CHAIRMAN OF THE MEETING

The Chairman invited Mr Bani Mulia, the Executive Director and Group CEO of the Company, to chair the proceedings of the EGM and to announce the results of the poll for the resolution tabled at the EGM.

On behalf of the Chairman, Mr Bani Mulia assumed the chair of the meeting and proceeded with the business of the EGM (“**Chairman of the Meeting**”).

The Chairman of the Meeting informed the meeting that:

The Chairman of the Meeting proceeded with the business of the EGM.

ORDINARY RESOLUTION – THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

The Chairman of the Meeting informed that there was only one agenda item for the EGM.

The meeting noted that Ordinary Resolution was to seek shareholders’ approval on the proposed renewal of the Share Buyback Mandate, details of which were set out on pages 4 to 16 of the EGM Circular.

The text of the Ordinary Resolution as set out in the Notice of EGM was proposed by the Chairman of the Meeting and seconded by a shareholder, Liew Kok Meng.

QUESTIONS AND ANSWERS SESSION

The Chairman of the Meeting opened the floor for a Questions and Answers Session. The following question raised by a shareholder and the response from the Group CEO were noted by shareholders:

Question 1 : **The Company has not used the share buyback mandate in recent years - what will be the trigger point and rationale, if you were to exercise the share buyback mandate?**

Group CEO : We are pleased with our share price performance in recent years but believe that it still remains undervalued. While the overall market sentiment on shipping industry is dynamic and unpredictable, we are confident in our Group's business and will continue to work towards increasing the Company's share price and its shareholders' value.

If market conditions were to reverse and the Company's share price does not reflect the Company's value, the Company may consider utilising the share buyback mandate at the appropriate time.

Comment from Shareholder : *I do not oppose the share buyback mandate, in fact, I support the mandate and urge the Company to actively monitor its share price and to exercise the mandate to buy back shares whenever the share price drops below a certain range. Since the Company's share price remains undervalued, I was concerned as to why the mandate had not been utilised in the last couple of years.*

There being no further questions, the Chairman of the Meeting concluded the Questions and Answers Session and proceeded with the formalities of the Poll.

DECLARATION OF POLL RESULTS

The motion was put to vote and the results of the poll for the Ordinary Resolution were as follows:

FOR		AGAINST		TOTAL	
No. of Shares	As a percentage of total no. of votes for the resolution (%)	No. of Shares	As a percentage of total no. of votes against the resolution (%)	Total no. of shares represented by votes for and against the resolution	As a percentage of total no. of votes for and against the resolution (%)
403,841,405	100.00	19,800	0.00	403,861,205	100.00

Based on the results of the poll, the Ordinary Resolution was declared carried by the Chairman and it was RESOLVED:
