Balance 49% Interest in Rock Square

Disclaimer

This presentation should be read in conjunction with the circular dated 4 December 2020 issued by CapitaLand Retail China Trust ("**CRCT**") to unitholders of CRCT ("**Unitholders**").

This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for units in CRCT ("**Units**").

This presentation may contain forward-looking statements. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other developments or companies, shifts in customer demands, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training, property operating expenses), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of the Manager (as defined herein) regarding future events. No representation or warranty express or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. To the maximum extent permitted by law, neither CapitaLand Retail China Trust Management Limited as manager of CRCT ("**Manager**") nor any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use of, reliance on or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CRCT is not indicative of its future performance. The listing of the Units on the Singapore Exchange Securities Trading Limited ("**SGX-ST**") does not guarantee a liquid market for the Units. The value of the Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the Manager redeem or purchase their Units while the Units are listed on the SGX-ST. It is intended that holders of Units may only deal in their Units through trading on the SGX-ST.

- 4 100% Ownership in Rock Square – Proven Track Record with Resilient Performance
- 5 Attractive Entry Valuation That Delivers Accretion
- 6 Significantly Enhance Portfolio's Scale, Diversification and Resilience
- 7 Leveraging on Sponsor's Strong Support, Network and Operational Expertise

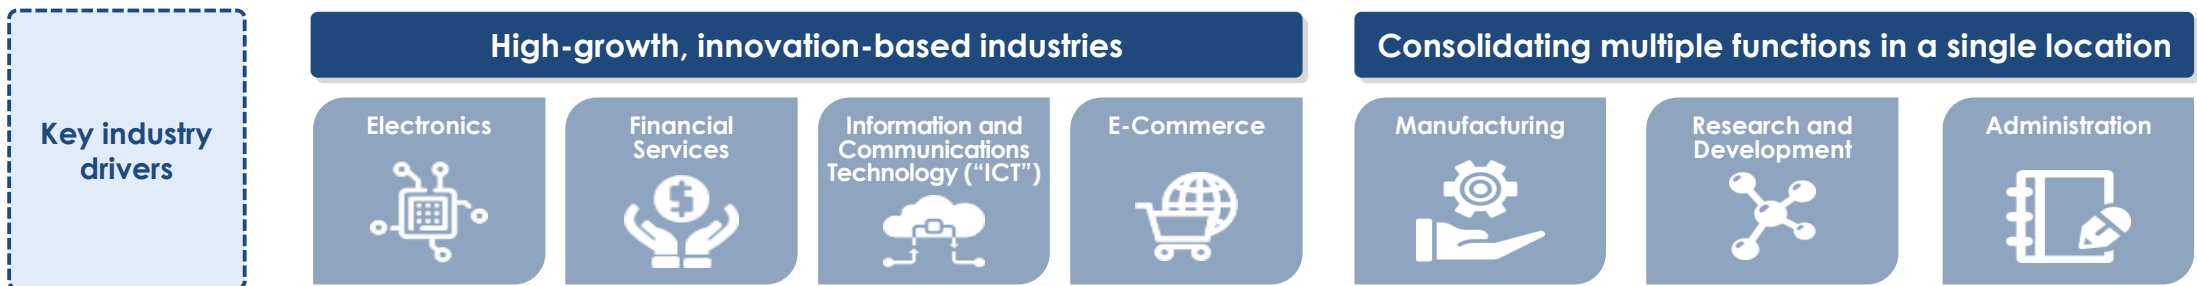

1

Strategic Addition of Highly Resilient Business Park Assets

Business Parks – Thematically Supported By China’s Economic Growth Initiatives

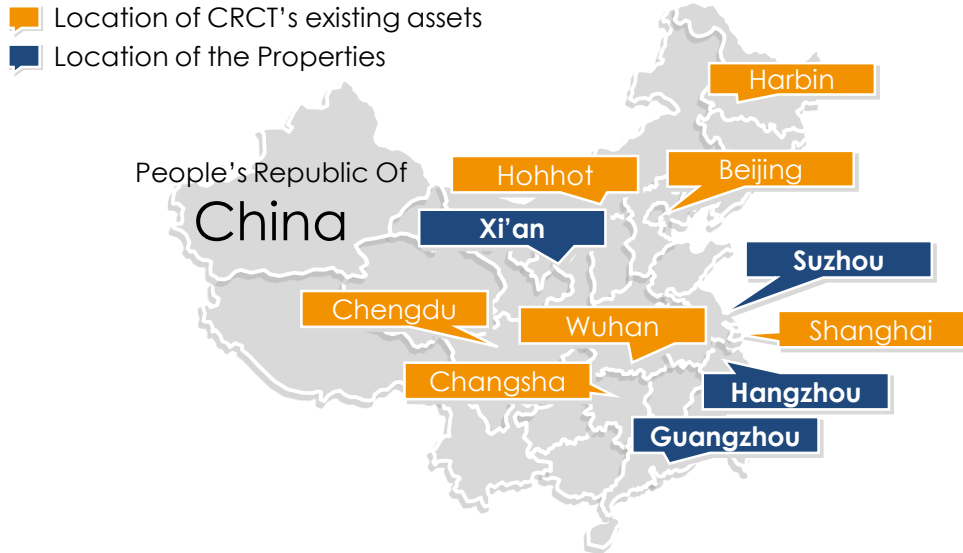

Business Parks – Growing Demand Supported By Robust Industry Drivers

Source: Based on the independent market research report provided by Colliers International Property Consultants (Shanghai) Co., Ltd. in relation to the Acquisition (“Independent Market Research Report”).

2

Establishing Foothold in High-Growth Economic Zones

Tier 2 Provincial Cities Set for Rapid Growth

Tier 2 Tech-Driven Provincial Cities Are Supported By Strong Economic Fundamentals

