to ensure that the audit procedures on the consolidated financial statements of BIH would be satisfactorily completed and the relevant disclosures would be in compliance with Singapore Financial Reporting Standards, resulting in the audit of such financial statements not being concluded before the deadline to release the Issuer's full year consolidated financial statements. In addition, more time was also required to complete the purchase price allocation for the acquisition of the Blackgold Group and to properly account for the fair values of the net identifiable assets and liabilities of the Blackgold Group. Therefore, on 27 June 2018, the Issuer requested for an extension of time to release the Issuer's consolidated financial statements for FY2018 until 29 July 2018.

Subsequently, the Auditors were unable to complete their audit of the Group's financial statements for FY2018, principally because, during the audit of certain PRC subsidiaries of BIH, namely Chongqing Hejin Industrial Co., Ltd ("Chongqing Hejin"), Chongqing Caotang Coal Mine Resources Development Co., Ltd ("Chongqing Caotang"), and Chongqing Guoping Helwan Coal Mine Resources Development Co., Ltd ("Chongqing Guoping Helwan") and, collectively, the "Affected BIH Subsidiaries", the Auditors identified certain irregularities and discrepancies in respect of coal mining and coal trading records received, an addition, the Auditors recommended to the Issuer's audit committee that the Auditors carry out additional procedures on BIH's balance sheet as at the date of its acquisition to ascertain the existence, accuracy and completeness of the assets and liabilities acquired. The board of directors of the Issuer authorised the audit committee to appoint a special auditor (the "Special Auditor") to carry out a fact finding investigation into such irregularities as well as the assets and accounting records of all of the BIH subsidiaries (the "Special Audit").

Under the Trust Deed, the Issuer is required: (i) within 150 days after 30 April 2018 (which is 27 September 2018) to send a copy of its annual report and audited accounts (both consolidated and unconsolidated) as at the end of and for that financial year, and (ii) within 45 days (or such longer period as the SGX-ST may allow the Issuer for the announcement of such financial statements) after 31 July 2018 (which is 14 September 2018) to send to the Trustee a copy of its unaudited quarterly accounts as at the end of and for the financial quarter ended 31 July 2018.

On 25 July 2018, the Issuer announced that it had made additional applications to the SGX-ST for extensions of time to release its unaudited financial statements for FY2018 from 29 June 2018 to 31 October 2018, to hold its annual general meeting from 29 August 2018 to 31 December 2018 and release its unaudited financial statements for 1Q2019 from 14 September 2018 to 14 November 2018. In light of these additional applications, on 7 September 2018, the Issuer also announced that it had applied for, and received, approval from the Accounting and Corporate Regulatory Authority of Singapore ("ACRA") for an extension of time to lay its financial statements for FY2018 at an AGM to be held no later than 30 October 2018.

The SGX-ST has not approved of the additional applications, including the extension of time for the Issuer to release its unaudited financial statements for 1Q2019 from 14 September 2018 to 14 November 2018. The Issuer did not send a copy of its 1Q2019 financial statements to the Trustee by 14 September 2018, as required by Clause 16.5(iii) of the Trust Deed because the Issuer is of the view that it is prudent that the 1Q2019 financial statements be released only after the audit of the financial statements of the Issuer for the financial year ended 30 April 2018 is finalized and issued.

Under the Trust Deed, a Potential Event of Default is an event which by the giving of notice and/or lapse of time and/or the issuing of a certificate and/or the fulfillment of any other requirement or condition is likely to become an Event of Default.

On 10 August 2018, the Issuer was informed that certain accounting records ("Records") of Chongqing Hejin were being transported by a motor vehicle when the vehicle caught fire near the coal mine operated by Chongqing Caotang. This incident was reported to the local police as a suspected deliberate act to destroy the Records (the "Fire Incident"). Following the Fire Incident, the Issuer managed to secure computers found in the offices of the PRC subsidiaries of BIH, together with the accounting records for the months of May, June and July 2018 in respect of certain PRC subsidiaries of BIH.

The Issuer finalized the terms of reference of the Special Audit with the SGX-ST and announced on 21 August 2018 that it would be appointing Ernst & Young Advisory Pte Ltd as the Special Auditor. Prior to any findings arising from the Special Audit, the Issuer's board of directors is not in a position to definitively quantify the financial effects of the irregularities on its FY2018 unaudited consolidated financial statements. The results of the Special Audit may require the Issuer to make various provisions and write offs in its FY2018 audited consolidated financial statements, the amounts of which may be significant.