Business Park Market	Suzhou <i>HQs for Fortune 500 Giants</i>	Xi'an <i>China's Silicon Valley</i>	Hangzhou <i>E-Commerce Capital</i>
	Suzhou Industrial Park ("SIP") Ranked first amongst economic development zones for past four consecutive years	Xi'an High Tech Industries Development Zone Largest business park market in terms of economic scale in Northwestern China	Hangzhou Economic and Technological Development Area Ranked among top ten national development zones for past three consecutive years

3

High Quality Business Parks Supporting the New Economy

Well-located Assets with Close Proximity to Key Transport Nodes (Minutes by Driving)

Campus-style Workplace Designed For High-growth, Innovation-based Industries

Ascendas Xinsu Square R&D

Desired building specifications at attractive rents supporting tenants and park growth

Ascendas Innovation Towers

Campus-style environment with vast green communal landscape

SHSTP Phase I

Comprehensive suite of amenities favoured by modern workforce – **Work-Live-Play concept**

Bridge+ at SHSTP Phase II

Built up industry clusters across the value chain **encourages collaborative environment**

3

High Quality Business Parks Supporting the New Economy (Cont'd)

Strong Occupancy Anchored by High Quality Tenants in Emerging High-growth Sectors

Tenant Base By Trade Sector

By % of Gross Rental income ("GRI")¹

- **61.6% of tenants¹ in emerging high-growth sectors** in China such as Electronics, Engineering, E-Commerce, ICT and Financial Services
- Established tenant base consisting of **high quality, reputable domestic companies and MNCs**
- Strong committed occupancy rate of **91.5%², above the market average**
- **Strong rental rates with continuous growth**

Key Tenants In High-growth Sectors

Financial / Professional Services

Information and Communications Technology

Electronics / Engineering

Notes:

1. Based on GRI for the month ended 31 August 2020 and on a 100% basis for Business Parks / Industrial assets of the Properties (subject to rounding difference).
2. Committed occupancy of Business Park and Industrial assets as at 30 September 2020.
3. Others include food and beverages, logistics and supply chain management, distribution and trading, education, data centres, energy and utilities, textiles and garments, leisure and entertainment, chemical, fast-moving consumer goods, media, natural resources, government and hospitality sectors.