See the section "The Proposal—Background to the Proposal—The Irregularities" contained in the Consent Solicitation Statement for a description of the financial effects that the Blackgold Group has on the Issuer's unaudited consolidated financial statements for 3Q2018.

The PRC Litigation

On 6 August 2018, 10 September 2018 and 14 September 2018, the Issuer was notified various litigation in the PRC. See "The Proposal—Background to the Proposal—The PRC Litigation" contained in the Consent Solicitation Statement for a summary of such litigation.

In light of the irregularities and the PRC Litigation described above and their potential consequences, the Issuer is proposing to obtain a waiver for any non-compliance or potential non-compliance with various provisions of the Trust Deed and the Notes, and obtain approval of Noteholders to make certain amendments to the Trust Deed and the Notes (including, but not limited to, the amendments to the financial covenants). See "Terms of the Proposal" for further details of the proposal.

For the avoidance of doubt, the Issuer is not proposing any change to the outstanding principal amount of the Notes, the Interest Rate and the Maturity Date.

(5) Voting Procedures

The relevant provisions governing the convening and holding of a Meeting are set out in Schedule 11 of the Trust Deed, copies of which are available for inspection as referred to above.

To be eligible to attend or vote at a Meeting either in person or by proxy, Noteholders should complete and sign a Voting Instruction Form to instruct the Meeting Agent to either issue a Voting Certificate or comply with a Voting Instruction. Such Voting Instruction Form must be submitted to the Meeting Agent at the Meeting Agent's Office by the Expiration Time.

In the case of Noteholders who are individuals, copies of such Noteholder's passport or identity card will have to be submitted to the Meeting Agent together with the Voting Instruction Form.

Noteholders should note that the latest time and date for obtaining a Voting Certificate and for issuing, amending or revoking a Voting Instruction (the "Expiration Time") is 10:00 a.m. (Singapore time) on Wednesday, 24 October 2018.

Noteholders who take the action described below and in the Consent Solicitation Statement prior to the Expiration Time need take no further action in relation to voting at the relevant Meeting in respect of the Extraordinary Resolution.

- (a) If a Noteholder wishes to obtain a Voting Certificate in respect of the Notes for the purposes of attending the Meeting, such Noteholder must deposit a validly completed Voting Instruction Form for that purpose at least 48 hours before the time fixed for the Meeting with the Meeting Agent. The Meeting Agent shall then issue a Voting Certificate in respect of it. Noteholders without a Voting Certificate will not be allowed to attend and vote at the Meeting.

- (b) If any Noteholder (including a Beneficial Owner) does not wish to attend the Meeting personally, such Noteholder may instruct the Meeting Agent to appoint any employee, officer or agent of the Meeting Agent to attend the Meeting as proxy and to vote on the Extraordinary Resolution through a Voting Instruction, in which such Noteholder or its duly authorised representatives shall direct the Meeting Agent as to how these votes are to be cast at the Meeting according to the wishes of such Noteholder and in respect of the aggregate principal amount of the Notes held by such Noteholder.

- (c) If a Noteholder wishes the votes attributable to it to be included in a block voting instruction for the Meeting, then, at least 48 hours before the time fixed for the Meeting, (a) such Noteholder must deposit a validly completed Voting Instruction Form for that purpose with the Meeting Agent and (b) such Noteholder or its duly authorised representatives shall direct the Meeting Agent as to how these votes are to be cast at the Meeting.

- (d) Each Noteholder is to note that, upon the delivery of the validly completed Voting Instruction Form to the Meeting Agent, the Meeting Agent will proceed to request CDP to earmark the direct securities account or securities sub-account in which the Noteholder's Notes are credited and Notes so earmarked will not be released until:

- (i) in the case where:
- (A) in respect of a Voting Certificate, not less than 48 hours before the time for which the Meeting is convened, when such Voting Certificate is surrendered to the Meeting Agent and the Meeting Agent notifies CDP of such surrender or of the compliance in such other manner with the rules of CDP; or
- (B) in respect of instructions for votes to be included in a block voting instruction by way of a Voting Instruction Form, not less than 48 hours before the time for which the Meeting is convened, when the Meeting Agent receives a notification in writing of any revocation of a Noteholder's previous instructions to the Meeting Agent and the same is notified in writing at least 24 hours before the time appointed for holding the Meeting by the Meeting Agent to the Issuer at its specified office or to the chairman of the Meeting;

- (ii) (in the case of Noteholders who have voted in favour of the Extraordinary Resolution and such votes have not been validly revoked and the Extraordinary Resolution has been duly passed) the time of the payment of the relevant Consent Fee to such Noteholders;
- (iii) (in all other cases, including in the case where the Notes are held by the Noteholders who have voted against the Extraordinary Resolution and such votes have not been validly revoked) the conclusion of the Meeting (or, if applicable, any adjournment of the Meeting); and
- (iv) (in the case where the Consent Solicitation is terminated) the date of termination of the Consent Solicitation.

and in each case such Notes ceasing in accordance with the procedures of CDP and with the agreement of the Meeting Agent to be held to its order (the "Earmarking Period").