4

100% Ownership in Rock Square – Proven Track Record with Resilient Performance

100% Ownership Will Allow CRCT To Capture the Full Upside from Asset Enhancement Initiatives (“AEIs”) and Reconfiguration

Rock Square, Guangzhou, China

- **One of the largest** shopping malls in the **well-established Jiangnanxi retail cluster** in Haizhu District of Guangzhou
- **Double-digit positive rental reversions** since acquisition: **26.8%** in 2018, **23.0%** in 2019 and **12.8%** YTD September 2020
- **Track record of strong performance** since CRCT's 51% acquisition in 2018 and continues to demonstrate **resilience post COVID-19 lockdown**

AEIs:

Ongoing AEIs to extract value with >1,000 sq m of net lettable area to be added over the next 2-3 years

Efficient reconfiguration to make way for higher yielding F&B tenants

Improve shopper circulation and area efficiency

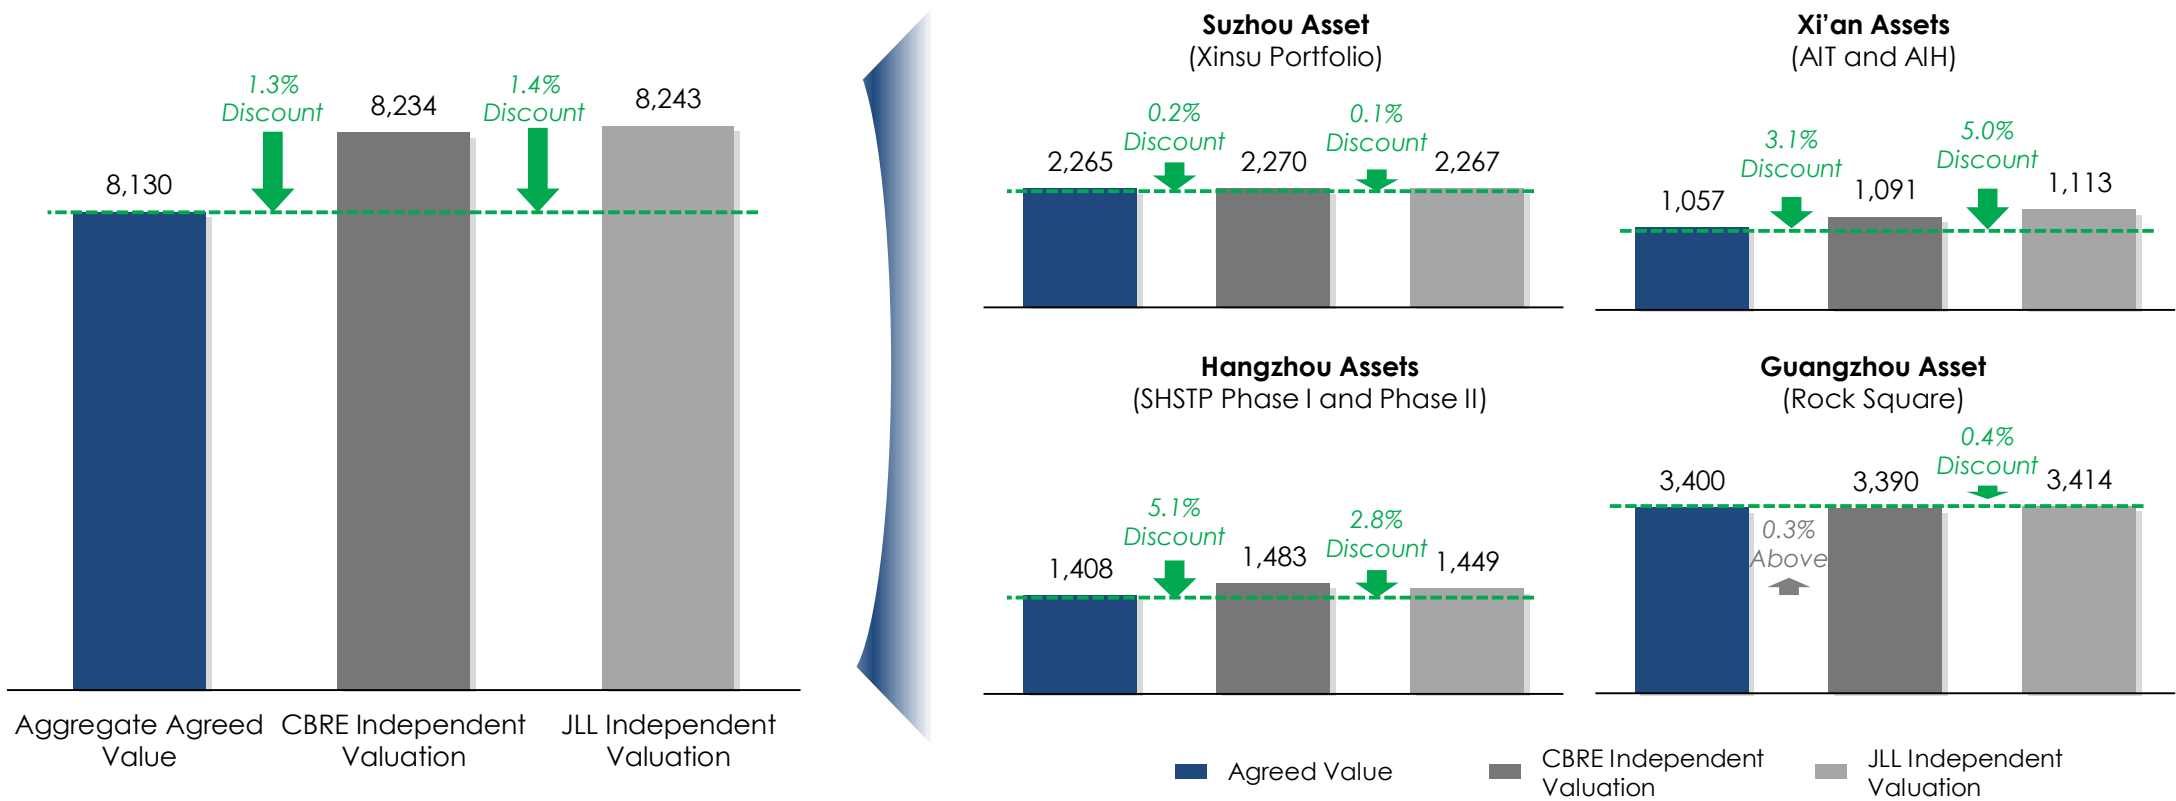

Enhance overall building facade

Expected ROI of 15% for the ongoing AEIs

5

Attractive Entry Valuation That Delivers Accretion

Agreed Value Relative to Independent Valuations¹ (RMB mm)

Source: Independent Valuers.

Note:

1. Agreed Value and appraised valuation on 100% basis.

5

Attractive Entry Valuation That Delivers Accretion (Cont'd)

Positive Impact On Portfolio with 4.8% Pro Forma Distribution Per Unit (“DPU”) Accretion

1H 2020 Net Property Income Yield

Pro Forma 1H 2020 Normalised DPU^{3,4}

Notes:

1. NPI yield is computed based on the annualised 1H 2020 NPI and the property valuation as at 1 November 2020 (except for 51% stake in Rock Square where the Agreed Value is used). Excludes CapitaMall Erqi as the mall was divested on 28 May 2020. FRS116 adjustments are excluded in the NPI for CapitaMall Qibao and CapitaMall Minzhongleyuan.
2. NPI yield is computed based on the annualised 1H 2020 NPI and the Agreed Value of the Properties on effective stake basis. Excluding the one-off rental rebate given to Rock Square's tenants in relation to COVID-19, the NPI yield would have been 6.0%.
3. Computed based on the illustrative average unit price of S\$1.189.
4. On a normalised basis excluding one-off rental rebate of S\$17.9mm (net of fees and property tax savings) provided to tenants, pre-termination compensation of S\$3.5mm received by CapitaMall Erqi and retained distributable income of S\$1.8mm. If using the actual CRCT 1H 2020 reported numbers: (i) DPU before acquisition was 3.02 Singapore cents (ii) DPU after acquisition would be 3.43 Singapore cents (iii) DPU accretion would be 13.6%.