During the Earmarking Period, the Notes which are the subject of a Voting Instruction Form may not be traded or transferred. Notwithstanding anything contained herein, Noteholders should note that the Notes will be earmarked by CDP in accordance with its procedures and subject to its timings. Similarly, Notes so earmarked will also be released by CDP in accordance with its procedures and subject to its timings.

Noteholders may not revoke or amend Voting Instructions at any time after the Expiration Time unless the Meeting is adjourned for want of a quorum, in which case Noteholders may revoke or amend Voting Instruction at any time at or prior to the Adjournment Instruction Deadline, after which time Noteholders may not revoke or amend Voting Instructions. Any notice of revocation or amendment received after such relevant time will not be effective.

(6) Consent Fee

If the Settlement Conditions are fulfilled, the Issuer shall, no later than five Business Days after the Meeting, pay the Early Consent Fee to those Noteholders who have delivered Voting Instructions voting in favour of the Extraordinary Resolution on or prior to the Early Consent Deadline (and have not subsequently revoked or amended such instructions).

If the Settlement Conditions are fulfilled, the Issuer shall, no later than five Business Days after the Meeting, pay the Normal Consent Fee to those Noteholders who have delivered Voting Instructions voting in favour of the Extraordinary Resolution after the Early Consent Deadline but on or prior to the Expiration Time (and have not subsequently revoked or amended such instructions). For the avoidance of doubt, Noteholders who are eligible to receive the Early Consent Fee will not additionally receive the Normal Consent Fee.

To receive the Early Consent Fee, Noteholders must submit or deliver (or arrange to have submitted or delivered on their behalf) Voting Instructions voting in favour of the Extraordinary Resolution on or prior to the Early Consent Deadline to the Meeting Agent and must not subsequently revoke or amend such instructions.

To receive the Normal Consent Fee, Noteholders must submit or deliver (or arrange to have submitted or delivered on their behalf) Voting Instructions voting in favour of the Extraordinary Resolution on or prior to the Expiration Time to the Meeting Agent and must not subsequently revoke or amend such instructions.

Payment of the relevant Consent Fee is subject to the Settlement Conditions being fulfilled.

Noteholders who deliver Voting Instructions voting against the Extraordinary Resolution and/or after the relevant Consent Fee Deadline and/or who attend and vote at the Meeting will not be eligible to receive the relevant Consent Fee.

Noteholders should note that Voting Instructions given in respect of the Meeting shall remain valid for any adjourned Meeting for want of a quorum (unless revoked or amended on or prior to the Adjournment Instruction Deadline).

The payment of the relevant Consent Fee to each eligible Noteholder is conditional upon the following:

- Noteholders duly passing the Extraordinary Resolution; and
- such Noteholder duly completing and delivering to the Meeting Agent the duly completed Voting Instruction Form on or prior to the Early Consent Deadline (in the case of the Early Consent Fee) or the Expiration Time (in the case of the Normal Consent Fee) and providing complete details (as specified in the Voting Instruction Form) of a valid bank account with a bank in Singapore into which the relevant Consent Fee should be credited,

(collectively, the "Settlement Conditions").

Those Noteholders who submit or deliver Voting Instructions voting in favour of the Extraordinary Resolution on or prior to the Early Consent Deadline and who wish to receive the Early Consent Fee must not subsequently revoke or amend such instructions. Noteholders will not be able to revoke or amend their Voting Instructions voting in favour of the Extraordinary Resolution on or prior to the Expiration Time, or if the Meeting is adjourned for want of a quorum, the Adjournment Instruction Deadline. During the period commencing on the Expiration Time and ending at the conclusion of the Meeting, Noteholders will not be able to submit or deliver Voting Instructions. Any Voting Instructions received during such period will not be effective.

If the Meeting is adjourned, then during the period commencing on the Adjournment Instruction Deadline and ending at the conclusion of the adjourned Meeting, Noteholders will not be able to submit or deliver Voting Instructions. Any Voting Instructions received during such period will not be effective. Noteholders who have not already submitted or delivered Voting Instructions on or prior to the Expiration Time may submit or deliver Voting Instructions, and Noteholders who have already submitted or delivered Voting Instructions on or prior to the Expiration Time may submit or deliver amended Voting Instructions, during the period commencing at the conclusion of the original Meeting and ending on the Adjournment Instruction Deadline (but will not, for the avoidance of doubt, be entitled to the Early Consent Fee).

Provided that the Settlement Conditions are fulfilled, the Consent Fee will be credited to the account of a Noteholder eligible to receive such Consent Fee on or around Monday, 29 October 2018 and in any event, by not later than five Business Days after the passing of the Extraordinary Resolution. The Issuer may elect to waive any Settlement Condition at its sole and absolute discretion. In any event, none of the Issuer, the Trustee, the Issuing and Paying Agent or the Meeting Agent shall be liable for any delay in payment of the relevant Consent Fee arising from the bank account details in the relevant Voting Instruction Form not having been duly completed. None of the Issuer, the Trustee, the Issuing and Paying Agent or the Meeting Agent shall be responsible for ensuring that the relevant Consent Fee is actually received by the relevant Noteholder.

Under no circumstances shall the Trustee or the Issuing and Paying Agent be under any duty to give any notification to any holder on the payment (or non-payment) of any Consent Fee, nor shall any of such entities or persons incur any liability in connection with the payment (or non-payment) of any Consent Fee or the failure to give such notification.

(7) Quorum and Adjournment

The meeting provisions in the Trust Deed require the proposals tabled in the Extraordinary Resolution to be subject to the quorum provisions in paragraph 19 of Schedule 11 to the Trust Deed. Therefore, the quorum required at the Meeting for the passing of the Extraordinary Resolution shall be two or more persons present holding Voting Certificates or having proxies and holding or representing in the aggregate not less than a clear majority of the principal amount of the Notes for the time being outstanding.

No business (other than the choosing of a Chairman) shall be transacted unless the requisite quorum is present at the commencement of business.

If a quorum is not present within 15 minutes from the time appointed for the Meeting, the Meeting shall stand adjourned for such period, being not less than 14 days nor more than 42 days, and to such time and place as the Chairman may decide. At least 10 days' notice of such adjourned Meeting (exclusive of the day on which the notice is given and the day on which the Meeting is to be held) shall be given in the same manner as for the original Meeting and such notice shall state the required quorum at such adjourned Meeting. The quorum required at any adjourned Meeting for the passing of the Extraordinary Resolution is two or more Noteholders or agents present in person holding or representing any proportion of Notes for the time being outstanding.

Voting Instructions given in respect of the Meeting shall remain valid for any adjourned Meeting for want of a quorum (unless revoked or amended on or prior to the Adjournment Instruction Deadline).

(8) Voting

Each question submitted to the Meeting will be decided on a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman of the Meeting, the Issuer, the Trustee or one or more persons representing two per cent. in principal amount of the Notes for the time being outstanding.

Unless a poll is demanded, a declaration by the chairman of the Meeting that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.

If a poll is demanded, it shall be taken in such manner and (subject as provided in Schedule 4 to the Trust Deed) either at once or after such adjournment as the chairman of the Meeting directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the Meeting continuing for the transaction of business other than the question on which it has been demanded.

A poll demanded on the election of the chairman of the Meeting or on a question of adjournment shall be taken at once.

On a show of hands every person who is present in person and produces a Voting Certificate or is a proxy or representative shall have one vote. On a poll every such person has one vote in respect of each S\$250,000 Denomination Amount of the Notes (which is the relevant minimum denomination of the Notes) so produced or represented by the Voting Certificate so produced or for which it is a proxy. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all in the same way.

In case of equality of votes, the chairman of the Meeting shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

(9) Extraordinary Resolution

The Extraordinary Resolution would need to be passed by at least 75 per cent. of the votes cast at the Meeting. The Extraordinary Resolution passed at such Meeting duly convened shall be binding upon all Noteholders, whether or not present at the Meeting, and on all the Couponholders (as defined in the Trust Deed) and each of them shall be bound to give effect to it accordingly and the passing of such resolution shall be conclusive evidence that the circumstances justify its being passed.

(10) Notice of Results

The Issuer must give notice of the passing of the Extraordinary Resolution within 14 days but failure to do so shall not invalidate the resolution.

(11) Tax Note

Certain tax-related disclosures are set out in the Consent Solicitation Statement.