6

Significantly Enhance Portfolio's Scale, Diversification and Resilience

Significant Increase in Size

Assets Under Management¹ ("AUM") (\$\$mm)

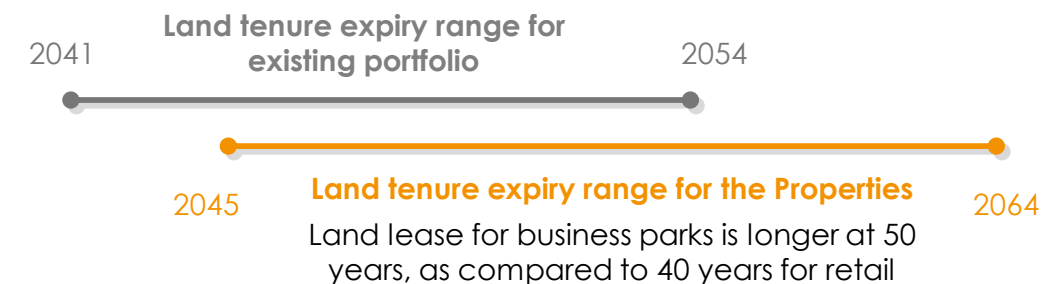

1H 2020 Net Property Income (\$\$mm)

Gross Floor Area (sq m)

Land Tenure Extension (year)

Notes:

1. AUM for Existing Portfolio is based on the valuation as at 1 November 2020 and Agreed Price of Rock Square. AUM for the Properties are based on Agreed Value. All AUM are stated on effective stake basis.
2. Contribution from Business Parks, Industrials and balance 49% interest in Rock Square.
3. Based on the normalised 1H 2020 NPI (excluding one-off rental rebate net of fees and property tax savings) on a 100% consolidated basis.
4. Contribution from Business Parks, Industrials and Rock Square (excluding one-off rental rebate net of fees and property tax savings) on a 100% consolidated basis.
5. Includes 100% of Rock Square's GFA.
6. Contribution from Business Parks and Industrial assets.

6

Significantly Enhance Portfolio's Scale, Diversification and Resilience (Cont'd)

Enhanced Diversification and Exposure Offers Greater Stability Through Market Cycles and Access to Tech-Driven Business Park Cities

Enlarged Portfolio

By Asset Class (GFA)

By Trade Sector (GRI¹)

Electronics / Engineering / E-Commerce / ICT / Financial Services

- Food & Beverage ("F&B")
- Fashion & Accessories
- Supermarket
- Beauty & Healthcare
- Leisure & Entertainment
- Others

GRI contribution from F&B and Fashion & Accessories reduced to 40% (from 54%)

By Asset Class (GRI¹)

By Cities (GRI¹)

Suzhou / Xi'an / Hangzhou

- Beijing
- Harbin
- Guangzhou
- Chengdu
- Changsha
- Shanghai
- Hohhot
- Wuhan

Reduced exposure to retail, with >40% of GFA dedicated to Business Parks and Industrial assets

Tech-driven Suzhou, Hangzhou and Xi'an business park cities accounting for 20% of GRI¹

Note:
1. Based on GRI for the month ended 31 August 2020 and on an effective stake basis.

6

Significantly Enhance Portfolio's Scale, Diversification and Resilience (Cont'd)

Enlarge and Diversify CRCT's Tenant Base and Reduces Exposure to Top 10 Tenants and Single Tenant Concentration Risk

No. of Leases

Reduction in Tenant Concentration in Enlarged Portfolio

Single largest tenant will now account for **3.6% of GRI¹**, down from **4.8%**

Top 10 tenants will now account for **15.1% of GRI¹**, down from **18.4%**

Top 10 Tenants of the Enlarged Portfolio by GRI^{1,2,3}

Note:

1. Based on GRI for the month ended 31 August 2020 and on an effective stake basis.
2. Includes both GRI and the gross turnover rent ("GTO") components to account for pure GTO leases.
3. Based on CRCT's effective interest in each property, including CRCT's 100% stake in Rock Square, 80% stake in Ascendas Innovation Hub, 80% interest in SHSTP Phase I and Phase II, and 51% stake in Ascendas Xinsu Portfolio.
